Petition for the Safety and Protection of Youth Players at Nations Tobin

We, the undersigned, are committed to fostering a safe, secure, and respectful environment for all youth players, families, and staff at Nations Tobin. The well-being of our athletes must remain the highest priority, ensuring that every player can train and compete free from fear, intimidation, or disruption.

This petition is submitted with particular concern for former member Damian J. Macias, a current 18U player with the Texas Scorpions, as well as all youth participants within the program. Our intent is to preserve a positive and supportive environment where young athletes can continue to develop safely.

We respectfully request that appropriate measures be taken to prevent the return of **Javier E. Macias** to the facility. Mr. Macias has been involved in multiple documented altercations involving staff, players, youth participants, and parents, resulting in an unsafe and disruptive atmosphere.

Additionally, Mr. Macias is currently involved in legal proceedings. A court hearing is scheduled for June 18th regarding Temporary Protective Orders requested by the attorney, Claudio Flores Jr., on behalf of Vera Valencia, his spouse and the mother of the player referenced in this petition. These proceedings are connected to a personal case involving allegations of domestic violence and a divorce action.

Given these circumstances, we believe it is both reasonable and necessary to prioritize the safety and well-being of all individuals at Nations Tobin by taking preventive action.

For the protection of our youth, families, and staff, we respectfully urge leadership to act in the best interest of the community by ensuring a safe and secure environment for all.

Thank you for your support.

Ms. Vera Valencia
