REPRESENTATIVE:	Hosanna A. and Luis P. Gallegos
LOCATION:	3124 Federal Ave. (District 2)
ZONING:	R-3/H (Residential/Historic)
REQUEST:	Special Exception B (Two or More Nonconforming Lots) and Special
	Exception K (In Existence 15 Years or More)
PUBLIC INPUT:	None received as of March 5, 2025

**SUMMARY OF REQUEST:** Applicant requests a Special Exception under Section 2.16.050 B (Two or More Nonconforming Lots) and Section 2.16.050 K (In Existence 15 Years or More) to allow to legalize an existing porch, pergola and garage in an R-3/H (Residential/Historic) zone district.

**SUMMARY OF STAFF'S RECOMMENDATION:** Staff recommends **APPROVAL** of the special exception requests as the requested encroachments are less than the encroachments into that setback already present on at least two other neighboring properties and have existed for at least 15 years.

Figure A. Aerial of Subject Property & Immediate Surroundings

**DESCRIPTION OF REQUEST:** The applicant is requesting a special exception to allow to legalize the construction of an existing porch, pergola, and garage structure which extend 18 feet into the required 20-feet rear yard setback for 430.28 square feet of total encroachment. Additionally, the applicant is requesting a special exception to allow to legalize an existing garage structure, which extends 4.4 feet into the required 5-feet side yard setback for 137 square feet of total encroachment. The encroachment of the existing garage has existed since at least 1956 based on the 1956 Sanborn Map.

**BACKGROUND:** The minimum and required rear setback is 20 feet in the R-3/H (Residential/Historic) zone district. The required front setback for the subject property is 30 feet to meet the cumulative front and rear setback of 50 feet in the R-3/H (Residential/Historic) zone district. The required side yard setback is 5 feet in the R-3/H (Residential/Historic) zone district. Aerial photographs indicate that five (5) nearby properties also encroach into their respective setbacks, with encroachments into the rear yard equal to or larger than those on the subject property. These properties are located at 3115 Federal Avenue (892.27 square feet rear yard encroachment), 3121 Federal Avenue (655.89 square feet rear yard encroachment), 3131 Copper Avenue (451.57 rear yard encroachment), 3117 Copper Avenue (723.28 square feet rear yard encroachment) and 3101 Copper Avenue (870.32 square feet rear yard encroachment).

Based on Central Appraisal District records, the single-family dwelling was built in 1921, with the current owner not responsible for the side yard setback encroachment. The current owner, however, is responsible for the encroachments of the rear porch and pergola, which were built in 2024. Additionally, the porch encroachment of the front yard setback is permitted per Section 20.12.040 – Yards of the City of El Paso Code.
