

7219 North Loop

BUILDING AND STANDARDS BOARD MEETING FOR
January 22nd, 2026

CODE ENFORCEMENT DEPARTMENT
PROPERTY MAINTENANCE AND ZONING

January 22nd, 2026

TO: The Honorable Chairman and Board Members

THROUGH: Arthur Steve Alvarado, Code Enforcement Department Director

FROM: Nathan J. Walsh, C.B.O., Chief Building Inspector

SUBJECT: **7219 North Loop Dr.**

The following is a brief chronology of the investigation of the referenced location:

- The property located at 7219 North Loop Drive consists of four (4) primary structures, identified as Structures **A, B, C, and D** site is Zoned R-F (Ranch-Farm).
- Code history: one (1) Code Compliance Cases and one (1) Property Maintenance & Zoning Case since January 2013
- **Structure A** partially overlaps property lines into 7217 North Loop Drive; however, the majority of the structure is located within 7219 North Loop. Structure **A** is approximately 5,466 sq. ft., including additions spanning from 7217 through 7219 North Loop, and is believed to have been a milk processing and bottling facility. The structure is one-story, constructed of stone and cinder block (CMU), and was found with broken load-bearing walls, fire damage, substantial structural dilapidation throughout the interior and exterior and collapsed ceilings and roof. The site contains combustible materials, trash, rubbish, and debris.
- **Structure B** is approximately 2,014 sq. ft., a one-story single-family dwelling, and was found with broken front doors, multiple cracks in load-bearing walls, and deteriorated walls and ceilings.
- The property is currently occupied by transients, and no contact has been made with owners or interested parties.
- **Structure C** is approximately 546 sq. ft. of habitable space, resembling a single-family dwelling, constructed of adobe with wood framing and stucco finish, with a deteriorated concrete foundation. The structure has multiple unwanted points of entry, including missing doors and broken windows, making it highly accessible to vagrants, and contains significant combustible material.
- **Structure D**, an accessory structure is approximately 28 sq. ft. Constructed of a wood frame and cement finish. Dilapidated interior and exterior walls.
- A Certified Notice of Violation was mailed on October 31, 2025, to Escobar Antonio R., 7225 North Loop Dr., El Paso, TX 79915-2412. Certified Notices of Public Hearing for the January 22, 2026, Building and Standards Commission meeting were mailed on January 06, 2026, to Mirrisons Texas, LP, a Texas Limited Partnership, and all interested parties. As of January 07, 2026, no property taxes are owed on the properties.

The owner(s) have been notified of the property violations at this property. To January 6th, 2025, there has been no action taken, and therefore the Department recommends:

1. That the structures are substandard and unfit for use and habitation and a hazard to the public health, safety, and welfare
2. That the structures are not in substantial compliance with the municipal ordinances regulating fire protection, structural integrity, and the disposal of refuse
3. That the certificate of occupancy be revoked,
4. That the structures (**Structures A, C & D**) shall be demolished within thirty (30) days from the date of this order and,
5. That the rehabilitation of **Structure B** be completed within ninety (90) days from the date of this order with the issuance of City permits, and/or structure "**B**" be demolished after ninety (90) days;
6. That the structures (**Structures A, B, C & D**) be secured from the date of this order and maintained secured until demolished or rehabilitated (as applicable)
7. That the responsible party shall abide by all permitting requirements
8. That the premises be cleaned of all weeds, trash, and debris from the date of this order and maintained clean thereafter until the structures are demolished or rehabilitated (as applicable)
9. That upon failure by the owner or any other interested party to comply with the order of the Building and Standards Commission, the City may take whatever action is necessary to bring the property into compliance, including demolition and placing a lien on the property for the work which will be caused to be done by the City
