WHEREAS, Landlord owns and operates the El Paso International Airport as depicted in the Airport Layout Plan (“Airport”) located in the County of El Paso, Texas;

WHEREAS, Landlord has constructed an Innovation Factory and facilities located on the Airport and has space and facilities available for lease, and Tenant desires to lease space in the Innovation Factory;

For reference purposes the Regulations in effect as of the Effective Date of this Lease are attached to this Lease as Exhibit “C” provided that the Landlord reserves the right to update such regulations at any time, in the Landlord’s sole discretion, by posting the updated versions in the City website. No notification is required from the Landlord to the Tenant to update the Regulations. Updated Regulations become effective as of the date of the website posting. Tenant will abide by all updates to the Regulations.

Tenant shall not offer, or permit to be offered, retail services or sales. In connection with the exercise of its rights under this Agreement, Tenant:

The granting of this Agreement and its acceptance by Tenant are conditioned upon the following covenants:

- A. regulations and ordinances of Landlord now in force or hereafter prescribed or promulgated by charter authority or by law.

- C. Tenant will utilize only the roadways, taxiways, or other direction, path, route, or form of travel Landlord may designate, from time to time, for Tenant's operation and movement on or about the Airport.

ARTICLE II **OBLIGATIONS AND RIGHTS OF LANDLORD**

Section 2.01 Quiet Enjoyment

Landlord agrees that upon Tenant's paying rent and performing all of the covenants, conditions, and agreements herein set forth, Tenant shall and may peaceably and quietly have, hold, and enjoy the Premises hereby demised for the term of this Agreement.

Section 2.02 Landlord's Right of Entry

Landlord and persons authorized by Landlord may enter the Premises at all reasonable times upon reasonable advance notice (except in the case of an emergency in which case no prior notice is necessary) for the purpose of inspections, repairs, alterations to adjoining space, appraisals, or other reasonable purposes; including enforcement of Landlord's rights under this Lease. Landlord also shall have the right to enter the Premises at all reasonable times after giving prior oral notice to Tenant, to exhibit the Premises to any prospective tenants or other persons as reasonably determined by the Landlord.

Section 2.03 Condition and Maintenance of Premises.

Landlord shall bear responsibility for the repair, maintenance and replacement of the mechanical systems of the Premises, including but not limited to, electrical, the plumbing system including replacement of major lines, the life-safety systems and the HVAC systems. Landlord shall bear responsibility for the repair, maintenance and replacement of the Structural Elements of the Premises, except for any damage caused by the act or omission of the Tenant, or any agent, employee, invitee, contractor, servant, or subtenant of Tenant, for which damage Tenant shall be responsible. "Structural Elements" shall mean the roof, foundation, load bearing columns and walls, exterior walls, exterior paint, common vehicle parking areas, and the aircraft parking apron. Tenant will be responsible for the maintenance, repair and replacement of Non-Structural Elements within their Leased Premises. "Non-Structural Elements" refers to anything not considered a structural element under this lease within their Premises. The Landlord will be responsible for the Non-Structural Elements in the common area, except for any damage caused by the act or omission of the Tenant, or any agent, employee, invitee, contractor, servant, or subtenant of Tenant, for which damage Tenant shall be responsible.

ARTICLE III **OBLIGATIONS OF THE PARTIES**

Section 3.01 Condition and Maintenance of Premises

Except as otherwise provided in this Lease, TENANT ACCEPTS THE PREMISES IN "AS IS" CONDITION. The Landlord makes no representations regarding the suitability of the Premises for any uses by the Tenant.

Section 3.02 Internal Improvements.

- A. General. Tenant will not make any alterations or improvements to the Premises without prior written approval of the Director or designee. Approval for improvements remains at the sole discretion of the Director or designee and may be conditioned or denied for any or no reason.
- B. Unapproved Improvement Default. In the event of such alteration, erection, placement, or maintenance without approval, Tenant will be considered in default of this Agreement and Landlord may terminate this Agreement in accordance with the provisions set forth in this Lease. In addition to termination, Tenant will be responsible for the costs incurred by the Landlord for removing any unauthorized improvements and/or the costs of restoring the Premises to its prior condition.
- C. Title to Improvements. All Leasehold Improvements made to the Premises by Tenant, shall be and remain the property of Tenant until the termination of this Agreement whether by expiration of the term, cancellation, forfeiture or otherwise. Upon the termination of this Agreement, whether by expiration, cancellation, or otherwise, title to such Leasehold Improvements shall vest in accordance with the Paragraph below.
- D. Permanent Improvements. All permanent Leasehold Improvements, if any, made by Tenant to the Air Cargo Center, of which the Premises are a part, shall become the property of Landlord upon the expiration, cancellation or early termination of this Agreement; provided, however, that at Landlord's sole discretion, Tenant shall remove all permanent improvements and restore the Premises to the condition existing as of the effective date of this Lease provided that Landlord informs Tenant, in writing, at the time of granting approval that Landlord wants those improvements removed. All improvements other than permanent improvements and all fixtures of a non-permanent nature and all trade fixtures, machinery and equipment made or installed by Tenant may be removed from the Premises at any time by Tenant, subject to Landlord's lawful exercise of its landlord's lien, and to the extent that it does not cause structural or cosmetic damage to the Premises or any other portion of Landlord's Air Cargo Center and facilities.
- E. Furnished Offices. The offices will come furnished with 4 office chairs and 4 standing desks, as shown on Exhibit "B".

Section 3.03 Compliance with Laws

Tenant, at Tenant's expense, agrees that in the event it constructs, operates and/or maintains improvements on the Premises, such activities shall be done in accordance with all laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities, now in force or which may hereafter be in force, including, but not limited to, those which shall impose any duty upon the Landlord or Tenant, with respect to the use, occupation or alteration of the Premises and any improvements thereon. By way of example and not in limitation of the foregoing, the execution of this Lease and approval of Tenant's plans by the Airport shall not preclude the requirement that Tenant obtain all other approvals necessary for development of Tenant's project such as, but not limited to, building permits and certificates of occupancy.

Tenant, at Tenant's expense, specifically agrees to make or cause to be made all such alterations to the Premises, and any improvements thereon, including, without limiting the generality of the

requirements of this sentence, removing such barriers and providing such alternative services, as shall be required by the Americans with Disabilities Act of 1990 and any other laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities, now in force or which may hereafter be in force, which relate to use or occupation of the Premises and any improvements thereon by disabled persons (“Disabilities Laws”).

Tenant shall, at Tenant's expense, comply with all present and hereinafter enacted Environmental Laws, and any amendments thereto, affecting Tenant's use, operation, occupation or alteration of the Premises including any improvements thereon.

A. Definitions.

1. “Environmental Laws” means any one or all of the following as the same are amended from time to time: the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6941 et seq.; the Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq.; the Safe Drinking Water Act, 42 U.S.C. Section 300h et seq.; the Clean Water Act, 33 U.S.C. Section 1251 et seq.; the Clean Air Act, 42 U.S.C. Section 7401 et seq.; and the regulations promulgated thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereinafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including sub-strata land.
2. “Hazardous Material” shall mean all substances, materials and wastes that are, or that become, regulated under or classified as hazardous or toxic under any Environmental Law and all petroleum products, such as gasoline, kerosene, diesel fuel, and the like.
3. “Release” shall mean any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping into the environment.

B. Compliance.

1. Tenant shall not cause or permit any Hazardous Material to be used, generated, manufactured, produced, stored, brought upon, or released, on, under or about the Premises, or transported to and from the Premises, by Tenant, its agents, employees, contractors, invitees, or a third party in violation of any Environmental Law; provided, further, that with respect to demolition of Existing Improvements, Tenant shall comply fully with all regulatory requirements, including, but not limited to, those governing asbestos abatement. **Tenant shall indemnify, defend and hold harmless Landlord, its successors and assigns, its employees, agents and attorneys from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or**

related to any claim or action for injury, liability, breach of warranty or representation, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of, or adverse effects on, the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity which are incurred or assessed as a result (whether in part or in whole) of any activity or operation on or discharge from the Premises or any improvements thereon. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the Premises, improvements, land, soil, underground or surface water as required under the law. Tenant's obligations and liabilities under this paragraph shall continue so long as Landlord bears any liability or responsibility under the Environmental Laws for any action that occurred on the Premises or any improvements thereon. This indemnification of Landlord by Tenant includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material located on the Premises or any improvements thereon, or present in the soil or ground water on, under or about the Premises.

2. The parties agree that Landlord's right to enforce Tenant's promise to indemnify is not an adequate remedy at law for Tenant's violation of any provision of this Section. Landlord shall also have all other rights and remedies provided by law or otherwise provided in this Agreement.
3. Without limiting the foregoing, if the presence of any Hazardous Material on, under or about the Premises or in any improvements thereon or permitted by Tenant results in any contamination of the Premises or any improvements thereon, Tenant shall promptly take all actions at its sole cost and expense as are necessary to return the Premises or any improvements thereon to the condition existing prior to the introduction of any such Hazardous Material to the Premises or in any improvements thereon; provided that Landlord's approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Premises or on any improvements thereon.
4. Tenant shall, at Tenant's own cost and expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority (the "Government") under the Environmental Laws. Should the Government determine that site characterization, site assessment and/or a cleanup plan be prepared or that a cleanup should be undertaken on the Premises or in any improvements thereon, then Tenant shall, at Tenant's own cost and expense, prepare and submit the required plans and financial assurances, and carry out the

approved plans. At no cost or expense to Landlord, Tenant shall promptly provide all information requested by Landlord to determine the applicability of the Environmental Laws to the Premises or to respond to any governmental investigation or to respond to any claim of liability by third parties, which is related to environmental contamination.

5. Tenant shall immediately notify Landlord of any of the following: (a) any correspondence or communication from any governmental entity regarding the application of Environmental Laws to the Premises or Tenant's operation on the Premises, and (b) any change in Tenant's operation on the Premises that will change or has the potential to change Tenant's or Landlord's obligations or liabilities under the Environmental Laws.
6. Intentionally omitted.
7. Nothing in Section 3.03 will make Tenant liable or responsible for, and Tenant shall have no obligations related to any hazardous materials which (i) existed on, under or about the Premises prior Tenant's occupation under this Agreement or any previous lease Agreement with Landlord for the Premises, (ii) which migrate to the Premises from off-site, or (iii) are introduced to the Premises during Landlord or its employees, agents or contractors, or any other person or entity except to the extent caused by Tenant or its employees, agents, contractors or Air carriers.
8. Landlord shall use commercially reasonable efforts to cause its other tenants in the Air Cargo Center to comply with all Environmental Laws.

C. Reporting.

1. At any time that Tenant submits any filing pertaining to its property, operations, or presence on the Airport with any governmental entity (other than the Internal Revenue Service) by way of example but not in limitation, the Federal Aviation Administration (FAA), the Environmental Protection Agency (EPA) or the Texas Commission on Environmental Quality (TCEQ), Tenant shall provide duplicate copies of the filing(s) and all related documents to Landlord.
2. Within ninety (90) days after expiration, termination or cessation of this Lease for any reason, Tenant shall provide a current Phase I environmental site assessment of the Premises prepared in accordance with recognized industry standards; and if, in the opinion of Landlord and based on report findings, the Premises shall require environmental remediation, Tenant shall perform same to return the Premises into a condition equal or better to that as of the effective date of the Lease. Landlord shall provide Tenant access to the Premises as needed in order for Tenant to comply with its obligations pursuant to this Section 3.05(C)(2).

Section 3.04 Utilities

Landlord will provide: Water, sewer, gas, electricity for the Tenant's use, which will be billed to the Tenant in accordance with Section 5.02. Tenant will have access to connect to their own private internet services at the Tenant's own cost.

Section 3.05 Trash, Garbage, Other Refuse, and Pest Control

Landlord shall provide proper arrangement for the adequate sanitary handling and disposal, away from the Airport, of all non-hazardous trash, garbage and other refuse. Landlord will bill Tenant for this service in accordance with Section 5.02. Tenant will not dispose of hazardous materials in the receptacles provided. Tenant will be responsible for the disposal of any hazardous materials in accordance to applicable laws. Landlord will provide Pest Control in the common areas of the Innovation Factory.

Section 3.06 Permitted Uses

Tenant covenants and agrees that in no event will it enter into any business activity on the Premises other than those specified in the Regulations.

Section 3.07 Approval of Plans

Approval of any and all improvements, plans, signs, or documents by the Director does not constitute approval of the City or any other local, state, or federal agency. It is specifically understood that the Department of Aviation is only one of numerous departments of the City and that, in addition to obtaining approval of the Director, Tenant shall be required to obtain the approval of other departments as well.

Section 3.08 Authorization to Enter Restricted Area

Tenant understands that all of its agents, employees, servants or independent contractors must be authorized by Landlord to enter restricted areas as defined in Title 14 of the El Paso City Code as amended. Tenant understands that no person authorized to enter a restricted area by virtue of this Agreement may permit any person who is not otherwise authorized to enter a restricted area unless such person is, at all times while in the restricted area, in the company of an authorized person.

Section 3.09 Security

Tenant is familiar with the restrictions imposed on Landlord by 49 CFR Part 1540 and 1542 as amended and agrees to assume responsibility for compliance with said regulations as they relate to access and identification procedures on the Premises. Tenant recognizes that all persons in or on the Premises must comply with federal safety and security requirements.

Section 3.10 Penalties Assessed by Federal Government

Tenant understands and agrees that in the event any federal agency assesses a civil penalty against Landlord for any violation of a federal rule or regulation as a result of any act on part of Tenant, its agents, servants, employees, invitees, or independent contractors, Tenant will, upon invoice, promptly reimburse Landlord in the amount of the civil penalty assessed. Failure to reimburse Landlord within thirty (30) days of receipt of written notice shall be an event of default hereunder.

**ARTICLE IV
TERM OF LEASEHOLD**

Section 4.01 Term

The “Term” of this Lease will be the Initial Term and any properly exercised Option Period, as provided below. This Lease shall be for an initial term of five years (“Initial Term”), commencing on May 1, 2026 (“Effective Date”).

Section 4.02 Option to Extend

Intentionally deleted

Section 4.03 Holding Over

It is agreed and understood that any holding over by Tenant of the Premises at the expiration or cancellation of this Agreement shall operate and be construed as a tenancy from month to month at a rental of one and one-half (1.5) times the then current monthly rental, unless the hold over is caused by the City staff not placing a new agreement with Tenant regarding the Premises at the end of the term of the present Lease on the City Council Agenda on a timely basis in which case the current monthly rental rate shall continue until the new agreement is executed. No receipt or acceptance of money by Landlord from Tenant after the expiration or cancellation of this Agreement or after the service of any notice, after the commencement of any suit, or after final judgment for possession of the Premises, shall reinstate, continue or extend the terms of this Agreement, or affect any such notice, demand or suit or imply consent for any action for which Landlord's consent is required or operate as a waiver of any right of the Landlord to retake and resume possession of the Premises.

Section 4.04 National Emergency

In the event that the rights and privileges hereunder are suspended by reason of war or other national emergency, the parties will negotiate in good faith a reasonable resolution of this lease under the circumstances.

**ARTICLE V
RENTALS**

Section 5.01 Rental

For the purpose of computing the rental payments of this Lease, Landlord and Tenant agree that the Premises comprise the following:

Office Space:	210 square feet total at <u>22.67 per square foot per annum</u> \$4,760.70 per annum
---------------	--

Initially, therefore, the Initial Annual Rent shall be \$4,760.70 or \$396.73 per month payable in accordance to section 5.04.

Section 5.02 Expenses

In addition to the Rental, the Tenant will be responsible for the Tenant’s portion of the shared facility expenses including the utilities, trash removal, maintenance of common areas (including janitorial services, security system maintenance, compressed air system maintenance, and other

common area maintenance), and non-structural repairs and replacements (the “Expense Amount”). The Expense Amount for the First year of this Lease is \$1,470.00 or \$122.50 monthly. The Tenant will pay the Expense Amount monthly. The Landlord will perform a reconciliation report of the expenses at the end of every Fiscal year. The Tenant will be responsible for any expenses that exceed the Expense Amount, which will be due within 30 days of the invoice. If the expenses are less than the Expense Amount, then the Landlord will credit to the Tenant any over payments. All overpayments will be credited against amounts owed to the Landlord under this Lease. Following the reconciliation every Fiscal year, the Landlord will establish a new Expense Amount and the new amount will be reflected on the new invoice.

Section 5.03 Unpaid Rent, Fees and Charges

Any installment of rent, any fees, or other charges or monies accruing under any provisions of this Lease that are not received by the 30th day of the month in which payment is due, shall bear interest at the rate of 12% per annum.

Section 5.04 Time of Payment

ARTICLE VIII
CONDEMNATION

Section 8.01 Definition

The following definitions apply in construing the provisions of this Agreement relating to the taking of or damage to all or any part of the Premises, or improvements thereon, or any interest in them by eminent domain or condemnation:

- A. "Taking" means the taking or damaging, including severance damage by eminent domain or by condemnation for any public or quasi-public use under any statute. The transfer of title may be either a transfer resulting from the recording of a final order in condemnation or a voluntary transfer or conveyance to the condemning agency or entity under threat of condemnation and avoidance proceedings are pending.
- B. "Total taking" means the taking of the fee title to all of the Premises and improvements thereon.
- C. "Substantial taking" means the taking of so much of the Premises or improvements or both that one or more of the following conditions results:
 - 1. The remaining portion of the Premises and improvements thereon after such taking would not be economically and feasibly useable by Tenant;
 - 2. The conduct of Tenant's business on the Premises would be substantially prevented or impaired; or

3. The portion of the Premises not so taken cannot be so repaired or reconstructed, taking into consideration the amount of the award available for repair or reconstruction, as to constitute a complete rentable structure capable of producing a proportionately fair and reasonable net annual income after payment of all operation expenses including the rent and after performance of all covenants and conditions required of Tenant under this Agreement.
- D. “Partial taking” means the taking of a fee title that is not either a total or substantial taking.
 - E. “Improvements” includes, but is not limited to, all buildings, structures, fixtures, fences, utility installations, parking facilities and landscaping on the Premises.
 - F. “Notice of intended taking” means any notice or notification on which a reasonably prudent person would rely and which such person would interpret as expressing an existing intention of taking as distinguished from a mere preliminary inquiry or proposal. It includes, but is not limited to, the service of a condemnation summons and complaint on a party to this Agreement. The notice is considered to have been received when a party to this Agreement receives from the condemning agency or entity a notice of intent to take in writing containing a description or map reasonably defining the extent of the taking.
 - G. “Award” means compensation paid for the taking, whether pursuant to judgment, or by agreement, or otherwise.
 - H. “Date of taking” means the date that Tenant is required to vacate the Premises pursuant to a final order of condemnation or agreement between the parties hereto.

Section 8.02 Notice of Condemnation

The party receiving any notice of the kind specified below shall promptly give the other party notice of the receipt, contents and date of the notice received:

- A. Notice of intended taking;
- B. Service of any legal process relating to condemnation of the Premises or improvements; or
- C. Notice in connection with any proceedings or negotiations with respect to such a condemnation.

Section 8.03 Rights of Parties during Condemnation Proceeding

Landlord and Tenant shall each have the right to represent its respective interest in each proceeding or negotiation with respect to a taking or intended taking and to make full proof of its claims. No agreement, settlement, sale or transfer to or with the condemning authorities shall be made without the consent of all parties. Each party agrees to execute and deliver to any other party hereto any instrument that may be required to facilitate the provisions of this Agreement relating to the condemnation.

Section 8.04 Taking of Leasehold

Upon a total taking, Tenant's obligation to pay rent and other charges hereunder together with Tenant's interest in the leasehold shall terminate on the Date of Taking. Upon a substantial taking, Tenant may, by notice to Landlord within ninety (90) days after Tenant receives notice of the intended taking, elect to treat the taking as a total taking. If Tenant does not so notify Landlord, the taking shall be deemed a partial taking. Upon a partial taking, this Agreement shall remain in full force and effect covering the balance of the Premises not so taken, except that the rent payable hereunder shall be reduced in the same ratio as the percentage of the area of the Premises taken bears to the total area of the Premises.

Section 8.05 Total Taking

All of Tenant's obligations under the Agreement shall terminate as of the Date of Taking. Upon a total taking, all sums awarded for any Tenant-owned improvements and the leasehold estate shall be disbursed to Tenant. All sums awarded for the Premises, as unencumbered by the Tenant-owned improvements, but subject to the Agreement, shall be disbursed to Landlord.

Section 8.06 Partial Taking

Upon a partial taking, all awards shall be disbursed as follows:

- A. To the cost of restoring the improvements on the Premises; and
- B. The balance, if any, to Landlord and Tenant as follows: Tenant shall receive all sums awarded for Tenant-owned improvements and the Leasehold estate. Landlord shall receive all sums awarded for the Premises as unencumbered by the improvements but subject to the Agreement.

Section 8.07 Obligations of Tenant under Partial Taking

Promptly after any such partial taking, Tenant, at its expense and in accordance with any awards disbursed in accordance with Section 706, shall repair, alter, modify or reconstruct the improvements on the Premises so as to make them reasonably suitable for Tenant's continued occupancy for the uses and purposes for which the Premises are leased. Notwithstanding the foregoing to the contrary, should there be a partial taking in the last year of the initial term or any renewal term, Tenant shall be relieved of the responsibility to so repair or reconstruct the improvements on Premises as aforesaid by notifying Landlord of its intention to that effect.

Section 8.08 Taking of Temporary Use of Premises and Improvements

Upon any taking of the temporary use of all or any part or parts of the Premises or improvements, or both, for a period of any estate less than a fee ending on or before the expiration date of the term, neither the term nor the rent shall be reduced or affected in any way and Tenant shall be entitled to any award for the use or estate taken. If a result of the taking is to necessitate expenditures for changes, repairs, alterations, modifications or reconstruction of the improvements to make them reasonably suitable for Tenant's continued occupancy for the uses and purposes for which the Premises are leased, after the termination of such taking, Tenant shall receive, hold and disburse the award in trust for such work. At the completion of the work and the discharge of the Premises and improvements from all liens or claims arising therefrom, Tenant shall be entitled to any surplus and shall be liable for any deficiency.

If any such taking is for a period extending beyond the expiration date of the term, the taking shall be treated under the foregoing provisions for total, substantial and partial takings.

- D. Abandon the Premises while rent is in arrears;
- E. Default in the performance of any of the covenants and conditions required herein (except rental payments) to be kept and performed by Tenant, and such default continues for a period of thirty (30) days after receipt of written notice from Landlord to cure such default, unless during such thirty-day period, Tenant shall commence and thereafter diligently perform such action as may be reasonably necessary to cure such default;
- F. Be adjudged bankrupt in involuntary bankruptcy proceedings;
- G. Be made a party to any receivership proceeding in which a receiver is appointed for the property or affairs of Tenant where such receivership is not vacated within sixty (60) days after the appointment of such receiver; or

In any of the aforesaid events, Landlord may take immediate possession of the Premises including any and all improvements thereon and remove Tenant's effects, forcibly, if necessary, without being deemed guilty of trespassing.

Failure of Landlord to declare this Agreement canceled upon the default of Tenant for any of the reasons set out shall not operate to bar or destroy the right of Landlord to cancel this Agreement by reason of any subsequent violation of the terms of this Agreement.

No receipt or acceptance of money by Landlord from Tenant after the expiration or cancellation of this Agreement or after the service of any notice, after the commencement of any suit, or after final judgment for possession of the Premises, shall reinstate, continue, or extend the term of this Agreement, or affect any such notice, demand or suit or imply consent for any action for which Landlord's consent is required or operate as a waiver of any right of the Landlord to retake and resume possession of the Premises.

Section 10.03 Repossessing and Reletting

In the event of default by Tenant hereunder which shall remain uncured after the required notices have been given pursuant to this Agreement, and for such time as provided herein, Landlord may at once thereafter, or at any time subsequent during the existence of such breach or default:

- A. Enter into and upon the Premises or any part thereof and repossess the same, expelling therefrom Tenant and all personal property of Tenant (which property may be removed and stored at the cost of and for the account of Tenant), using such force as may be necessary; and
- B. Either cancel this Agreement by notice or without canceling this Agreement, relet the Premises or any part thereof upon such terms and conditions as shall appear advisable to Landlord. If Landlord shall proceed to relet the Premises and the amounts received from reletting the Premises during any month or part thereof be less than the rent due and owing from Tenant during such month or part thereof under the terms of this Agreement, Tenant shall pay such deficiency to Landlord immediately upon calculation thereof, providing Landlord has exercised good faith in the terms and conditions of reletting. Payment of any such deficiencies shall be made monthly within thirty (30) days after receipt of notice of deficiency.

Section 10.04 Assignment and Transfer

Tenant is not permitted to assign this Agreement without first obtaining Landlord's written consent; said consent shall not be unreasonably withheld, conditioned or delayed. The foregoing notwithstanding, any person or entity to which this Agreement is assigned to, pursuant to the Bankruptcy Code, 11 U.S.C. 101 et seq., shall be deemed without further act or deed to have assumed all the obligations arising under this Agreement on or after the date of such assignment. Any such assignee shall, upon demand, execute and deliver to Landlord an instrument confirming such assumption.

Section 10.05 Subleasing

- (a) Tenant shall not sublease all or any part of the Premises.

Section 10.06 Cancellation at Landlord's discretion

The Landlord may cancel this Lease following a 30 calendar day written notice, if the Landlord determines, in its sole discretion, that this lease must be canceled for any of the following reasons: (1) to allow the Landlord to comply with any Federal Aviation Administration or other federal or

state agency requirements, (2) the Landlord requires the Premises for aeronautical purposes, (3) the Landlord requires the Premises for any other municipal or airport purposes in the sole discretion of the Landlord, or (4) default on any incentive agreement, if any, between the City of El Paso and the Tenant related to this lease.

Section 10.07 Cancellation for failure to comply with requirements

If the tenant fails to comply with the requirements of the policy, this lease agreement, or the grant agreement following notice and a 30-calendar day opportunity to cure, then the City may cancel any or all agreements with the tenant, at the landlord's sole discretion, and the tenant will be responsible for repaying any funds granted under the grant agreement and responsible for any amounts under the lease agreement.

Section 10.08 Cancellation by Tenant

Tenant may cancel the lease agreement and grant agreement upon 90 calendar day written notice if the tenant is unable to continue its business operations in accordance to the application approved for grant funds. The notice provided by the tenant must explain the reasons the tenant is unable to continue to operate its business as provided in the application approved for the grant funds. Upon receipt of notification the City may immediately reallocate any funds approved for the tenant.

Section 10.09 Liquidated damages in event of cancellation

In the event that either party cancels the lease agreement, the pre-paid Rent and Expenses shall be used as liquidated damages by landlord.
