Discussion and action to approve a RESOLUTION of the Board of Directors of the City of El Paso Health Facilities Development Corporation authorizing a first supplement to indenture of trust and security agreement and approving documents in connection therewith; resolving other matters pertaining to such supplement; and providing an effective date

BACKGROUND / DISCUSSION:

The City of El Paso Health Facilities Development Corporation was duly created and organized by the City of El Paso, Texas pursuant to and in accordance with the provisions of the Health Facilities Development Act, Chapter 221, Texas Health and Safety Code, as amended, for the purpose of providing, expanding, and improving health facilities that the Corporation determines are needed to improve the adequacy, cost, and accessibility of health care, research, and education.

On May 23, 2023, the Council voted to reconstitute the Board and appoint the members of City Council to the HFDC Board.

Bienvivir Senior Health Services is requesting that the HFDC Board take action to approve modifications to existing bond documents that benefit Bienvivir in order to substitute the "SOFR" index for the "LIBOR" index that is being phased out globally. The changes to the bond documents are necessary because the LIBOR index is used in the existing bond documents. No costs are being incurred by the City or the HFDC with respect to the requested modifications. No City funds or taxes or HFDC funds are used to pay any debt issued by the HFDC for Bienvivir's benefit.

PRIOR COUNCIL ACTION: Numerous, including action at the May 23, 2023 meeting to reconstitute the Board

WHEREAS, the Board desires to create the new office of Assistant Treasurer of the Issuer and appoint the Chief Financial Officer of the Sponsoring Entity to such office.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CITY OF EL PASO HEALTH FACILITIES DEVELOPMENT CORPORATION THAT:

NOW, THEREFORE, the Issuer and the Trustee do hereby covenant and agree as follows:

SECTION 1. *Definitions.*

Capitalized terms used and not otherwise defined herein shall have the meanings set forth in the Indenture.

SECTION 2. *Amendments to Indenture.*

A. The following definitions appearing in *Section 1.01* of the Indenture are hereby amended and restated in their entirety to read as follows and appear in the appropriate alphabetical sequence:

“**Base Rate**” means, for any day, a rate per annum equal to the greatest of (a) the Prime Rate in effect on such day, or (b) the NYFRB Rate in effect on such day plus ½ of 1%.

“**Business Day**” for the Bonds means any day other than (1) a Saturday or a Sunday, (2) a legal holiday or the equivalent on which banking institutions generally are authorized or required to close in the Place of Payment therefor or in the city in which is located (a) the designated corporate trust office of the Trustee or the principal office of the Remarketing Agent or, (b) while any Credit Facility is in effect hereunder, the office of the Credit Enhancer or of its agent at which drafts or demands for payment under the Credit Facility are to be presented or, (c) while any Liquidity Facility is in effect hereunder, the office of the Liquidity Bank or of its agent at which drafts or demands for payment under the Liquidity Facility are to be presented, or (3) a day on which the New York Stock Exchange is closed; *provided* that when used in connection with interest at a rate based on SOFR or any other calculation or determination involving SOFR, the term “Business Day” means a U.S. Government Securities Business Day.

“**Initial Index Period**” means the period from the date of issuance of the Bonds through November 30, 2025, unless extended further by failure of the Initial Purchaser to exercise its put option on the next succeeding Optional Put Date.

“**Initial Put Date**” means December 1, 2025.

“**Place of Payment**” for Book-Entry-Only Bonds and for other Bonds while in a Fixed Mode means a city or political subdivision thereof in which the Issuer is by this Indenture required to maintain an agency for the payment of principal of and interest on the Bonds, and for Bonds (other than Book-Entry-Only Bonds) in a Daily Mode, Weekly Mode or Index Mode means the City and County of New York, New York.

“**Prime Rate**” means the rate of interest last quoted by The Wall Street Journal as the “Prime Rate” in the U.S. or, if The Wall Street Journal ceases to quote such rate, the highest per annum interest rate published by the Federal Reserve Board in Federal Reserve Statistical Release H.15 (519) (Selected Interest Rates) as the “bank prime loan” rate or, if such rate is no longer quoted therein, any similar rate quoted therein (as determined by the Initial Purchaser) or any similar release by the Federal Reserve Board (as determined by the Initial Purchaser). Each change in the Prime Rate shall be effective from and including the date such change is publicly announced or quoted as being effective.

B. Section 1.01 of the Indenture is hereby amended by the addition thereto of the following defined terms to read as follows and appear in their appropriate places in alphabetical sequence:

“Adjusted Daily Simple SOFR” means an interest rate per annum equal to (a) the Daily Simple SOFR, plus (b) 0.10%; provided that if the Adjusted Daily Simple SOFR as so determined would be less than the Floor, such rate shall be deemed to be equal to the Floor for the purposes of this Indenture.

“Available Tenor” means, as of any date of determination and with respect to the then-current Benchmark, as applicable, any tenor for such Benchmark (or component thereof) or payment period for interest calculated with reference to such Benchmark (or component thereof), as applicable, that is or may be used for determining the length of the period of time for any term rate or otherwise, for determining any frequency of making payments of interest calculated pursuant to this Indenture as of such date.

“Benchmark” means, initially, Daily Simple SOFR; provided that if a Benchmark Transition Event, and the related Benchmark Replacement Date have occurred with respect to Daily Simple SOFR or the then-current Benchmark, as applicable, then “Benchmark” means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to *Subsection B of Section 1.14*.

“Benchmark Replacement” means the sum of: (a) the alternate benchmark rate that has been selected by the Initial Purchaser and the Borrower as the replacement for the then-current Benchmark for the applicable tenor giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for dollar-denominated syndicated credit facilities at such time in the United States and (b) the related Benchmark Replacement Adjustment.

If the Benchmark Replacement as determined pursuant to the above would be less than the Floor, the Benchmark Replacement will be deemed to be the Floor for the purposes of this Indenture and the other Bond Documents.

“Benchmark Replacement Adjustment” means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable tenor for any setting of such Unadjusted Benchmark Replacement, the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Initial Purchaser and the Borrower for the applicable tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date and/or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining

such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for dollar-denominated syndicated credit facilities at such time.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “Base Rate,” the definition of “Business Day,” the definition of “U.S. Government Securities Business Day,” timing and frequency of determining rates and making payments of interest, timing of prepayment or conversion notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Initial Purchaser decides may be appropriate to reflect the adoption and implementation of such Benchmark and to permit the administration thereof by the Initial Purchaser in a manner substantially consistent with market practice (or, if the Initial Purchaser decides that adoption of any portion of such market practice is not administratively feasible or if the Initial Purchaser determines that no market practice for the administration of such Benchmark exists, in such other manner of administration as the Initial Purchaser decides is reasonably necessary in connection with the administration of this Indenture and the other Bond Documents).

“Benchmark Replacement Date” means, with respect to any Benchmark, the earliest to occur of the following events with respect to such then-current Benchmark:

(1) in the case of clause (1) or (2) of the definition of “Benchmark Transition Event,” the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof); or

(2) in the case of clause (3) of the definition of “Benchmark Transition Event,” the first date on which such Benchmark (or the published component used in the calculation thereof) has been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be no longer representative; provided, that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (3) and even if any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the “Benchmark Replacement Date” will be deemed to have occurred in the case of clause (1) or (2) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current available tenors of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Transition Event” means, with respect to any Benchmark, the occurrence of one or more of the following events with respect to such then-current Benchmark:

(1) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(2) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Federal Reserve Board, the NYFRB, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), in each case, which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely; *provided* that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(3) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are no longer, or as of a specified future date will no longer be, representative.

For the avoidance of doubt, a “Benchmark Transition Event” will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

“Benchmark Unavailability Period” means, with respect to any Benchmark, the period (if any) (x) beginning at the time that a Benchmark Replacement Date pursuant to clauses (1) or (2) of that definition has occurred if, at such time, no Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Bond Document in accordance with Section 1.14 and (y) ending at the time that a Benchmark Replacement has replaced such then-current Benchmark for all purposes hereunder and under any Bond Document in accordance with Section 1.14.

Any change in Daily Simple SOFR due to a change in SOFR shall be effective from and including the effective date of such change in SOFR without notice to the Borrower.

“**Federal Funds Effective Rate**” means, for any day, the rate calculated by the NYFRB based on such day’s federal funds transactions by depository institutions, as determined in such manner as shall be set forth on the NYFRB’s Website from time to time, and published on the next succeeding Business Day by the NYFRB as the effective federal funds rate; *provided* that if the Federal Funds Effective Rate as so determined would be less than the Floor, such rate shall be deemed to be the Floor for purposes of this Indenture.

“**First Supplement Effective Date**” means June __, 2023.

“**Floor**” means 0%.

“**NYFRB**” means the Federal Reserve Bank of New York.

“**NYFRB Rate**” means, for any day, the greater of (a) the Federal Funds Effective Rate in effect on such day and (b) the Overnight Bank Funding Rate in effect on such day (or for any day that is not a Business Day, for the immediately preceding Business Day); *provided* that if none of such rates are published for any day that is a Business Day, the term “NYFRB Rate” means the rate for a federal funds transaction quoted at 11:00 a.m. on such day received by the Initial Purchaser from a federal funds broker of recognized standing selected by it; *provided, further*, that if any of the aforesaid rates as so determined would be less than the Floor, such rate shall be deemed to be the Floor for purposes of this Indenture.

“**SOFR Administrator’s Website**” means the NYFRB’s website, currently at <http://www.newyorkfed.org>, or any successor source for the secured overnight financing rate identified as such by the SOFR Administrator from time to time.

SECTION 1.14. Alternative Rate of Interest

A. Subject to *Subsections B, C, D, E and F* of this Section, if: the Initial Purchaser determines (which determination shall be conclusive absent manifest error) at any time, that adequate and reasonable means do not exist for ascertaining the applicable Adjusted Daily Simple SOFR, then until the Initial Purchaser notifies the Borrower that the circumstances giving rise to such notice no longer exist with respect to Adjusted Daily Simple SOFR, the interest rate for Bonds shall be the Base Rate.

B. Notwithstanding anything to the contrary herein or in any other Bond Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Bond Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement

is provided to the Borrower without any amendment to, or further action or consent of any other party to, this Indenture or any other Bond Document.

C. Notwithstanding anything to the contrary herein or in any other Bond Document, the Initial Purchaser will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Bond Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Indenture or any other Bond Document.

D. The Initial Purchaser will promptly notify the Borrower and the Trustee of (1) any occurrence of a Benchmark Transition Event, (2) the implementation of any Benchmark Replacement, (3) the effectiveness of any Benchmark Replacement Conforming Changes, (4) the removal or reinstatement of any tenor of a Benchmark pursuant to *Subsection F* below and (5) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Initial Purchaser pursuant to this Section, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Indenture or any other Bond Document, except, in each case, as expressly required pursuant to this Indenture.

E. Notwithstanding anything to the contrary herein or in any other Bond Document, at any time (including in connection with the implementation of a Benchmark Replacement), (1) if the then-current Benchmark is a term rate (including a term SOFR rate) and either (a) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Initial Purchaser in its reasonable discretion or (b) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Initial Purchaser may modify such definitions for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (2) if a tenor that was removed pursuant to clause (1) above either (x) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (y) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Initial Purchaser may modify such definitions for all Benchmark settings at or after such time to reinstate such previously removed tenor.

F. On the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to the rate then-applicable to the Bonds, the interest rate for Bonds shall be the Base Rate.

E. *Sections 3.01(e)* of the Indenture is hereby amended by (i) deleting “One-Month LIBOR” where used and replacing such term with “Adjusted Daily Simple SOFR” in all places used, and (ii) deleting the phrase “Section 5.03D hereof” where used and replacing such phrase with “Section 5.03D of the Indenture.”

All such payments shall be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

1.1. Interest. The interest payable, and punctually paid or duly provided for, on any Interest Payment Date herefor will, as provided in the Indenture herein referred to, be paid to the Person in whose name this Bond (or one or more Predecessor Bonds representing the same debt) is registered at the end of the day on the Regular Record Date for such interest specified herein, except that the difference (herein referred to as the “*Bank Differential*”) between the total of such interest on this Bond or any portion hereof and the amount of such interest accrued at the Daily Rate or Weekly Rate, each as defined herein, herefor otherwise in effect during the period during which such interest accrued will be paid to the Person in whose name the beneficial ownership of this Bond or such portion is registered on the Bank Bond Register (as defined in the Indenture) on such Regular Record Date. Any such interest otherwise so payable to the Holder on such Regular Record Date which is not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date, and may be paid to the Person in whose name this Bond (or one or more Predecessor Bonds) is registered at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Trustee, notice thereof being given to Bondholders not less than 10 days prior to such Special Record Date, or may be paid at any time in any other lawful manner, all as more fully provided in said Indenture. All such interest shall be payable at the Place of Payment and shall be paid by check or draft mailed to the address of such Person specified in the Bond Register or pursuant to customary arrangements made by such Person and acceptable to the Paying Agent, except that, if the registered owner hereof is the Securities Depository, as defined in the Indenture referred to herein, and upon the written request of any other Holder of not less than \$1,000,000 aggregate principal amount of Bonds provided to such Paying Agent not less than one business day prior to the relevant record date for interest due on any Interest Payment Date herefor, such interest shall be paid by federal funds wire transfer to any designated account within the United States of America.

(a) Interest Generally. During the period from and including the first day of each Daily Mode, Weekly Mode, Index Mode and Fixed Mode (each herein referred to as an “*Interest Mode*”) for this Bond described below to and excluding the first day of the next Interest Mode therefor designated by the Borrower or otherwise established in accordance with the provisions of the Indenture described below, this Bond (or such portion) shall, *except* when a Bank Bond (as defined in the Indenture) and *subject* to the provisions of *paragraph (k)* below, bear

interest at the corresponding Daily Rate, Weekly Rate, Index Rate or Fixed Rate, respectively, established as described below. Interest accrued at (i) the Daily Rate, Weekly Rate, Index Rate or Bank Rate shall be computed on the basis of a 365- or 366-day year, as applicable, for actual days elapsed and (ii) the Fixed Rate for an Interest Period of more than six months, shall be computed on the basis of a 360-day year comprised of twelve 30-day months. The interest hereon shall accrue from and including the later of the Date of Series specified above or the most recent Interest Payment Date therefor to which interest hereon and thereon has been paid or duly provided for.

(b) **Establishment of Interest Modes and Interest Periods.** From the Date of Series specified above through the day preceding the first day of any subsequent Daily Mode, Weekly Mode, Index Mode or Fixed Mode for this Bond established in accordance with the provisions of the Indenture, this Bond shall be in an Index Mode. As provided in the Indenture and subject to certain conditions therein set forth, *unless* the Interest Mode for this Bond then in effect is the Fixed Mode, such Interest Mode may be changed to a Daily Mode, Weekly Mode, Index Mode or Fixed Mode, at the election of the Borrower on, but only on an Interest Payment Date, if a Daily Mode or a Weekly Mode is then in effect therefor, or if an Index Mode is then in effect therefor, then on any Business Day on which this Bond or such portion may be redeemed at the option of the Borrower, *if* (except in the case of a change from a Daily Mode or Weekly Mode to the other such Interest Mode) in the Opinion of Counsel of nationally recognized standing in the field of municipal bond law delivered to the Trustee on the day for such change in Interest Mode such change will not adversely affect any exclusion of interest on any Bond from gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes.

(c) **Daily Rate.** On each day during which this Bond is in a Daily Mode and except as provided in *paragraph (i)* below, this Bond will bear interest at the “**Daily Rate**” for such day, which shall be the least of (i) 15% per annum, (ii) the lowest per annum rate of interest specified in any Credit Facility (unless in the form of municipal bond insurance) or Liquidity Facility then in effect under the Indenture as the rate at which money available to be paid thereunder to pay interest on the Bonds in such Interest Mode has been computed, or (iii) a per annum rate of interest equal to the Market Rate therefor determined as herein described by 9:30 a.m., New York, New York, time, on such day or, if such day is not a business day for the Remarketing Agent, on the business day immediately preceding such business day (each such day referred to herein as a “**Rate Determination Date**”). Interest accrued on this Bond while it is in a Daily Mode shall be payable on the first Business Day of each month and on the Business Day immediately succeeding the last day of such Daily Mode, and the Regular Record Date for such interest shall be the immediately preceding day (whether or not a Business Day).

(d) **Weekly Rate.** On each day during which this Bond is in a Weekly Mode and except as provided in *paragraph (i)* below, this Bond will bear interest at the “**Weekly Rate**,” which shall be the least of (i) 15% per annum, (ii) the lowest per annum rate of interest specified in any Credit Facility (unless in the form of municipal bond insurance) or Liquidity Facility then in effect under the Indenture as the rate at which money available to be paid thereunder to pay interest on the Bonds in such Interest Mode has been computed, or (iii) the variable per annum Market Rate of interest most recently determined in accordance with the provisions of this paragraph (d) prior to such day. The Remarketing Agent is required to determine such Market Rate prior to the first day of such Weekly Mode and on each Wednesday that occurs at least six days thereafter or, if such Wednesday is not a business day for the Remarketing Agent, on the next

such business day (each such day referred to herein as a “**Rate Determination Date**”), provided, however, that the first Weekly Rate shall be determined by the initial purchaser or the Remarketing Agent on the date of execution of a purchase contract or a date not later than the Business Day immediately before the effective day of the Weekly Mode in the manner set forth in this paragraph (d) and shall apply to the period commencing from the commencement of the Weekly Mode and ending on the next Wednesday; thereafter, the Weekly Rate shall be in effect, from and including the day following each Rate Determination Date (or, if such Rate Determination Date is not a Wednesday, such Rate Determination Date) to and including the following Rate Determination Date (or, if such following Rate Determination Date is not a Wednesday, then the day preceding such Rate Determination Date). Interest accrued on this Bond while it is in a Weekly Mode shall be payable on the first Business Day of each month and the Business Day immediately succeeding the last day of such Weekly Mode, and the Regular Record Date for such interest shall be the immediately preceding day (whether or not a Business Day).

(e) **Index Rate.** On each day during which this Bond is in an Index Mode, this Bond will bear interest at the “**Index Rate**,” which shall be the lesser of the maximum lawful rate of interest or, except as provided in clause (i), (ii) or (iii) of this paragraph, for the Initial Index Period at a rate per annum equal to 67% of (Adjusted Daily Simple SOFR plus 2.00% per annum) and for each subsequent Index Mode Period such rate determined by the Initial Purchaser pursuant to Section 5.03D of the Indenture and provided to the Borrower at least 120 calendar days prior to Optional Put Date; *provided, however,*

(i) Upon determination of Taxability and as additional interest on the Bonds, the Bonds shall from the effective date of any Taxable Event, including if such effective date is deemed retroactive to the issuance date of the Bonds, an amount equal to the Taxable Adjustment Amount.

“**Determination of Taxability**” means the first to occur of the following: (1) the date when the Borrower files any statement, supplemental statement or other tax schedule, return or document which discloses that a Taxable Event shall have occurred, (2) the date when the Borrower or Issuer shall be advised in writing by the Commissioner or any District Director of the Internal Revenue Service that, based upon any filings of the Borrower or upon any review or audit of the Borrower or upon any other ground whatsoever, a Taxable Event shall have occurred, or (3) on that date when the Borrower receives written notification from (A) the Initial Purchaser that the Internal Revenue Service has assessed as includable in the gross income of the Initial Purchaser all or any portion of the interest on the Bonds due to the occurrence of a Taxable Event, or (B) the Commissioner or any District Director of the Internal Revenue Service that all or any portion of the interest on the Bonds is includable in the gross income of the Initial Purchaser due to the occurrence of a Taxable Event.

“**Taxable Adjustment Amount**” means an amount equal to the difference, if any, between (1) the amount of interest on the principal amount of the Bonds actually paid to the Initial Purchaser since the effective date of a Taxable Event to the Interest Payment Date or redemption date on which such Taxable Adjustment Amount is first paid, and thereafter from the previous Interest Payment Date to the next Interest Payment Date or redemption date, and (2) the amount of interest which would have been payable on such

principal amounts to such owner or former owner for the same period since the date of the Taxable Event at a rate equal to Adjusted Daily Simple SOFR plus 2.0% per annum, in each case calculated on the basis of actual days elapsed for a year of 360-days.

“**Taxable Event**” means the application of the proceeds of the Bonds in any manner, the existence of any condition or the occurrence or nonoccurrence of any event, which has the result that, under the Code and the Regulations, all or any portion of the interest on the Bonds is or becomes includable in the gross income of the Initial Purchaser.

(ii) **Yield Protection.** So long as any portion of the principal amount of the Bond or interest thereon remains unpaid, if there is a change in the Code or in the interpretation thereof by any court, administrative authority or other governmental authority (other than an Event of Taxability under *clause (i)* heretofore) which takes effect after the issuance of the Bonds and which changes the effective yield on the Bonds to the Initial Purchaser, including but not limited to, changes in the federal income tax rates, the interest rate on the Bonds will increase accordingly to compensate for such changes in effective yield on the Bonds. The Issuer agrees to pay on demand, but only from amounts provided by the Borrower pursuant to Section 3.04 of the Loan Agreement, each such Holder and prior Holder for the additional amounts described above.

(iii) **Default Rate.** Upon the occurrence and continuation of any Event of Default, interest on the Bonds shall accrue at the Base Rate plus 4.00% annum, until such Event of Default is cured in accordance with *Article Nine* herein.

Interest accrued on this Bond or any portion hereof while it is in an Index Mode shall be payable on the first Business Day of each month and the Regular Record Date for such interest shall be the immediately preceding day (whether or not a Business Day).

(f) **Fixed Rate.** After the Interest Mode for this Bond has been converted to the Fixed Mode, this Bond shall bear interest at the “**Fixed Rate**” therefor, which shall be a fixed per annum rate equal to the lesser of (i) 18% per annum or (ii) the Market Rate therefor determined as herein described on any date designated by the Remarketing Agent which is not more than 35 days preceding nor later than the last business day for such Remarketing Agent preceding such Fixed Mode (herein referred to as a “**Rate Determination Date**”). Interest accrued while this Bond is in a Fixed Mode shall be payable semiannually on each April 1 and October 1, the Regular Record Date for which shall be the last day (whether or not a Business Day) of the preceding calendar month or the first day of such Fixed Mode, whichever is later.”

(g) **Determination of Market Rates.** The “**Market Rate**” for this Bond determined on each Rate Determination Date shall (i) be the minimum per annum rate of interest determined in accordance with the provisions of the Indenture by the Remarketing Agent appointed thereunder to be necessary to produce a bid for this Bond or such portion equal to 100% of the principal amount thereof plus interest, if any (other than the Bank Differential), accrued from the Date of Series specified above or the most recent Interest Payment Date therefor to which interest has been paid or duly provided for, and (ii) the Index Rate determined by the Initial Purchaser in accordance with the provisions of the Indenture. If for any reason no Remarketing Agent shall have been appointed under the Indenture on any Rate Determination Date, the

Remarketing Agent or Initial Purchaser fails to determine the Market Rate on such Rate Determination Date, or any Market Rate determined by the Remarketing Agent or Initial Purchaser on such Rate Determination Date is determined by a court of competent jurisdiction to be invalid or unenforceable, the “**Market Rate**” for this Bond to be determined on such Rate Determination Date shall be, if the Interest Period therefor during which such Market Rate is to be in effect is (i) greater than one-half year, excluding an Index Mode Period, the percentage of “The 11-Bond Municipal Bond Index” most recently published by *The Bond Buyer* or any successor publication set forth below under the longest period specified which does not exceed the duration of such Interest Period:

| Interest Period equal to or longer than (in years): | | | | | | |
|--|------------|------------|------------|------------|------------|------------|
| 15 | 13 | 10 | 7 | 5 | 2 | ½ |
| 100% | 97% | 93% | 86% | 80% | 70% | 65% |

, (ii) equal to or less than one-half year, then The Securities Industry and Financial Markets Association Municipal Swap Index (if the Bonds are in a Daily Mode or Weekly Mode) most recently published by *The Bond Buyer* or any successor publication, or (iii) an Index Mode Period, equal to the immediately preceding rate; *provided* that, if either such index in *clause (i) or (ii)* ceases to be published, it shall be replaced for the foregoing purposes by the most comparable published index designated by the Trustee on the advice of the Remarketing Agent or any other dealer bank or broker-dealer competent in such matters and chosen by the Trustee.”

(h) Notice of Interest Rates. The Trustee is required to give notice of each change in Interest Mode for this Bond to the Holder hereof by mail, first-class postage prepaid, within the period of and by the time specified in the Indenture before the day such change becomes effective. Each Daily Rate and Weekly Rate on this Bond for this Bond may be ascertained by telephoning the Remarketing Agent. Each Index Rate on this Bond for this Bond may be ascertained by telephoning the Initial Purchaser.

(i) Bank Bonds. For each day on which any portion hereof is a Bank Bond (as defined in the Indenture), such portion shall bear interest at the Bank Rate (as defined in the Indenture). Interest accrued during any Interest Mode on any portion of this Bond which is a Bank Bond shall be payable on each Interest Payment Date for such Interest Mode described above, and, in the case of Bank Differential, on the day on which such Bank Bond ceases to be a Bank Bond, and the Regular Record Date for the payment of such interest shall be the immediately preceding day (whether or not a Business Day).

(j) Definitions. As used herein:

(i) “**Business Day**” for this Bond means any day other than (1) a Saturday or a Sunday, (2) a legal holiday or the equivalent on which banking institutions generally are authorized or required to close in the Place of Payment therefor or in the city in which is located (a) the designated corporate trust office of the Trustee or the principal office of the Remarketing Agent or, (b) while any Credit Facility is in effect under the Indenture, the office of the Credit Enhancer or of its agent at which drafts or demands for payment under the Credit Facility are to be presented or, (c) while any Liquidity Facility is in effect under the Indenture, the office of the Liquidity Bank or of its agent at which

drafts or demands for payment under the Liquidity Facility are to be presented, or (3) a day on which the New York Stock Exchange is closed; *provided* that when used in connection with interest at a rate based on SOFR or any other calculation or determination involving SOFR, the term “Business Day” means a U.S. Government Securities Business Day;

(ii) “**Payment Default**” means a default in the payment of principal of or interest on any Bond when due, provided that the obligor on the policy referred to in the statement of insurance, if any, appearing on the within Bond or any Credit Facility accepted by the Trustee under the Indenture is then in default thereunder; and

(iii) “**Rate Adjustment Date**” means (1) each day on which this Bond will begin to bear interest at a newly determined Daily Rate, Weekly Rate or Fixed Rate determined in accordance with *Article Five* of the Indenture, whether or not such rate is different from the interest rate previously in effect on this Bond, and (2) the first Business Day of each Interest Period for this Bond in an Index Mode.

(k) **Usury Savings Clause.** Notwithstanding anything herein or in the Indenture to the contrary, however, in no event shall the aggregate of the interest on the Bonds (including Bank Bonds) plus any other amounts paid in connection therewith which are deemed “interest” under the laws of the State of Texas and the United States of America in effect on the Date of Series specified above permitting the charging and collecting of the highest non-usurious interest rate on the Bonds (herein referred to as “**Applicable Law**”) ever exceed the maximum amount of interest which could be lawfully charged and paid on the Bonds under Applicable Law, and if any amount of interest taken or received by the Holder hereof shall be in excess of the maximum amount of interest which, under Applicable Law, could lawfully have been collected and paid hereon, then the excess shall be deemed to have been the result of a mathematical error by the Issuer, the Trustee, and such Holder and shall be refunded promptly to the Trustee for the account of the Issuer. All amounts paid or agreed to be paid in connection with the indebtedness evidenced by the Bonds which under Applicable Law would be deemed “interest” shall, to the extent permitted by Applicable Law, be amortized, prorated, allocated, and spread throughout the full term of the Bonds.

In the event any interest required to be paid at any time exceeds the maximum lawful non-usurious rate of interest, the portion of such interest required to be paid on a current basis shall equal such maximum lawful non-usurious rate of interest; provided, however, that the differential between the amount of interest payable assuming no maximum lawful non-usurious rate of interest and the amount paid on a current basis after giving effect to the maximum lawful non-usurious rate of interest shall be carried forward and shall be payable on any subsequent date of calculation so as to result in a recovery of interest previously unrealized (because of the limitation dictated by such maximum lawful non-usurious rate of interest) at a rate of interest, and as part of the interest payable, that, after giving effect to the recovery of such excess and all other interest paid and accrued hereunder to the date of calculation, does not exceed such maximum lawful non-usurious rate of interest.

1.2. Title; Limited Obligations. This Bond is one of a duly authorized series of Bonds of the Issuer designated as its “SENIOR CARE FACILITIES VARIABLE RATE REVENUE AND REFUNDING BONDS (BIENVIVIR SENIOR HEALTH SERVICES PROJECT) SERIES 2010” (herein referred

The Bonds are limited obligations of the Issuer payable solely from and to the extent of loan payments to be made or provided for by Bienvivir Senior Health Services, a Texas non-profit corporation (herein, together with successors referred to in the Indenture, referred to as the “**Borrower**”), pursuant to a Loan Agreement with the Issuer, dated as of even date with the Indenture (herein, together with all amendments and supplements thereto, referred to as the “**Loan Agreement**”), the obligations of the Borrower under which are evidenced by a promissory note of even date therewith made by the Borrower and an affiliate (herein referred to as the “**Note**”) and entitled to the benefit and security of that certain Second Amended and Restated Master Trust Indenture and Security Agreement, dated as of December 1, 2010, as supplemented by that certain First Supplement to Second Amended and Restated Master Trust Indenture and Security Agreement, dated as of December 1, 2010, and as further supplemented from time to time, among the Borrower and The Bank of New York Mellon Trust Company, N.A. (successor in trust to U.S. Trust Company of Texas, N.A.), as trustee, and any other funds held or required to be held under the Indenture for such purpose.

1.3. Redemption, Mandatory Tender, and Acceleration. The Indenture also contains provisions permitting certain Persons specified in the Indenture to waive certain past defaults under the Indenture and their consequences under terms and conditions specified therein on behalf of the Holders of all the Bonds. Any such consent or waiver shall be conclusive and binding upon the current and all future Holders of this Bond and of any Bond issued upon the transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Bond.

The Holder of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in, or defend any suit or other proceeding with respect thereto, *except* as provided in the Indenture.

instrument of transfer in form satisfactory to the Bond Registrar duly executed by, the registered Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Bonds of authorized denominations, bearing interest at the same rate and for the same period, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

As provided in the Indenture and subject to certain limitations therein set forth, Bonds are exchangeable for a like aggregate principal amount of Bonds of different authorized denominations, as requested by the Holder, but bearing interest at the same rate and for the same period, upon surrender of the Bonds to be exchanged to the Paying Agent at the Place of Payment.

No service charge shall be made for any such transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Unless either a Registration Certificate of the Comptroller of Public Accounts of the State of Texas has been executed by such Comptroller or his duly authorized agent or a certificate of authentication hereon has been executed by the Trustee, in each case by manual signature, this Bond shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

Transition from LIBOR to SOFR

Bond Structure and Why the City is Involved:

- The City of El Paso Health Facilities Development Corporation (HFDC) is a Texas non-profit health facilities development corporation duly created by the City pursuant to the provisions of Chapter 221, Texas Health and Safety Code, as amended, as a constituted authority and instrumentality of the City of El Paso
- In order for Bienvivir Senior Health Services (Bienvivir) to borrow money on a tax-exempt basis, bonds were issued through the HFDC
 - Series 2002: Financing of new 88,000 sf McKinnley PACE Center
 - Series 2007: Refinancing of Series 2002 and \$6.3 million capital expenditures
 - Series 2010: Refinancing of Series 2007 and \$2.5 million capital expenditures
- HFDC is not an obligor on the debt and no City funds or taxes are used to pay any debt issued by the HFDC for Bienvivir's benefit
- As Issuer of the Series 2010 Bonds, HFDC must consent to any changes to the loan documents

Transition from LIBOR to SOFR

Reason for Modification to the Bonds:

- The Bienvivir Series 2010 bonds are tax-exempt and pay interest at a variable rate based on a percentage of the London Interbank Offered Rate (LIBOR) with a tenor of 1-month
- In 2017, UK regulators¹ announced the discontinuation of LIBOR
- **1-month LIBOR will cease to be reported on June 30, 2023**
- In 2017, US regulators² identified the Secured Overnight Financing Rate (SOFR) as the recommended replacement to USD LIBOR
- In March, 2021, Bloomberg³ published recommended spreads to be added to SOFR as a replacement to 1-month LIBOR.
- JPMorgan Chase Bank, N.A., as lender, has offered to replace 1-month LIBOR at SOFR plus a spread that is 0.01448% less than the recommended published spread

¹ UK Financial Conduct Authority

² Alternative Reference Rates Committee (ARRC)

³ Under the International Swaps and Derivatives Association (ISDA) definitions and the LIBOR Act passed by Congress, Bloomberg is the "golden source" for calculating the Fallback Rate SOFR which includes the recommended spreads added to SOFR so that when combined with the spread, it approximates LIBOR

Transition from LIBOR to SOFR

Action Needed to Achieve HFDC consent:

- City Council first reappoints members to the HFDC Board
- For ease of administration, the City amended the HFDC articles of incorporation at its May 23 Council meeting such that the HFDC Board mirrors the City Council
- The HFDC Board/City Council now meets to approve the change to the Bienvivir loan documents
- **The HFDC President (and Secretary) will sign the First Supplement to the Indenture of Trust and Security Agreement and the Bond reflecting the changed terms**
- Bienvivir will pay all City legal fees associated with these modifications

Series 2010 Bonds: Transition from LIBOR to SOFR

Summary of Changed Terms of the Indenture of Trust and Security Agreement

The changes being made to the existing loan documents are minimal and are summarized as follows:

1. Existing interest rate will change from $67\% \times (1\text{-Month LIBOR} + 2.00\%)$ to $67\% \times ((\text{SOFR} + 0.10\%) + 2.00\%)$
2. Definitions are added to account for the new index
3. Provisions are added to provide for a mechanism for determining a new index rate in the future if SOFR is ever discontinued

No changes are being made to the existing term, security structure, nor covenants

Request of City and City Council Members

- Bienvivir Senior Health Services, located at 2300 McKinley Ave 79930 has requested that the City reconstitute the governing board of the HFDC in order to approve modifications to the Bienvivir existing loan documents
 - City Council took action on May 23
- Bienvivir requests that the HFDC Board take action to approve the loan document modifications in order to substitute the SOFR index for the LIBOR index that is being phased out
- The changes to the loan documents are necessary because of the global phase out of the LIBOR index which is used in the existing loan documents
- No costs are being incurred by the City with respect to the requested modification
- No City funds or taxes are used to pay any debt issued by the HFDC for Bienvivir's benefit
