Chapter 20.02 – Definition – Redlines

20.02.074 - Apartment/Multifamily residential building (five three or more units).

"Apartment/Multifamily residential building (five three or more units)" means a building or part of a building containing five three or more attached or detached dwelling units. The term includes the use or development of a condominium. A "condominium" means a single dwelling unit in a multi-unit dwelling or structure, which is separately owned and which may be combined with an undivided interest in the common areas and facilities of the property.

20.02.252 - Condominium.

See "Apartment/Multifamily residential building" or "Mixed-use residential." "Condominium" means a single dwelling unit in a multi-unit dwelling or structure, which is separately owned and which may be combined with an undivided interest in the common areas and facilities of the property.

20.02.573 - Mixed-use residential

"Mixed-use residential" when used to describe land use or development, means the use or development, as applicable, of a site consisting of residential and nonresidential uses in which the residential uses are at least 65 percent of the total square footage of the development and meets the criteria found in El Paso City Code section 20.10.363. The term includes the use or development of a condominium. A "condominium" means a single dwelling unit in a multi-unit dwelling or structure, which is separately owned and which may be combined with an undivided interest in the common areas and facilities of the property. Developments not meeting the criteria listed above shall not be considered mixed-use residential and shall be required to meet the requirements of the base zoning or use requirements.

20.02.760 - Quadraplex.

<u>See "Apartment/Multifamily residential building." "Quadraplex" means a building designed or occupied as four dwelling units.</u>

20.02.988 Single-family attached dwelling (atrium, patio, townhouse, condominium).

See "Atrium house, patio house, townhouse, condominium."

20.02.1003 - Small Lot

"Small lot" means a residential lot that is 4,000 square feet or less and meets the criteria found in El Paso City Code section 20.10.625.

20.02.1120 - Triplex.

<u>See "Apartment/Multifamily residential building." "Triplex (three-family dwelling)" means a building designed or occupied as three dwelling units.</u>

Chapter 20.04 - ADMINISTRATIVE PROVISIONS

Article III. - Detailed Site Development Plan Approval Process

20.04.140 When required.

Except as stated herein, a detailed site development plan is required prior to development in a special purpose district or with a special permit application and may be required if a zoning condition exists on a particular piece of property. Detailed site development plans are not required for apartment or mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363 or for any projects for development in the Mixed Use District (RMU, GMU and IMU) or for any other projects other than those located in special purpose districts or as otherwise required herein.

20.04.150 Procedure.

- A. An application for detailed site development plan shall be prepared in accordance with the specifications outlined in Section 20.04.160, except where the development is for apartments, or mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363, a detailed site development plan shall not be required.
- C. Administrative approval. Detailed site development plans meeting the following conditions shall be reviewed and approved by the zoning administrator:
 - 6. Any site within the "U-P" Union Plaza District.

20.04.170 Modification of detailed site development plan.

Where the development is for apartments or mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363, approval of minor modifications shall not be required.

Article IV. - Master Zoning Plan Approval Process

20.04.200 Master zoning plan.

B. Amendments to an Approved Master Zoning Plan. An applicant may request amendments to an approved MZP. These amendments shall be delineated as minor or major amendments according to the criteria set forth herein. Where the development is for apartments or mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363, a master zoning plan shall not be required.

Chapter 20.10 – Supplemental Regulations <u>- Redlines</u>

20.10.320 - Live-work flex units.

Where permitted in a zoning district, live-work flex units encourage design solutions for compatible mixed uses and are subject to the following restrictions and provisions. Where the live-work development meets the criteria of El Paso City Code section 20.10.363, the standards found in that section shall supersede.

20.10.360 Mixed-use development.

Where section 20.10.363 – Mixed use Residential applies, it supersedes any requirements under 20.10.360 that may be in conflict.

A. Special Development (S-D).

- 5. Height Regulations. No building shall exceed three stories or forty-five feet in height, except as follows:
- 6. Review Standards for Establishment of S-D District.
 - b. Where the development is for single-family detached dwellings that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) a detailed site development plan shall not be required. Where the development is for apartments, or mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363, a detailed site development plan shall not be required.
 - c. Where the development is for single-family detached dwellings, apartments, or mixed-use residential development, but does not meet the requirements set forth in Chapter 20.12 (Density and Dimensional Standards); or where the development proposes permitted uses other than single-family detached dwellings, a detailed site development plan shall be submitted in accordance with Chapter 20.04. Additional reasonable conditions may be recommended by the city plan commission and approved by the city council in order to protect the public health, safety and welfare

B. Union Plaza (U-P).

- 1. Applicability. The provisions of this section will apply to all parcels of land within the "U-P" Union Plaza District. Where the development is for apartments or mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363, a detailed site development plan shall not be required.
- 2. Development Standards.

- a. For mixed-use developments over 1 story in height, where residential and other uses are combined in a single building, residential uses may not occupy the ground floor, except where they comply with the design standards in the "2023 Union Plaza Architectural and Design Guidelines." In other multifamily dwelling buildings, not including commercial uses, residential uses may occupy the ground floor.
- ba. Off-Street Parking. Off-street parking requirements of Chapter 20.14 shall not apply to properties in the district. Additionally, surface parking lots shall be prohibited in the district.
- eb. Drive-thru facilities are prohibited in the district.
- dc. In the district, height limits of buildings or structures within a seven-hundred-foot radius of any part of the facade of the Union Depot shall not exceed forty feet, except where the development is for apartments or mixed-use residential development that meet all requirements set forth in Section 20.10.363, the height shall not exceed forty-five feet.
- 4. Architectural and Design Guidelines. The purpose of these guidelines is to protect the district from unsightly construction that would ultimately diminish the appeal of the district. All applications for redevelopment of existing buildings or structures or new construction must comply with the Union Plaza Architectural and Design Guidelines. Copies of the Union Plaza Architectural and Design Guidelines are on file in the planning and inspections department. Where conflict exists between this section and the adopted design guidelines, section 20.10.360.B shall supersede.
- 5. Application Requirements. In addition to those items required for the application for a building permit, a detailed site development plan is required prior to development within the district. The process for application and approval shall be in accordance with Title 20, Article III Detailed Site Development Plan Approval Process. The requirement for a detailed site development plan shall only apply to new construction or additions to existing structures. Where the development is for apartments or mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363, a detailed site development plan shall not be required.
- C. Planned Residential (PR-1 and PR-2).
 - 4. Review Standards for Establishment of P-R District.
 - b. Where the development is for single-family detached dwellings that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) a detailed site development plan shall not be required. Where the development is for apartments, or mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363, a detailed site development plan shall not be required.
- D. Planned Commercial (P-C).
 - 2. General Procedures—Plans Required.

- a. Establishment of a P-C planned commercial district shall follow the procedures for changes and amendments of Chapter 20.04, including notice and hearings, recommendations by the city plan commission and action by the city council. A detailed site development plan complying with the requirements of Chapter 20.04 shall be required, except where the development is for apartments or mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363, a detailed site development plan shall not be required.
- G. Residential, General and Industrial Mixed Use Districts (RMU, GMU and IMU). Uses permitted in a mixed-use development are as approved by city council through a master zoning plan. In an RMU zoning district where the development is entirely for apartments or entirely for mixed-use residential development that meet all minimum requirements set forth in Chapter 20.12 (Density and Dimensional Standards) and Section 20.10.363, these uses shall be permitted without approval of a master zoning plan. A mixed-use development may be authorized to encourage use schemes such as but not limited to, residential, entertainment, medical, and employment centers. The following principles and requirements shall apply to a mixed-use development and shall serve as the basis for approval of a master zoning plan.

20.10.363 Mixed Use Residential or Apartment Development
