Agenda Item	A Public Safety Coalition presentation on Opioid Use Disorder In The Borderland
Issue Statement	This presentation is to provide information on opioid use disorder in our community and how the Public Safety Coalition is working together to address this epidemic. This presentation will show the problems, objective and plan of action. There is no action requested from City Council this is only informational.
Background	The City has received about \$1 M dollars from the Opioid Settlement Funds that the state awarded the City. Because of the opioid fatalities in our community and the problem taking epidemic proportions, a coalition was formed between the Department of Public Health, Fire Department and Police Department. The Public Safety Coalition is working collaborative to address a common problem and a plan has been developed to provide a comprehensive response to such epidemic. Our objective is simple, decrease the opioid-related deaths in our community.
