The County being the direct recipient of the federal award is required to provide evidence of due diligence in reviewing the ability of a subrecipient to properly meet the objectives of the sub award and account for the use of the grantor's funds.

The County's responsibilities, according to 2 CFR 200.331 include the following:

The Grants Administration under El Paso County Budget and Finance Department is responsible for the submittal of the grant applications to the awarding agencies. - Monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes. Monitoring can include reviewing financial and performance reports and following up on previous deficiencies identified by the pass-through entity during previous audits. This can also include a review of financial policies and procedures and internal controls.
- Verify that subrecipient is audited as required by Sub-part F- Audit requirements when threshold is exceeded.
- Consider whether the results of the subrecipient's audits, on-site reviews, or other monitoring indicates conditions that necessitate adjustments to the County 's own records.
- Consider taking enforcement action against noncompliant subrecipients as described in 2 CFR 200.338 Remedies for noncompliance.
- Compile financial data and submit the required billings. quarterly financial reports and FFATA requirements.
