September 1– November 30, 2021

GOAL 2 – SAFE AND SECURE CITY
Assistant Chief Z. Silva

Resolution Signed on 5/12/2020

CITY CLERK DEPT
'20 MAY 13 PM2:22

RESOLUTION

WHEREAS, in 2007, the 80th Texas Legislature passed House Bill 2391, which amended the Texas Code of Criminal Procedure Section 14.06 relating to the appearance of certain misdemeanor offenders before a magistrate; and

WHEREAS, House Bill 2391 authorizes a peace officer charging a person with certain Class A or Class B misdemeanors to issue a citation with written notice of a later time and place to appear before the magistrate instead of taking the person immediately before the magistrate if that person resides in the county where the offense occurred (“cite and release”); and

WHEREAS, House Bill 2391 enumerated certain misdemeanors to include Class A and Class B misdemeanor possession of marijuana; and

WHEREAS, arrests for misdemeanor possession of marijuana result in a significant drain on the police department, requiring countless man hours and tax dollars to arrest, transport, and book each alleged offender; and

WHEREAS, the City Council still seeks to further the goals of reducing jail population for non-violent offenders and reducing the time officers spend on jail processing procedures, a cite and release program for Class A and Class B misdemeanor possession of marijuana is in the best interest of the City of El Paso and its citizens.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

SECTION 1. That the City Manager is directed to implement a cite and release program under Texas Code of Criminal Procedure Section 14.06(c) for Class A and B misdemeanor possession of marijuana violations. Said program is to be implemented no later than September 1, 2020.

SECTION 2. That the City Manager and Police Staff continue conversations with the El Paso District Attorney’s Office, the El Paso Sheriff’s Office, County Courts, and other stakeholders with respect to the implementation of the cite and release program and provide an update to City Council in July 2020.

SECTION 3. That the City Manager provide quarterly reports to City Council regarding the cite and release program for the purposes of transparency and to provide data regarding citations being issued and when discretionary arrests are used in lieu of citation. Said reports must be submitted within 45 days after the end of the quarter for 24 months after the implementation of the program. The report should not include any information that would jeopardize any ongoing criminal investigation or prosecution, or include any sensitive, witness, or crime tip information. The report should include the following data for each instance:

1. The documented reason for the stop or arrest;
2. The reason for the discretionary use of arrest (including but not limited to: outstanding warrants, intoxicated individual, uncooperative individual, not a resident of the County of El Paso, habitual offender);
3. The race and ethnicity of the person; and
4. The general location, such as the region or zip code of the incident.

APPROVED this 12th day of May, 2020.

THE CITY OF EL PASO:

Dee Margo
Mayor

ATTEST:

Definitions

CITE AND RELEASE PROGRAM STEPS AND REQUIRED RESOURCES

Officer implements the program – takes approximately 1.5-2 hours includes taking defendant back to station for fingerprints, citing, putting narcotics into evidence and report writing

Officers are required to send two separate emails with supplement attachments to District Attorney to advise them case is now in the Records Management System (On-Call)

Case is routed to Patrol Sergeant for approval and sent to Narcotics supervisor. Both patrol and Narcotic supervisors approves report

The Strategic Planning Section increased staffing by one officer to implement and manage the program. Officer runs a weekly report of all marijuana A and B cases and reviews reports for completeness. Incomplete reports are returned for corrections

CITE AND RELEASE PROGRAM STEPS AND REQUIRED RESOURCES

Strategic Planning employee sends a weekly report to Latent Prints Section

Latent Prints personnel retrieve fingerprints from AFIS (automated fingerprint identification system) and manually fill out a hard copy CR43 fingerprint report and mail to DPS per DPS requirements. Another copy is sent via interoffice mail to County Court 7.

District Attorney's office will coordinate with Planning employee for missing information and corrections

Planning creates the PowerPoint and the report for council
