Project

June 10, 2025

Strategic Plan Goal:

1) Cultivate an Environment Conducive to Strong, Economic Development

Project Details

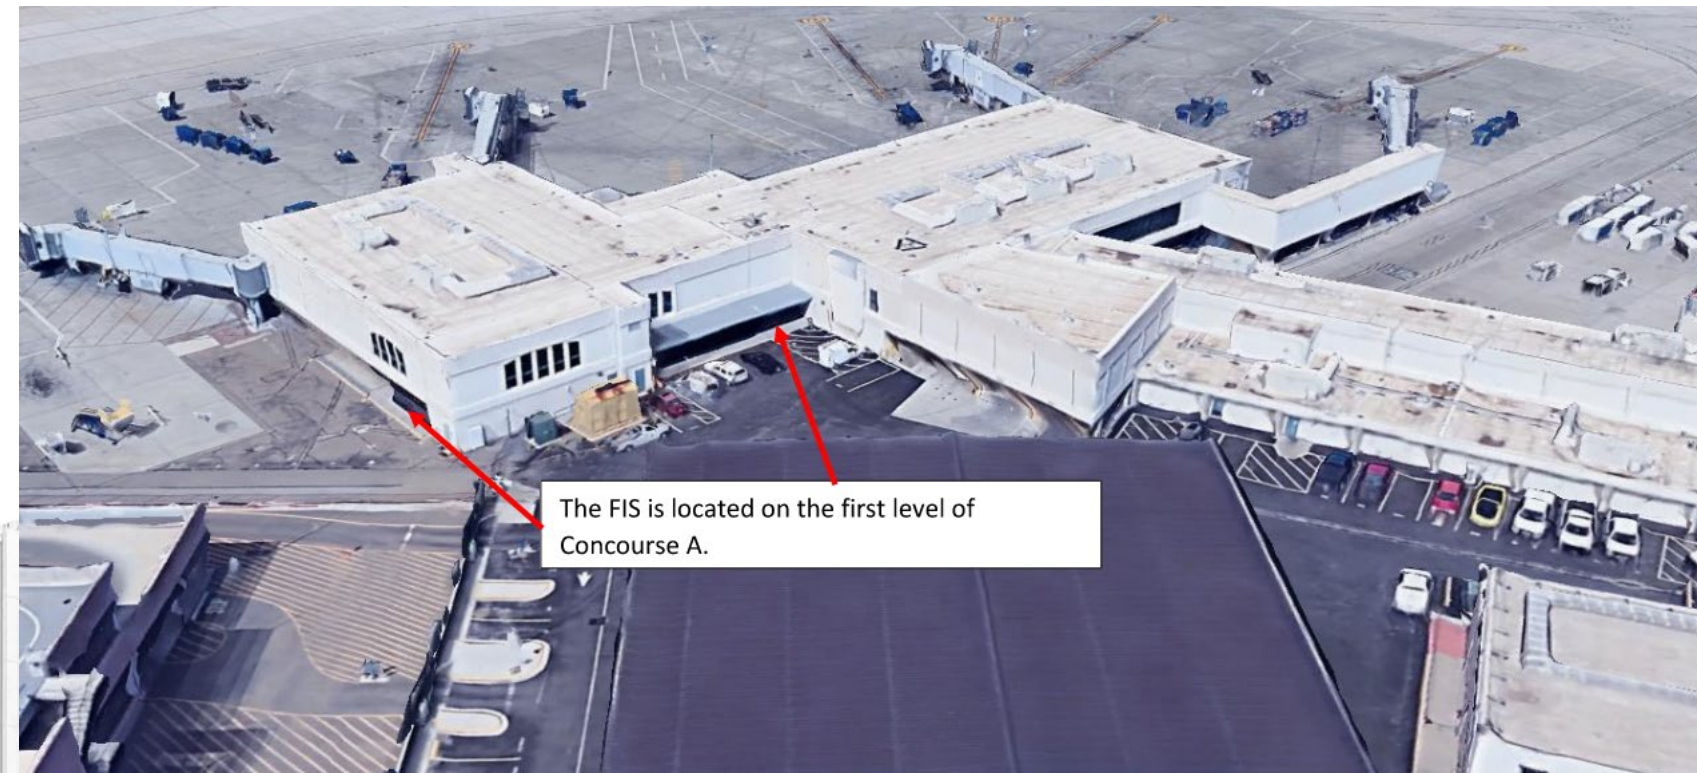

Location:	El Paso International Airport
District(s):	3
Total Project Budget:	\$7,358,313.00
Funding Source:	Airport Enterprise Fund

Project Details

- The project will renovate the existing Federal Inspection Services (FIS) area to optimize passenger flow as well as improve building systems, finishes and space allocations for associated agencies. The FIS area is designated for processing international passengers and their baggage, and it enhances security-screening operations to support international flights. The project is included on the most recent approved CIP.
- The improvements will provide an operational area for the FIS program by meeting or exceeding the required passenger's throughput.

Project Location

The FIS is located on the first level of Concourse A.

Scope of Work

- **Reconfiguration of the floor plan, a direct secure and safe passage between the FIS area and the TSA check point, mechanical, electrical, plumbing and communications (technology) improvements. The proposed improvements will meet all applicable codes such as General Aviation Facilities Design Standards and 2021 IBC.**
- **Design team shall assess existing sidewalks, curbs, ADA ramps and propose repairs to ensure passenger safety and access.**
