# CITY OF EL PASO, TEXAS AGENDA ITEM DEPARTMENT HEAD'S SUMMARY FORM

AGENDA DATE: December 7, 2021

**PUBLIC HEARING DATE:** 

CONTACT PERSON(S) NAME AND PHONE NUMBER: Sam Rodriguez, City Engineer

915-212-1845 C: 915-240-3250

DISTRICT(S) AFFECTED: All

STRATEGIC GOAL: Goal 4: Enhance El Paso's Quality of Life Through Recreational, Cultural and

**Educational Environments.** 

SUBGOAL:

#### SUBJECT:

That the Director of Purchasing and Strategic Sourcing Department is authorized to specify the wage rates attached hereto as Exhibit A for each craft or type of workers for Building Construction Trades in the call for bids for any public works contract and in the contract itself. The City Engineer, be authorized to clarify the definitions of work performed by each craft or type of worker attached hereto as Exhibit B, if necessary; and that the wage rates are effective December 7, 2021.

#### **BACKGROUND / DISCUSSION:**

The City of El Paso is required by Texas Government Code Chapter 2258 to determine the prevailing rate of per diem wages for each craft or type of worker within the geographic limits of the City for construction of public works.

On May 8, 2012 the City of El Paso passed a resolution authorizing an Interlocal Agreement with the County allowing the City to participate in conducting a survey of the general prevailing rate per diem wages.

The County of El Paso invited several governmental entities, to include the City of El Paso, Socorro ISD, Ysleta ISD, El Paso ISD and El Paso Community College. Some representatives from the Associated General Contractors and Building Trades Association also participated along with the various contractors.

County staff hosted all meetings, did all mailings and reproduction at their expense, and provided database support for the data analysis tasks. They also coordinated some public service media spots to encourage participation. The survey process consisted of designing forms for the building trades <a href="Exhibit C">Exhibit C</a>, The contractors were asked to submit their project peak week payrolls for their various trades during the calendar year 2918-2019. The County mailed out approximately 400 surveys, June 15, 2020 and approximately 100 online surveys were sent June 18, 2020. <a href="Exhibit D">Exhibit D</a>

The committee created – <u>Exhibit E</u> - validated the completeness and authenticity of each survey and the data was entered into a database. The committee met numerous times to discuss the survey responses (rates) on how to calculate the new rates – Mean (average); Median (middle point); Mode

(number repeated most often). The committee voted to use the Mean approach in calculating the new rate based on the survey results.

The committee voted to use the higher of the two rates between the new survey rate and Davis Bacon rate. Where there were no survey responses on a current 2016 trade and the trade did not have a Davis Bacon rate, the committee voted for the 2016 rate to remain the same in 2020. Where the 2020 survey rate was below the 2016 rate, the committee voted to the use the higher of the two rates between 2016 rate and Davis Bacon rate. Exhibit F

The County Commissioners Court approved the 2020 Prevailing Wage March 22, 2021. Only the 2020 Building Prevailing Wage Rates have been implemented. On April 7, 2021 a lawsuit was filed against the county on the 2020 Heavy/Highway wage rates survey results.

The results of the survey have been compiled and it is recommended that Council approve the 2020 Building Prevailing Wage Rates and the associated definitions of the various job classifications. The wage rates and the definitions will be used to ensure that contractors working on City projects pay their workers in accordance with the approved prevailing wage rates. The Capital Improvement Department – Project Compliance Section has the responsibility to check worker's payrolls and interview workers to ensure correct wages are being paid by contractors working on City projects. If there is a discrepancy and a worker is not paid correctly, the CID Project Compliance Specialist will ensure that any required pay restitutions are completed before the final project payment is made to the contractor.

#### PRIOR COUNCIL ACTION:

The City of El Paso's current wage scale that is used on all building and Heay/highway projects was approved by City Council on February 28, 2017.

#### RESOLUTION

WHEREAS, the City of El Paso is required by Chapter 2258 of the Texas Government Code to determine the prevailing rate of per diem wages for each craft or type of worker within the geographic limits of the City for construction of public works;

WHEREAS, pursuant to Texas Government Code Section 2258.022(a)(1) and in conjunction with the other local governmental bodies, the City through the County of El Paso conducted a survey of wages received by classes of workers employed on projects of a character similar to the contract work performed within the El Paso city limits; and

**WHEREAS**, the City, along with a representative group of contractors and craft/union leaders, reviewed the survey results within the El Paso city limits and the rates established by the U.S. Department of Labor in accordance with the Davis Bacon Act, and agreed to recommend the rates attached hereto as <u>Exhibit A</u> for each craft or type of worker for Building Construction Trades and the definitions of the work performed by each craft or type ofworker hereto as <u>Exhibit B</u>.

## NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

That the Director of Purchasing and Strategic Sourcing Department is authorized to specify the wage rates attached hereto as Exhibit A for each craft or type of worker for Building Construction Trades and Heavy Construction in the call for bids for any public works contract and in the contract itself and that the City Engineer be authorized to clarify the definitions of work performed by each craft or type of worker attached hereto as Exhibit B, if necessary; and that the wage rates are effective December 7, 2021.

ADOPTED THIS	DAY OF	, 2021.
	THE CITY (	OF EL PASO

## **2020 BUILDING DEFINITIONS**

1	Asbestos/Lead Abatement/Mold Remediation	Assembles work platform and seals off work area, using plastic sheeting and duct tape. Positions mobile decontamination unit or portable showers at entrance of work area. Positions portable air evacuation and filtration system inside work area. Cuts and scrapes asbestos, mold or paint from surfaces, using knife and scraper. Assists in demolition and deconstruction activities of buildings. Shovels asbestos, mold or paint into plastic disposal bags and seals bags, using duct tape. Cleans work area of loose asbestos, mold or paint, using vacuum, broom, and dust pan. Places asbestos, mold or paint in disposal bags and seals bags, using duct tape, loads bags into truck. Cleans and maintains tools, sampling equipment and lab equipment. Responsible for keeping site and grounds clean and neat. Performs daily equipment checks. Picks up necessary supplies and tools from warehouse as directed. Loads and unloads scrap materials into trucks and roll off boxes. Performs work safely in accordance with departmental safety procedures and operates equipment safely. Reports any unsafe work condition or practice to supervisor. Performs other related and non-related duties as assigned.
2	Automatic Fire Sprinkler Fitter, Certified	Sprinkler Fitters specialize in piping associated with fire sprinkler systems. These types of systems are required to be installed and maintained in accordance with strict guidelines, usually National Fire Protection Association (NFPA) standards, in order to maintain compliance with building and fire codes. Sprinkler Fitters work with a variety of pipe and materials including: plastic, copper, steel, cast iron, and ductile iron. The fire suppression piping may contain: water, air, antifreeze, fire retardant foam, gas, or chemicals for hood systems. Sprinkler systems installed by Sprinkler Fitters can include but not limited: to underground supply, standpipes, fire pumps as well as overhead piping systems.
3	Block, Brick, and Stone Mason	Lay and bind building materials, such as: brick, structural tile, concrete block, cinder block, glass block, and terra-cotta block, with mortar and other substances to construct, or repair walls, partitions, arches, sewers, and other structures. Classify installers of mortarless segmental concrete masonry wall units. Constructs partitions, fences, walks, fireplaces, chimneys, smokestacks, et cetera using stone, marble, granite, slate. Cutting, grouting, and pointing of materials listed above which is necessary shall be part of this classification.
4	Carpenters – Acoustical Ceiling Installation	Construct, erect, install or repair acoustical ceiling grid, ceiling tile, and other items laid in acoustical grid.
5	Carpenter – Rough	Construct, erect, install, or repair structures and fixtures made of wood, such as concrete forms; building frameworks, including partitions, joists, studding, and rafters; wood stairways, window and door frames. May also install cabinets, and siding. Include brattice builders who build doors or brattices (ventilation walls or partitions) in underground passageways to control the proper circulation of air through the passageways.

2020 Building Definitions Page 1 of 6

6	Carpenter – All Other Work	Construct, erect, install or repair cabinets and other fixtures or structures requiring a high level of workmanship. Includes Cabinetmakers and Bench Carpenters – cut, shape, and assemble wooden articles or set up and operate a variety of woodworking machines, such as power saws, jointers, and mortisers to surface, cut or shape lumber or to fabricate parts for wood products. Perform related duties such as trim work.
7	Caulker/Sealers	Applies water proofing agents or caulk to a variety of structures and materials.
8	Cement and Concrete Finishers	Smooth and finish surfaces of poured concrete, such as floors, walks, sidewalks, roads, or curbs using a variety of hand and power tools. Align forms for sidewalks, curbs, or gutters; patch voids; use saws to cut expansion joints. Classify installers of mortarless segmental concrete wall units.
9	Commercial Truck Driver	Drive a truck, van or tractor-trailer combination to transport and deliver goods, or materials in liquid, loose, or packaged form. May be required to unload truck.
10	Communication/Security Technician	Set-up, re-arrange, or remove switching and dialing equipment used in central offices. Service or repair telephones and other communication equipment on customers' property. May install equipment in new locations or install wiring and telephone jacks in buildings under construction. Install, program, maintain, and repair security and fire alarm wiring and equipment. Ensure that work is in accordance with relevant codes. Exclude "Electricians" who do a broad range of electrical wiring.
11	Crane and Heavy Equipment Operator	A worker who operates a crane or other types of heavy equipment to hoist and move materials, raise and lower heavy weights and perform other related operations. May be crawler type or rubber-tired. May oil, grease or otherwise service and make necessary adjustments to equipment as needed. Performs other related duties.
12	Door and Hardware Specialist	Installs or repairs doors, hardware and accessories. Are responsible for the installation of contract commercial hardware and custom architectural grade wood doors, steel doors and frames for all Prevailing Wage jobs. Shall be trained by their employer's, employer's apprenticeship, or in factory training classes in the proper methods and techniques and requirements for the installation of Architectural Grade commercial wood and metal doors, frames and hardware in conformance with all local, state, and federal code.
13	Drywall and Ceiling Tile Installers	Apply plasterboard, or other wallboard to ceilings, or interior walls of buildings. Apply or mount acoustical tiles or blocks, strips, or sheets of sound-absorbing materials to ceilings and walls of buildings to reduce or reflect sound. Materials may be of decorative quality. Includes metal stud framing. Exclude "Carpet Installers", "Carpenters – Acoustical Ceiling Installation", and "Tile and Marble Setters".
14	Drywall Finishers and Tapers	Seal joints between plasterboard or other wallboard, including bedding and texturing, to prepare wall surface for painting or papering.

2020 Building Definitions Page 2 of 6

15	Electrician	Plan and execute the layout and installation of electrical conduit, switch panels, buss bars, outlet boxes, electrical wires and cables, lighting standards, lighting fixtures, receptacles, switches, and other electrical devices and apparatus necessary for the complete electrical installation. To include the installation of cabling, wire, conduits and end devices for Temperature Control, Building Automation, and Energy Management Systems, et cetera. Includes installation of photovoltaic solar panels.		
16	Elevator Installers and Repairers	Assemble, install, repair, or maintain electric or hydraulic freight or passenger conveyances including but not limited to elevators, escalators, dumbwaiters, moving walks and wheelchair lifts.		
17	Fence Erectors - Include with Skilled Labor	Erect and repair metal and wooden fences and fence gates around highways, industrial establishments, residences, or farms, using hand and power tools. Excludes rock and stone fences.		
18	Floor Layers – Carpet and Resilient	Apply blocks, strips, or sheets of shock-absorbing, sound-deadening, or decorative coverings to floors. Lay and install carpet from rolls, tiles or blocks on floors. Install padding and trim flooring materials. Installs variety of soft floor materials including vinyl and VCT. Exclude wood floors and specialty floors.		
19	Floor Layers - Specialty	Prepares surface, installs and finishes specialty floor material such as manufactured or engineered and laminated wood.		
20	Floor Layers - Wood	Install, scrape and sand wooden floors to smooth surfaces using floor scraper and floor sanding machine, and apply coats of finish to include gymnasium and bowling alleys.		
21	Glaziers	Installs glass in windows skylights, store fronts and display cases, or on surfaces such as: building fronts, interior walls, ceilings and table tops. The installation, setting, cutting, preparing, fabricating, distributing, handling or removal of the following: glass and glass substitutes used in place of glass, pre-glazed windows, retrofit window systems, mirrors, curtain wall systems, window wall systems, cable net systems, canopy systems, structural glazing systems, unitized systems, interior glazing systems, photovoltaic panels and systems, suspended glazing systems, louvers, skylights, entranceway systems including doors and hardware, revolving and automatic door systems, patio doors, store front systems including the installation of all metals, column covers, panels and panel systems, glass hand rail systems, decorative metals as part of the glazing system, and the sealing of all architectural metal and glass systems for weatherproofing and structural reasons, vinyl, molding, rubber, lead, sealants, silicone and all types of mastics in wood, iron, aluminum, sheet metal or vinyl sash, doors, frames, stone wall cases, show cases, book cases, sideboards, partitions and fixtures. Performs other related duties.		

2020 Building Definitions Page 3 of 6

22	Hazardous Materials Removal Workers	Identify, remove, pack, transport, or dispose of hazardous materials, including asbestos, lead-based paint, waste oil, fuel, transmission fluid, radioactive materials, contaminated soil, mold, et cetera. Specialized training and certification in hazardous materials handling or a confined entry permit are generally required. May operate earth-moving equipment or trucks.		
23	Heating, Air Conditioning and Refrigeration Service Technician	Repair and service heating, central air conditioning, or refrigeration systems including oil burners, hot-air furnaces, heating stoves, and air handlers (Installation of systems is performed by sheet metal worker). Includes HVAC mechanic.		
24	Insulation Workers – Mechanical	This work includes the preparation, alteration, application, removal, hauling, erection, assembling, molding, spraying, pouring, mixing, hanging, adjusting, repairing, dismantling, reconditioning, maintenance, finishing, and/or weatherproofing of cold or hot thermal insulations with such materials as may be specified when those materials are to be installed for thermal purposes in voids, or to create voids, or on either piping, fittings, valves, boilers, ducts, flues, tanks, vats and equipment, or on any hot or cold surfaces for the purpose of thermal control or to be installed for sound control purposes mechanical devices, equipment, piping, surfaces related in an integral way to the insulation of such mechanical devices, equipment and piping. This work also includes all labor connected with insulation for; temperature control, personnel protection, safety and/or prevention of condensation. This work also includes all labor connected with hauling, distribution and cleanup of materials on the job premises. All thermal tape, pads, metered fittings (insulation, metal or plastic), batts and lags.		
25	Irrigator- Landscape, Certified	Certified by TCEQ to install watering systems in various sizes and grades of lawn in order to maintain sufficient pressure and to insure even dispersal of water.		
26	Laborer	Performs manual duties in all phases of construction. Demolition (interior and exterior), Flagging and Traffic Control, General Clean-Up, Air and Power Tool Operators (Including chipping guns, jackhammers and tampers), all material handling and clean-up, except refractory, chute/hose operator, raking, shoveling and vibrating, raking, shoveling, luting, ironing, dumping and spreading, trenching, material handling, back filling (*Equipment Operators Incidental to Laborers' scope of work). Landscape or maintain grounds of property using equipment as needed. Workers typically perform a variety of tasks, which may include any combination of the following: sod laying, mowing, trimming, planting, watering, fertilizing, digging, raking, sprinkler repair, and installation of mortarless segmental concrete masonry wall units. Does not ordinarily perform work permitting exercise of independent judgment or without close direction by other workers.		
27	Locksmith	Self-explanatory.		

2020 Building Definitions Page 4 of 6

28	Mechanic	Maintains and repairs construction tools and equipment.
29	Painters - Building	Paint walls, equipment, buildings, bridges, and other structural surfaces, using brushes, rollers, and spray guns. May remove old paint to prepare surface prior to painting. May mix colors or oils to obtain desired color or consistency. Exclude "Paperhangers."
30	Paper Hanger	Measures, cuts, and hangs wallpaper and Fiber Reinforced Paneling.
31	Pipe Layer (Utility)	Installs concrete, clay, steel, ductile iron, plastic, corrugated pipe and any other type of pipe for storm drainage, water lines, gas lines and sanitary sewer lines. Lays underground communication and electrical ducts. May install and set electrical ground boxes, hand holes, manholes, inlets and other structures. Caulks joints, makes threaded and flanged connections. Installs valves and other accessories. Performs other related duties.
32	Pipe Fitters and Steamfitters	Assemble, install, alter, and repair pipelines or pipe systems that carry water, steam, air, or other liquids or gases. May install heating and cooling equipment and mechanical control systems. Includes pressurized lines and flow lines for gas, air, and oil found in industrial settings.
33	Plaster, Stucco, Lather, and EIFS Applicator	Apply interior or exterior plaster, stucco, or similar materials. May also set ornamental plaster. Applies acoustical plaster, interior and exterior plastering of stone imitation or any patented materials when cast. Molds and sets ornamental plaster and trim and runs ornamental plaster cornice and molding.
34	Plumbers/ Medical Gas Installer	Assemble, install, alter, and repair pipelines or pipe systems that carry water, steam, air, or other liquids or gases. May install heating and cooling equipment and mechanical control systems. Assemble, install, alter, and repair pipelines or pipe systems that carry medical gases or liquids. Specialized training and certification required.
35	Reinforcing Iron and Rebar Workers	Position and secure steel bars or mesh in concrete forms in order to reinforce concrete. Includes post-tensioning. Use a variety of fasteners, rod-bending machines, blowtorches, and hand tools.
36	Roofers	Cover roofs of structures with shingles, tile, slate, asphalt, aluminum, wood, metal and related materials. May spray roofs, sidings, and walls with material to bind or seal sections of structures. Includes metal and membrane roofs.

2020 Building Definitions Page 5 of 6

37	Sheet Metal Workers	Fabricate, assemble, install, and repair sheet metal products and equipment, such as ducts, seal the system, pressure test and test and balance, control boxes, drainpipes, architectural sheet metal, hangers, brackets, used in the installation of sheet metal, and installs grills, registers, and furnace casings. Work may involve any of the following: setting-up and operating fabricating machines to cut, bend, and straighten sheet metal, operating soldering equipment to join sheet metal parts; inspecting, assembling, and smoothing seams and joints of burred surfaces, including metal flashings, gutters, canopies, soffit's, louvers, skylights and custom metal roofs. Installs warm air furnaces except where necessary piping for gas, or oil is performed under the plumbing and pipefitting classification. Include sheet metal duct installers who install prefabricated sheet metal ducts used for heating, air conditioning, or other purposes. Fire life safety, damper inspection, stairwell pressurization. May install other heating and cooling devices which are in connection with duct systems.
38	Structural Iron and Steel Workers/Metal Building Erector	Rigging, raise, place, and unite iron or steel, prefabricated metal buildings precast concrete, precast "tilt-up" panels, concrete and steel bridge members, concrete decking, ornamental iron, hand rails, stairs, curtain wall/glass framework, girders, columns, beams, and other structural members to form completed structures or structural frameworks using hand tools, power tools, and hoisting equipment. Erects frame of building, using hoist. Bolts steel frame members together. Attaches wire and insulating materials to framework. Attaches sheet metal panels to framework including standing seam sheets. Installs and trims sheet metal on prefabricated metal buildings, using cutting torch, power saw, and tin snips. Rigging of heavy equipment, assembly and disassembly of cranes. May erect metal storage tanks. Exclude "Reinforcing Iron and Rebar Workers".
39	Tile Setters	Apply hard tile, terrazzo tile and veneer to walls, floors, and ceilings. Includes surface preparation as necessary.
40	Scaffolding Erector	Erection of a temporary elevated platform (both supported and suspended) and its supporting structure (including points of anchorage) to be used for supporting employees or material or both.

- **Welder** Receives rate prescribed for craft performing operation to which welding is incidental.
- Fork Lift and Man Lift (boom and scissor) Receives rate prescribed for craft performing operation to which operation of this equipment is incidental.

#### EL PASO COUNTY 2020 WAGE SURVEY MULTI-JURISDICTIONAL

#### Dear Employer:

El Paso County has worked together with several governmental entities, including the City of El Paso, Ysleta ISD, and University Medical Center Hospital District, to prepare documents for a combined, multijurisdictional wage survey of Building and Heavy/Highway Construction projects.

The enclosed survey documents ask for wage information on projects that were active and ongoing between January 1, 2018 and December 31, 2019.

If your company has workers who fall into one of the labor classifications listed in the surveys, we request that you participate by completing and returning the enclosed wage rate survey.

The information you provide will be used to determine the minimum wage and fringe benefit rates that must be paid to workers employed on public-work construction projects.

The information you provide will be shared among participating governmental entities in order to make the survey process more efficient and to preclude sending you multiple surveys to complete.

The survey is divided into **two categories**: *Building Construction* and *Heavy/Highway Construction*. Please complete the survey(s) which is/are relevant to your business.

You are invited to fill-out the survey in two ways: paper and online.

For Paper Survey	For Online Survey
1. Check what Survey pertains to your business:	1. Check what Survey pertains to your business:
Building Construction and Heavy/Highway	Building Construction and Heavy/Highway
Construction, or both.	Construction, or both.

Those forms delivered via US Postal Service must be **POSTMARKED by Friday**, **July 10**, **2020**. All other original documents must be **RECEIVED** in the **County's Administration department** by **5:00 p.m. on Monday**, **July 13**, **2020**.

When returning your completed paper survey, be sure to **sign the Certification Pages** and to **attach payroll reports**.

When submitting your completed online survey, printing your name serves as a signature on the **Certification Page** and remember to **email payroll reports** to lorodriguez@epcounty.com.

**Questions** should be directed to Lorena Rodriguez in the El Paso County Human Resources Department who may be reached at (915)546-2218 ext. 4329. Written questions may be sent by email to lorodriguez@epcounty.com by regular mail to 500 E. Overland, El Paso, Texas 79901.

The information provided by you will be kept confidential to the maximum extent possible under existing law.

Information regarding the El Paso County Wage Survey and blank survey packets are available at the web site: <a href="http://www.epcounty.com/wagesurvey.html">http://www.epcounty.com/wagesurvey.html</a>

Thank you,

**Prevailing Wage Rate Committee County of El Paso** 

#### **INSTRUCTIONS**

- 1. <u>Period reported:</u> The week you report must be between **January 1**, **2018 and December 31**, **2019**, regardless of the beginning or end date of the entire project.
- 2. <u>Peak Week</u> is the week you had the largest number of employees working on the project during the reporting period. There may be multiple peak weeks covering different classifications within a project. For examples of completed surveys go to "prevailing wage rates" at epcounty.com.
- 3. <u>One project per survey.</u> Each separate project should appear on a separate survey. There is no limit to the number of surveys you may submit.
- 4. <u>Fill in only the worker classifications that you employ</u>. Leave other classifications blank or indicate N/A as not applicable.
- 5. <u>Number of Employees</u> is the number of employees working in this classification during the reported week.
- 6. <u>Base Wage</u>: is the dollar amount you paid an employee, **per hour**, to work in this classification. Do not report payments required by state or federal law such as employer's share of FICA or worker's compensation and unemployment insurance.
- 7. <u>Fringe Benefits</u>: Enter a total, hourly dollar amount paid to an employee as compensation that is separate from and in addition to base wage. Do not report payments required by state or federal law such as employer's share of FICA or worker's compensation and unemployment insurance.
  - a. <u>Fringe Benefits</u>: Report only the costs or contributions incurred by your company, NOT those incurred by the employee.
  - b. <u>Fringe Benefits</u> include medical or hospital care or insurance to provide such care, life insurance, long- or short-term disability, sickness, or accident insurance, retirement / 401 K, annuities, deferred profit sharing or insurance to provide such a benefit, payment for holidays or vacation, and other fringes that you may identify.
  - c. Fringe benefits should be provided in an hourly dollar amount.
- 8. <u>Reporting multiple pay rates for a single labor classification:</u> If the workers in one classification are paid more than one salary or different fringe benefits, please list them on separate lines.
- 9. <u>If you need more lines</u>, photocopy the page you need or attach additional sheets of your own.
- 10. Overtime Rate: Report the amount paid for overtime (more than forty work hours in a week).
- 11. Holiday Rate: Report the amount paid for work performed on holidays.
- 12. <u>Attach payroll reports</u> to support your survey entries.

## 2020 Wage Survey of Public and Private Construction Projects Building Construction Trades

(Excludes Residential Construction)

Please fill in for each craft that you have employed, the base wages plus fringe benefits for a total wage package of what you paid during your Peak Week between **January 1, 2018 and December 31, 2019** for work performed within the boundaries of the **County of El Paso, Texas**. If you pay different wages and/or fringe benefits within the same classification, please list them on separate lines and provide the Number of Employees who earned that combined Base Wage and Fringe Benefits.

For additional projects, you have two options:

- 1. Copy this form and input new project information, or
- 2. Fill out the survey online at https://www.surveymonkey.com/r/PVW-Building for each new project.

CLASSIFICATION	NUMBER OF EMPLOYEES IN	BASE WAGE	TOTAL FRINGE	TOTAL WAGES &

#### PAYROLL REPORTS ARE MANDATORY!

Attach payroll documents that correspond to the dates you reported.

You can also email the scanned survey with the payroll documents that correspond to the dates reported to:

lorodriguez@epcounty.

Questions, please contact us at: 915.546.2218 ext. 4329

You may also fill out the survey online by visiting, <a href="https://www.surveymonkey.com/r/PVW-Building">https://www.surveymonkey.com/r/PVW-Building</a>.

For each new project you will have to fill out a new survey.

Again, email your scanned payroll documents or mail them in the self-addressed stamped envelope.

Thank you for completing our 2020 Prevailing Wage Rate Survey for the County of El Paso. This survey is extremely important, as the information you provide will assist us in determining the prevailing wage rate of per diem wages for each craft or type of worker within the geographic limits of the County for the construction of public works projects.
