Text of Amendment

Amending Section 3.11 of the City Charter, relating to Initiatives to read in pertinent part as follows:

Section 3.11 INITIATIVE.

Any registered voter may initiate an ordinance that complies with federal, state and local law by filing with the City Clerk a statement that they intend to circulate a petition. Such statement must include the names and addresses of the petitioners, and the full text of the proposed ordinance.

The City Clerk shall place the proposed Ordinance on the City Council Agenda for introduction within thirty calendar days after receiving the statement, followed by a public hearing at the second reading. If City Council fails to adopt the ordinance, or adopts it with amendments, the City Clerk will notify the petitioners.

If the petitioners still wish to seek adoption of the ordinance after Council fails to adopt, or does not agree to Council's amendments, it will then have 365 calendar days after notice from the City Clerk to complete the petition by gathering signatures in the form required by state law, including but not limited to original signature, printed name, residence address and date of birth or voter registration of a number of registered voters equal to at least five percent of the voters who voted in the last general City election, or 7,500, whichever number is smaller. The petition must set forth the precise content of the ordinance desired by the petitioners.

The City Clerk shall review the petition without delay, but no more than 60 City Clerk office working days, to verify if it meets all requirements, and if authenticated with the required number of signatures, must place that ordinance on the agenda of a Council meeting to be held within thirty working days of the authentication by the City Clerk, of the petition bearing the authenticated names and addresses of the petitioners. Such an item shall be treated by the Council exactly as any other proposed ordinance.

If Council does not adopt, or adopts the proposed ordinance in an amended form, the City Council thereafter must place the proposed ordinance on the ballot at one of the next two uniform elections, no later than the next citywide general election specified in State law meeting all deadlines. If the proposal receives the favorable vote of a majority of those voting in that election it shall thereupon become a City ordinance. Initiative ordinances adopted or approved by the electors shall be published and may be amended or repealed by the Council, as in the case of other ordinances; provided, however, that no ordinance adopted at the polls under an initiative may be amended or repealed by the Council within two years of adoption.

The Council is not obliged to consider the same ordinance initiated by petition, or one that is substantially the same, more often than once in two years.

To augment the Firemen and Policemen Pension Fund, the Council shall in each fiscal year beginning after May 2023, appropriate no less than eighteen percent of the total amount expended for wages of the participants, and may increase this contribution rate as allowed by the relevant state law requirements based on a qualified actuary's report; provided, however, that in the event age limits for participation in the pension fund, or any division of the fund, are increased as permitted by law and the raising of the age limits causes an increase in funding costs as determined by an actuary, the City shall appropriate an amount equal to such cost increase notwithstanding that such increased appropriation may exceed the otherwise determined percent of the total amount expended for wages of the participants. Notwithstanding the foregoing, if the City elects to pick up participant contributions to the Firemen and Policemen Pension Fund of El Paso under Section 414(h) of the Internal Revenue Code of 1986, as amended (the "Code"), then the participant contributions picked up by the City shall be derived from a corresponding reduction in participant cash salaries and treated as a contribution by the City solely for determining tax treatment of such contributions under the Code. Notwithstanding the foregoing, the City shall have the authority to contract with the Firemen and Policemen Pension Fund to make a one-time contribution (either in lump sum or installments) to the Firemen and Policemen Pension Fund solely for an underfunded liability as of December 31, 2003 or the date of contribution, under such conditions as the City in its sole discretion may require and provided that (a) such authority, action and/or contribution complies with the Firemen and Policemen Pension Fund plan documents and all applicable statutes, laws, rules and regulations, and (b) a binding written agreement between the City and the Firemen and Policemen Pension Fund has been reached regarding (i) the amount of such under-funded liability, if any, (ii) the amount to be
