CASE NUMBER: PZBA25-00012
CASE MANAGER: Blanca Perez, (915) 212-1561, PerezBM@elpasotexas.gov
PROPERTY OWNER: Rena Shea Herman
REPRESENTATIVE: Jonathan Prieto
LOCATION: 601 Woodland Ave. (District 1)
ZONING: R-1 (Residential)
REQUEST: Special Exception B (Two or More Non-Conforming Lots) and K (In Existence Fifteen Years or More)
PUBLIC INPUT: None received as of August 5, 2025

SUMMARY OF REQUEST: Applicant requests a Special Exception under Section 2.16.050 B (Two or More Non-Conforming Lots) and K (In Existence Fifteen Years or More) to permit a proposed home addition and to allow to legalize an attached accessory structure in an R-1 (Residential) zone district.

SUMMARY OF STAFF'S RECOMMENDATION: Staff recommends **APPROVAL** of the special exception request as the requested encroachment is less than the encroachments into that setback already present on at least two other neighboring properties and have existed for at least fifteen years.

PZBA25-00012

Figure A. Aerial of Subject Property & Immediate Surroundings

DESCRIPTION OF REQUEST: The applicant is requesting a special exception to permit the construction of a proposed home addition to an existing single-family dwelling, 13 feet 9 inches of which would extend into the required rear yard setback for a 481 square foot area of total encroachment and to allow to legalize an existing pergola extending 6 feet into the side yard setback for a total of 120 square foot area of total encroachment. Additionally, the applicant is requesting to allow to legalize an existing accessory structure, 15 feet of which would extend into the required side yard setback for a 270 square foot area of total encroachment.

BACKGROUND: The minimum rear setback is 30 feet in the R-1 (Residential) zone district. The required rear setback for the subject property is 64 feet to meet the cumulative front and rear setback of 100 feet in the R-1 (Residential) zone district. The minimum side setback is 15 feet to meet the cumulative side and side street setback of 40 feet in the R-1 (Residential) zone district. Aerial imagery indicates that at least two other homes on the same block show similar encroachments. The existing home at 4935 Vista del Monte Street encroaches approximately 485 square feet into the rear yard setback and 595 square feet into the side street setback. At 616 Linda Avenue, the existing home encroaches approximately 1,450 square feet into the rear setback. Additionally, the home at 607 Woodland Avenue encroaches into both side setback with the encroachment being approximately 750 square feet.

According to records from the El Paso Central Appraisal District, the current owner has owned the property since 2018. The attached accessory structure on the side yard is unknown since when it has been existent. However, based on a 2009 aerial imagery, the property existed in its current located and condition at that time, indicating the encroachment has been present for over 15 years. The existing rear porch complies with Section 20.10.040 – Yards, which permits an unenclosed porch to extend up to 12 feet and 180 square feet into the required rear yard setback.

SETBACKS	REQUIRED SETBACK	REQUESTED SETBACK
Front	36 feet	No Change
Rear	64 feet	50 feet 3 inches
Cumulative Front & Rear	100 feet	86 feet 3 inches
Side	15 feet	0 feet

PUBLIC INPUT: Two (2) e-mails in opposition as of August 5, 2025

SUMMARY OF REQUEST: Applicant requests a Special Exception under Section 2.16.050 B (Two or More Nonconforming Lots) and J (Carport Over a Driveway) to allow to legalize two existing carports in an R-2 (Residential) zone district.

SUMMARY OF STAFF'S RECOMMENDATION: Staff recommends **APPROVAL WITH A CONDITION** of the special exception request as the requested encroachment is less than the encroachments into that setback already present on at least two other neighboring properties and the requested area of encroachment is less than the maximum permitted for a carport. The condition is as follows:

- Carport shall resemble the main residence in scale and character.

Figure A. Aerial of Subject Property & Immediate Surroundings

DESCRIPTION OF REQUEST: The applicant is requesting a special exception to allow to legalize the construction of an existing carport that encroaches 8 feet into the required side yard setback, resulting in a total encroachment of approximately 160 square feet. In addition, the applicant is requesting a second special exception to allow to legalize an existing second carport measuring approximately 20 feet by 20 feet, with a total area of 400 square feet. Of that area, approximately 320 square feet encroach 16 feet into the required front yard setback, with the structure located within 10 feet of the front property line.

BACKGROUND: The required side setback for the subject property is 8 feet in order to meet the cumulative side setback requirement of 20 feet within the R-2 (Residential) zoning district. The required front setback is 26 feet to meet the cumulative front and rear setback requirement of 60 feet. A site visit revealed that at least two other homes on the same block or on the abutting street have similar side yard encroachments. Specifically, the property at 1035 Los Moros Drive has an unenclosed porch encroaching approximately 200 square feet into the side yard setback, and the property at 1076 Los Moros Drive has an unenclosed porch encroaching approximately 205 square feet into the side yard setback.

Rear	34 feet	No Change
Cumulative Front & Rear	60 feet	44 feet
Side (West)	12 feet	No Change
Side (East)	8 feet	0 feet

COMPLIANCE WITH SPECIAL EXCEPTION 2.16.050.B CRITERIA

The Zoning Board of Adjustment is empowered under Section 2.16.050.B to:

Criteria	Does the Request Comply?
1. The lot is in a legally recorded and developed subdivision of at least ten years;	Yes. The lot is within a legally recorded subdivision of at least ten years.
2. There are two or more lots that do not conform to Title 20 located within the same block on the same side of the street or within the block directly across and abutting the street;	Yes. Through aerial photos and site visits, it was established that one house on the same block extends 8 feet into the side setback, and another house extends 8 feet.
3. The modifications are in the same nature as the existing nonconforming lots and do not permit construction less conforming than the least conforming of the nonconforming lots;	Yes. There are two other properties with porches that encroach into their required side setback beyond the existing encroachment of the subject property.
4. If the subject lot is located at the intersection of two streets (a corner lot), then nonconforming lots within the same block on the same side of either intersecting street or directly across and abutting either intersecting street, but not lots located diagonally from the subject lot, may be used in determining the nonconforming lot restrictions of this special exception.	Yes. Only applicable lots are being considered.

CALCULATIONS FOR CARPORT:

Hello Ms. Perez, I received a letter from the Planning and Inspections Department regarding Case Number PZBA25-00018, for Special Exception B and Special Exception J, and I'm not in favor of the request to grant the exceptions. If i recall correctly the owners at the property across the street, installed the two canopies on their driveway over a period of the last year or two, and the newest extends almost to the end of the driveway by the roadside. The canopies are con structed with steel poles anchored to the ground and have a very large fabric cover attached to the top and one side. My concern is public safety as the high winds we experience have a very high likelihood of damaging and detaching into the roadway. A large piece of fabric whipping on the road during that time will damage vehicles and obstruct the road. It would also damage the adjacent property owners home(s) should it make contact with them. The owner did not leave any room for the safety of the public and his neighbors. Respectfully yours, Concerned Neighbor
