(b) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered on the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas and that they are valid and binding special obligations of the City, and have been registered by the Comptroller of Public Accounts of the State of Texas.

(c) On the Closing Date, one Initial Bond, payable in stated installments to the Purchaser or its designee, executed by manual or facsimile signature of the Mayor or Mayor Pro Tem and City Clerk or Alternate City Clerk, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver registered definitive Bonds to DTC in accordance with Sections 3.08 and 3.10.

Section 3.05 Ownership.

(a) The City, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment of the principal and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the person deemed to be the Owner of any Bond in accordance with this Section shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06 Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) Registration of any Bond may be transferred in the Register only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of the Bonds, or any portion thereof in any integral multiple of \$5,000, to the assignee or assignees thereof, and the right of such assignee or assignees thereof to have the bond or any portion thereof registered in the name of such assignee or assignees. No transfer of any Bond shall be effective until entered in the Register. Upon assignment and transfer of any Bond or portion thereof, a new Bond or Bonds will be issued by the Paying Agent/Registrar in exchange for such transferred and assigned Bond. To the extent possible the Paying Agent/Registrar will issue such new Bond or Bonds in not more than three business days after receipt of the Bond to be transferred in proper form and with proper instructions directing such transfer.

(c) Any Bond may be exchanged only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar, together with a written request therefor duly executed by the registered owner or assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantees of signatures satisfactory to the Paying Agent/Registrar, for a Bond or Bonds of the same maturity and in any authorized denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. To the extent possible, a new Bond or Bonds will be required to be delivered by the Paying Agent/Registrar to the registered owner of the Bond or Bonds in not more than three business days after receipt of the Bond to be exchanged in proper form and with proper instructions directing such exchange.

(d) Each Bond issued in exchange for any Bond or portion thereof assigned or transferred shall be of the same tenor and shall have the same maturity date as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall exchange the Bonds as provided herein, and each substitute Bond delivered in accordance with this Section shall constitute an original

additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such substitute Bond is delivered.

(e) The City will pay the Paying Agent/Registrar's reasonable and customary charge for the initial registration of the Bonds and the subsequent exchange of the Bonds pursuant to the provisions hereof. However, the Paying Agent/Registrar will require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond. In addition, the City hereby covenants with the Owners of the Bonds that it will (i) pay the reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of the Bonds, when due, and (ii) pay the fees and charges of the Paying Agent/Registrar for services with respect to the transfer, registration and exchange of Bonds as provided herein to the extent such fees and charges are payable hereunder by the City.

Section 3.07 Cancellation and Authentication.

(a) All Bonds paid in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance, shall be canceled upon the making of proper records regarding such payment, exchange or replacement.

(b) Each substitute Bond issued in exchange for or replacement of (pursuant to the provisions of Section 3.09 hereof) any Bond or Bonds issued under this Ordinance shall have printed thereon a Paying Agent/Registrar's Authentication Certificate, in the form hereinafter set forth. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such bond, manually sign and date such Certificate, and no such Bond shall be deemed to be issued or outstanding unless such Certificate is so executed. No additional ordinances, orders, or resolutions need be passed or adopted by the City Council or any other body or person so as to accomplish the foregoing exchange or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein. Pursuant to Texas Government Code, Chapter 1201, as amended, the duty of exchange or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the above Paying Agent/Registrar's Authentication Certificate, the exchanged or replaced Bonds shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which originally were delivered pursuant to this Ordinance, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

Section 3.08 Temporary Bonds.

(a) Pending the preparation of definitive Bonds, the City may execute and, upon the City's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any

denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance. The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar, and thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity, in definitive form, in the authorized denomination, and in the same aggregate principal amount as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09 Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the City, to save each of them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of

any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, without the necessity of issuing a replacement Bond, may pay such Bond on the date on which such Bond becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10 Book-Entry-Only System.

(a) Notwithstanding any other provision hereof, upon initial issuance of the Bonds, the ownership of the Bonds shall be registered in the name of Cede & Co., as nominee of DTC. The definitive Bonds shall be initially issued in the form of a single separate fully registered certificate for each of the maturities thereof.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of or premium, if any, on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of or premium, if any, on the Bonds, for the purpose of all matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and premium, if any, on the Bonds only to or upon the order of the respective owners, as shown in the Register as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

Section 3.11 Successor Securities Depository; Transfer Outside Book-Entry-Only System. In the event that the City or the Paying Agent/Registrar determines that DTC is incapable

of discharging its responsibilities described herein and in the representation letter of the City to DTC, or in the event DTC discontinues the services described herein, the City or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.12 Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and premium, if any, on the Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the blanket representation letter of the City to DTC.

be used to pay the principal of and interest on the Bonds Similarly Secured at any time there are not sufficient funds on deposit in the Interest and Sinking Fund for such purpose.

In accordance with the procedures specified in the preceding paragraph, the City hereby directs that the deposits, if any, being made to the Reserve Fund be increased to accumulate in the Reserve Fund within sixty (60) months from the date of the Bonds an amount equal to the Reserve Fund Requirement.

Notwithstanding anything herein to the contrary, the City retains the right, with respect to the Bonds and subsequent issues of Additional Bonds to fund the Reserve Fund Requirement in whole or in part with a surety bond or insurance policy issued by an insurance company or other entity that is rated either for the long term unsecured debt of the issuer of such surety bond or for obligations insured, secured or guaranteed by such issuer have a rating in the highest letter category by two major municipal securities rating or evaluation services, and money deposited to the credit of the Reserve Fund may be used to make any payments required to satisfy the City's repayment obligation to the issuer of such surety bond or insurance policy in the same manner and with like effect as if such payments were being used to accumulate, maintain or restore the Reserve Fund Requirement in cash or with authorized investments.

(c) Note Payment Fund. In addition to the foregoing deposits, in order to provide for the payment of and security for any Subordinate Lien Obligations there shall be deposited to the Note Payment Fund amounts sufficient to pay when due the principal of and interest on the Subordinate Lien Obligations.

Such investments (except State and Local Government Series investments held in book entry form, which shall at all times be valued at cost) shall be valued in terms of current market value within 45 days of the close of each Fiscal Year and, with respect to investments held for the account of the Reserve Fund, within 30 days of the date of passage of

each ordinance authorizing the issuance of Additional Bonds. All interest and income derived from deposits and investments in the Interest and Sinking Fund immediately shall be credited to, and any losses debited to, the Interest and Sinking Fund. All interest and interest income derived from deposits in and investments of the Reserve Fund shall, subject to the limitations provided in Section 8.02(b) hereof, be credited to and deposited in the Revenue Fund. (i) the City is not then in default as to any covenant, condition or obligation prescribed by an ordinance authorizing the issuance of any bonds payable from and secured by a first lien on and pledge of the Net Revenues;

(ii) the Additional Bonds are made to mature on March 1 or September 1 in each of the years in which they are scheduled to mature;

(iii) the City has secured a certificate or opinion of a Certified Public Accountant to the effect that, according to the books and records of the City, the Net Revenues for the last completed Fiscal Year, or for 12 consecutive months out of the 15 months, immediately preceding the date of issuance of the Additional Bonds (the date of issuance being the date of delivery of all or a portion of the Additional Bonds to the initial purchasers) are at least equal to 1.25 times the Average Annual Debt Service for all Outstanding Bonds Similarly Secured after giving effect to the issuance of the Additional Bonds then being issued. In making a determination of the Net Revenues, the Accountant may take into consideration a change in the charges for services afforded by the System that became effective at least sixty (60) days prior to the last day of the period for which Revenues are determined and, for purposes of satisfying the above Revenues test, make a pro forma determination of the Net Revenues of the System for the period of time covered by his certification or opinion based on such change in charges being in effect for the entire period covered by the certificate or opinion of the Accountant.

(iv) the Reserve Fund Requirement shall be increased as necessary and any such additional amount shall be accumulated in equal monthly installments during a period not to exceed sixty (60) months.

(b) Refunding Bonds. The City reserves the right to issue refunding bonds to refund all or any part of the Bonds Similarly Secured (pursuant to any law then available) upon such terms and conditions as the City Council of the City may deem to be in the best interest of the City and its inhabitants, and if less than all such Bonds Similarly Secured then Outstanding are refunded, the conditions precedent prescribed (for the issuance of Additional Bonds) set forth in subparagraph (a)(iii) of this Section shall be satisfied and the certificate of the Accountant required in subparagraph (a)(iii) shall give effect to the Debt Service requirements of the proposed refunding bonds (and shall not give effect to the Debt Service requirements of the Bonds Similarly Secured being refunded following their cancellation or provision being made for their payment).

(c) Obligations of Inferior Lien and Pledge. The City hereby reserves the right to issue obligations payable from and secured by a lien on and pledge of the Net Revenues of the System, junior and subordinate in rank and dignity to the lien and pledge securing the payment of the Bonds Similarly Secured, as may be authorized by the laws of the State of Texas.

(d) Maintain and Operate System Efficiently. The City and the Board hereby covenant, respectively, that they will maintain and operate the System with all possible efficiency, in good working order and at a reasonable cost while any of the Bonds remain Outstanding and faithfully and punctually perform all duties with reference to the System required by the Constitution and laws of the State.

(e) Rate Covenant. The Board hereby covenants that it will establish and maintain rates for services supplied by the System which shall produce or yield Net Revenues equal to 1.25 times the Average Annual Debt Service requirements of all Bonds Similarly Secured.

(f) Debt Service Coverage Ratio. The Board hereby covenants that each Fiscal Year while the Bonds are Outstanding, it will operate the System in a manner that results in the Net

Revenues equaling 1.25 times the Average Annual Debt Service requirements of all Bonds Similarly Secured.

(g) Charges for Water and Sewer and Drainage Service. The City and the Board hereby covenant that charges for drainage services will be made jointly with charges made for the sale of water and sewer services. Such charges shall be required to be paid by the customer at the same time.

(h) Enforcement. To exercise and pursue with due diligence available remedies provided by law for the collection of delinquent drainage charges, including the power under Section 552.050 of the Act to discontinue all utility services, particularly water and sewer services provided by the City to a user of benefited property who is delinquent in the payment of drainage charges.

(i) Nonimpairment of Lien. The City and the Board hereby covenant, respectively, to take no action or omit to take any action, or suffer to be done or omitted to be done, any matter or thing whatsoever whereby the lien of the Bonds Similarly Secured on the Net Revenues of the System might or could be lost or impaired, and that the Board will pay or cause to be paid, or will make adequate provision for the satisfaction and discharge of all lawful claims and demands for labor, materials, supplies, or other objects which, if unpaid, might by law be given precedence to, or an equality with the Bonds Similarly Secured as a lien or charge upon the revenues of the System or any part thereof; provided that nothing in this subsection (i) shall be construed to require the Board to pay, discharge or make provision for any such lien, charge, claim or demand so long as the validity thereof shall be by it in good faith contested.

(j) No Sale or Encumbrance of System. The City and the Board hereby covenant, respectively, that they will not in any manner dispose of the System or any substantial part thereof, including any and all extensions and additions that may be made thereto, until the Bonds Similarly Secured shall have been paid in full as to both principal and interest; provided, however, that this covenant shall not be construed to prevent the disposal by the City of property, which in the Board's judgment has become inexpedient to use in connection with the System, when other property of equal value is substituted therefor or when the proceeds of such disposition of such property are placed in the Interest and Sinking Fund, in addition to all other amounts required to be placed in the Interest and Sinking Fund in the current fiscal year, and are used for the retirement of Bonds Similarly Secured in advance of their respective maturities.

(k) No Competing Systems. The City hereby covenants that it will not grant a franchise for the operation of any competing drainage system in the City until all Bonds Similarly Secured have been paid in full with respect to principal and interest.

(l) No Free Service. The Board hereby covenants that it will not permit free drainage to be supplied to the City or to any other user (other than those persons exempt under the Act and/or applicable law) and the City hereby agrees that it will pay from its general fund the reasonable value of all drainage services obtained from the System by the City and all departments and agencies thereof.

Section 10.04 Payment of Bonds. While any of the Bonds are Outstanding, the Chief Financial Officer of EPWU shall cause to be transferred to the Paying Agent/Registrar therefor, from funds on deposit in the Interest and Sinking Fund, and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly as each installment of principal of the Bonds accrues or matures; such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds at the close of the business day next preceding the date of payment for the Bonds.

ARTICLE 11

COVENANTS TO MAINTAIN TAX EXEMPT STATUS

Section 11.01 Covenants to Maintain Tax Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

“Closing Date” means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

“Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which, if made or omitted, respectively, would cause interest on any Bond issued hereunder to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last stated maturity of the Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take or pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final stated maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchaser and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Interest and Sinking Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be

accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148 3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the stated maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the City Manager, the President/Chief Executive Officer of EPWU, the Vice President of Strategic, Financial and Management Services of EPWU and/or the Chief Financial Officer of EPWU, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

Section 11.02 Continuing Obligation. Notwithstanding any other provision of this Ordinance, the City's obligations under the covenants and provisions of this Article 11 shall survive the defeasance and discharge of the Bonds.

ARTICLE 12

DEFAULT AND REMEDIES

Section 12.01 Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Interest and Sinking Fund or the Reserve Fund as required by the Ordinance, or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Ordinance, the Owner or Owners of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in the Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, nor shall such delay or omission be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

For the avoidance of doubt, for so long as the Purchaser is the Owner of the Bonds, the Purchaser may exercise all remedies available to it at law or in equity, and any provision of this

Ordinance or the Bonds that attempts to restrict or limit this right to exercise remedies shall be of no force or effect.

Section 12.02 Remedies Not Exclusive. No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

ARTICLE 13

DISCHARGE

Section 13.01 Discharge. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the pledge of Net Revenues of the System under this Ordinance and all covenants, agreements, and other obligations of the City to the Owners shall thereupon cease, terminate, and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations shall mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of such Bonds, or the principal amount(s) thereof, on and prior to the stated maturity thereof. In the event of a defeasance of the Bonds, the City shall deliver a certificate from its financial advisor, the Paying Agent/Registrar, an independent certified public accountant, or another qualified third party concerning the sufficiency of the deposit of cash and/or Government Obligations to pay, when due, the principal of and redemption premium, if any, on any defeased Bonds. The City covenants that no deposit of moneys or Government Obligations will be made under this Section and no use will be made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code or the regulations adopted pursuant thereto.

All moneys so deposited with the Paying Agent/Registrar or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section, which is not required for the payment of the Bonds, or any principal amount(s) thereof, with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City.

Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of the Bonds and remaining unclaimed for a period of three (3) years after the stated maturity of the Bonds such moneys were deposited and are held in trust to pay shall upon request of the City be remitted to the City against a written receipt therefor. The provisions of this paragraph are subject to the applicable unclaimed property law of the State of Texas.

The City reserves the right, subject to satisfying the requirements of (i) and (ii) above, to substitute other Government Obligations for the Government Obligations originally deposited, to reinvest the uninvested moneys on deposit for such defeasance and to withdraw for the benefit of the City moneys in excess of the amount required for such defeasance.

Upon such deposit as described above, such Bonds shall no longer be regarded to be outstanding or unpaid.

Section 15.04 Limitations, Disclaimers and Amendments.

(a) The City, acting through the Board, shall be obligated to observe and perform the covenants specified in this Article with respect to the City, the Board and the Bonds while, but only while, the City or the Board remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the City will cause the Board in any event to give notice required by Section 15.02 hereof of any Bond calls and defeasance that cause the City to be no longer such an “obligated person”.

(b) The provisions of this Section are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the City or the State of Texas or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE BOARD OR THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(e) Notwithstanding anything herein to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City or the Board, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. to account for all amounts deposited to the credit of the Construction Fund, including all loan funds extended by the TWDB, all other funds available from the Project as described in the project engineer's or fiscal representative's sufficiency of funds statement, and all interest earned by the City on money in the Construction Fund;

(f) the City shall use any loan proceeds evidenced by the Bonds that are determined to be "surplus funds" remaining after completion of the Project and completion of a final accounting, including any interest earned on the Bond proceeds, in a manner as approved by the Executive Administrator, including depositing such surplus funds into the Interest and Sinking Fund;

(g) for so long as the TWDB is the Owner of the Bonds, the TWDB may exercise all remedies available to it in law or equity, and any provision of the Bonds that restricts or limits the TWDB's full exercise of these remedies shall be of no force and effect, as provided in Section 12.01;

(h) loan proceeds evidenced by the Bonds shall not be used by the City when sampling, testing, removing, or disposing of contaminated soils and/or media at the Project site. The City agrees, to the extent permitted by law, to indemnify, hold harmless and protect the TWDB from any and all claims, causes of action or damages to the person or property of third parties arising from the sampling, analysis, transport, storage, treatment, recycling, and disposition of any contaminated sewage sludge, contaminated sediments and/or contaminated media that may be generated by the City, its contractors, consultants, agents, officials, and employees as a result of activities relating to the Project;

(i) the City shall abide by all applicable construction contract requirements related to the use of iron and steel products produced in the United States, as required by Subchapter G, Chapter 2252, as amended, Texas Government Code;

(j) the City shall not cause or permit the Bonds to be treated as "federally guaranteed" obligations within the meaning of Section 149(b) of the Code;

(k) the City shall not use proceeds of the Bonds to pay debt service on another issue of obligations of the City more than 90 days after the date of issue of the Bonds in contravention of the requirements of Section 149(d) of the Code (related to "advance refundings");

(l) the City shall submit outlay reports with sufficient supporting documentation on costs (e.g., invoices, receipts) on a quarterly basis in accordance with TWDB outlay report guidelines. The City understands that the Executive Administrator may withhold authorization to release funds from escrow based on the receipt of the quarterly status reports and the projected quarterly needs for the Project;

(m) as long as any Bonds or any interest thereon remain Outstanding, and except as provided in Section 10.03, the City will not encumber, pledge or otherwise impair its title to the land used by or for the System or any interests therein, including improvements and facilities of the System, without prior TWDB approval;

(n) prior to the Closing Date, the City shall execute the Escrow Agreement, approved as to form and substance by the Executive Administrator, and shall submit that executed Escrow

Agreement to the TWDB. The Escrow Agreement is authorized herein pursuant to Section 16.02 and attached hereto, in substantially final form, as **Exhibit C**; and

ARTICLE 17

MISCELLANEOUS

Section 17.01 Amendment to Ordinance.

(a) ***Amendments Without Consent.*** This Ordinance and the rights and obligations of the City and of the owners of the Bonds may be modified or amended at any time without notice to or the consent of any owner of the Bonds or any other Previously Issued Bonds, solely for any one or more of the following purposes:

(i) To add to the covenants and agreements of the City contained in this Ordinance, other covenants and agreements thereafter to be observed, or to surrender any right or power reserved to or conferred upon the City in this Ordinance;

(ii) To cure any ambiguity or inconsistency, or to cure or correct any defective provisions contained in this Ordinance, upon receipt by the City of an opinion of nationally recognized bond counsel, that the same is needed for such purpose, and will more clearly express the intent of this Ordinance;

(iii) To supplement the security for the Bonds, replace or provide additional credit facilities, or change the form of the Bonds or make such other changes in the provisions hereof as the City may deem necessary or desirable and which shall not, in the judgment of the City, materially adversely affect the interests of the owners of the outstanding Bonds;

(iv) To make any changes or amendments requested by any bond rating agency then rating or requested to rate Bonds Similarly Secured, as a condition to the issuance or maintenance of a rating, which changes or amendments do not, in the judgment of the City, materially adversely affect the interests of the owners of the outstanding Bonds Similarly Secured; or

(v) To make such other changes in the provisions hereof as the City may deem necessary or desirable and which shall not, in the judgment of the City, materially adversely affect the interests of the owners of outstanding Previously Issued Bonds.

Notice of any such amendment may be published by the City in the manner described in subsection (c) of this Section; provided, however, that the publication of such notice shall not constitute a condition precedent to the adoption of such amendatory resolution and the failure to publish such notice shall not adversely affect the implementation of such amendment as adopted pursuant to such amendatory resolution.

(b) ***Amendments With Consent.*** Subject to the other provisions of this Ordinance, the owners of outstanding Bonds aggregating a majority in outstanding principal amount shall have the right from time to time to approve any amendment, other than amendments described in subsection (a) of this Section, to this Ordinance which may be deemed necessary or desirable by the City; provided, however, that nothing herein contained shall permit or be construed to permit, without the approval of the owners of all of the outstanding Bonds, the amendment of the terms and conditions in this Ordinance or in the Bonds so as to:

(i) Make any change in the maturity of the outstanding Bonds;

(ii) Reduce the rate of interest borne by outstanding Bonds;

(iii) Reduce the amount of the principal payable on outstanding Bonds;

(iv) Modify the terms of payment of principal or interest on the outstanding Bonds, or impose any conditions with respect to such payment;

(v) Affect the rights of the owners of less than all Bonds then outstanding; or

(vi) Change the minimum percentage of the outstanding principal amount of Bonds necessary for consent to such amendment.

(c) **Notice.** If at any time the City shall desire to amend this Ordinance other than pursuant to subsection (a) of this Section, the City shall cause written notice of the proposed amendment to be given by certified mail to each registered owner of the Bonds affected at the address shown on the Register. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file with the City Clerk or Alternate City Clerk for inspection by all owners of Bonds.

(d) **Consent Irrevocable.** Any consent given by any owner of Bonds pursuant to the provisions of this Section shall be irrevocable for a period of eighteen (18) months from the date of mailing of the notice provided for in this Section, and shall be conclusive and binding upon all future owners of the same Bonds during such period. Such consent may be revoked at any time after eighteen (18) months from the date of mailing by the owner who gave such consent, or by a successor in title, by filing notice thereof with the Paying Agent/Registrar and the City, but such revocation shall not be effective if the owners of a majority in outstanding principal amount of Bonds, prior to the attempted revocation, consented to and approved the amendment.

(e) **Ownership.** For the purpose of this Section, the ownership and other matters relating to all Bonds registered as to ownership shall be determined from the registration books kept by the Paying Agent/Registrar therefor. The Paying Agent/Registrar may conclusively assume that such ownership continues until written notice to the contrary is served upon the Paying Agent/Registrar.

Section 17.02 Further Procedures. The Mayor, Mayor Pro Tem, the City Clerk, the Alternate City Clerk, the City Manager of the City, the President/Chief Executive Officer of EPWU, the Vice President of Strategic, Financial and Management Services of EPWU, and/or the Chief Financial Officer of EPWU and all other officers, employees and agents of the City, and each of them, shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the seal of the City and on behalf of the City all agreements, instruments, or such other documents, whether mentioned herein or not, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the initial sale and delivery of the Bonds, and the Paying Agent/Registrar Agreement. In addition, prior to the initial delivery of the Bonds, the Mayor, Mayor Pro Tem, the City Clerk, the Alternate City Clerk, the City Manager of the City, the President/Chief Executive Officer of EPWU, the Vice President of Strategic, Financial and Management Services of EPWU or the Chief Financial Officer of EPWU and the City's Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Ordinance or to any of the instruments authorized and approved by this Ordinance: (i) in order to cure any technical ambiguity, formal defect, or omission in the Ordinance or such other document; or (ii) as requested by the Attorney General or his representative to obtain the approval of the Bonds by the Attorney General and if such officer or counsel determines that such ministerial changes are consistent with the intent and purpose of the Ordinance, which determination shall be final. In the event that any officer of the City whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

Additionally, the Mayor, Mayor Pro Tem, the City Clerk, the Alternate City Clerk, the City Manager of the City, or the Chief Financial Officer of the City may execute, authenticate, certify, or endorse or authorize to be executed, authenticated, certified, or endorsed with such officer's facsimile signature instead of the officer's manual signature any written agreement, including a contract, purchase order or surety bond, and any related document, including an application, certificate, or approval. For purposes of this Ordinance, "facsimile signature" means a reproduction of the manual signature of an authorized officer that is made by any method.

Section 17.03 No Municipal Bond Insurance. The Bonds shall be sold without municipal bond insurance.

Section 17.04 Inconsistent Provisions. All ordinances, orders or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters contained herein.

Section 17.05 Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 17.06 Effectiveness. This Ordinance shall take effect and be in force from and after its passage and approval.

ARTICLE THREE PAYING AGENT

Section 3.01 Duties of Paying Agent. As Paying Agent, the Bank shall pay, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, on behalf of the Issuer the principal of each Security at its Stated Maturity, Redemption Date or Acceleration Date, to the Holder upon surrender of the Security to the Bank at the following address:

Zions Bancorporation, National Association
One South Main Street, 12th Floor
Salt Lake City, UT 84133

As Paying Agent, the Bank shall, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, pay on behalf of the Issuer the interest on each Security when due, by computing the amount of interest to be paid each Holder and making payment thereof to the Holders of the Securities (or their Predecessor Securities) on the Record Date (as defined in the Authorizing Document). All payments of principal and/or interest on the Securities to the registered owners shall be accomplished (1) by the issuance of checks, payable to the registered owners, drawn on the paying agent account provided in Section 5.05 hereof, sent by United States mail, first class postage prepaid, to the address appearing on the Security Register or (2) by such other method, acceptable to the Bank, requested in writing by the Holder at the Holder’s risk and expense.

Section 3.02 Payment Dates. The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

ARTICLE FOUR REGISTRAR

Section 4.01 Security Register - Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office books and records (herein sometimes referred to as the “Security Register”) for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be reasonably required by the Issuer and subject to such reasonable

regulations as the Issuer and the Bank may prescribe. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the Financial Industry Regulatory Authority, such written instrument to be in a form satisfactory to the Bank and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02 Securities. The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03 Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04 List of Security Holders. The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register.

Section 4.05 Return of Cancelled Securities. The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities. The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed, lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, destroyed, lost or stolen.

Section 4.07 Transaction Information to Issuer. The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

ARTICLE FIVE THE BANK

Section 5.01 Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

Section 5.02 Reliance on Documents, Etc.

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality

of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by the Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

(g) The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, Issuer's financial advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.03 Recitals of Issuer. The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04 May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization. A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

This Agreement relates solely to money deposited for the purposes described herein, and the parties agree that the Bank may serve as depository for other funds of the Issuer, act as trustee under indentures authorizing other bond transactions of the Issuer, or act in any other capacity not in conflict with its duties hereunder.

Section 5.06 Indemnification. To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.07 Interpleader. The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the state and county where the administrative office of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

Section 5.08 DTC Services. It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for “Depository Trust Company” services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the “Operational Arrangements”, which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

Section 6.07 Merger, Conversion, Consolidation, or Succession. Any corporation or association into which the Bank may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion, or consolidation to which the Bank shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Bank shall be the successor of the Bank as Paying Agent under this Agreement without the execution or filing of any paper or any further act on the part of either parties hereto.

However, if the Issuer fails to appoint a successor Paying Agent/Registrar within a reasonable time, the Bank may petition a court of competent jurisdiction within the State of Texas to appoint a successor. Furthermore, the Bank and the Issuer mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay or otherwise adversely affect the payment of the Securities.

Upon an early termination of this Agreement, the Bank agrees to promptly transfer and deliver the Security Register (or a copy thereof), together with the other pertinent books and records relating to the Securities, to the successor Paying Agent/Registrar designated and appointed by the Issuer.

ESCROW AGREEMENT

THIS ESCROW AGREEMENT (the “Agreement”), made by and between the City of El Paso, a political subdivision of the State of Texas in El Paso County, Texas (the “City”) and Zions Bancorporation, National Association, Amegy Bank Division, a national banking association organized and existing under the laws of the United States of America, as Escrow Agent (the “Escrow Agent”), together with any successor in such capacity:

W I T N E S S E T H:

WHEREAS, the Public Service Board (the “Board”), acting on behalf of the City, filed an application seeking financial assistance in the amount of \$14,600,000 from the Flood Infrastructure Fund in accordance with Subchapter I, Chapter 15, Texas Water Code to finance certain stormwater drainage improvements, identified as Project No. 40182 (the “Project”); and

WHEREAS, the Texas Water Development Board (“TWDB”) adopted a resolution approving a commitment to the Board, acting on behalf of the City, for financial assistance in form of the proposed purchase of \$9,490,000 of “City of El Paso, Texas, Municipal Drainage Utility System Revenue Bonds, Series 2022,” and a grant of \$5,110,000; and

WHEREAS, pursuant to a Resolution adopted by the Board on March 9, 2022, the Board, acting on behalf of the City, authorized the execution of a Grant Agreement (the “Grant Agreement”) in the amount of \$5,110,000 (the “Grant”) to obtain financial assistance from the TWDB for the Project; and

WHEREAS, pursuant to an Ordinance (the “Ordinance”) adopted on March 29, 2022, the City authorized the issuance of \$9,490,000 City of El Paso, Texas, Municipal Drainage Utility System Revenue Bonds, Series 2022, dated March 15, 2022 (the “Bonds”) to the TWDB for the purpose of additional funding for the Project; the Bonds and the City’s contractual obligations in the Grant Agreement are collectively referred to herein as the “Obligations”; and

WHEREAS, the Escrow Agent is a state or national bank designated by the Texas Comptroller as a state depository institution in accordance with Texas Government Code, Chapter 404, Subchapter C, or is a designated custodian of collateral in accordance with Texas Government Code, Chapter 404, Subchapter D and is otherwise qualified and empowered to enter into this Agreement, and hereby acknowledges its acceptance of the terms and provisions hereof; and

WHEREAS, a condition of the Obligations is the deposit of the proceeds of the Obligations (the “Proceeds”) in escrow subject to being withdrawn only with the approval of the Executive Administrator or another designated representative; provided, however, the Proceeds can be transferred to different investments so long as all parties hereto consent to such transfer;

NOW, THEREFORE, in consideration of the mutual agreements herein contained and in consideration of the amount of fees to be paid by the City to the Escrow Agent, as set forth on

EXHIBIT A, the receipt of which is hereby acknowledged, and in order to secure the delivery of the Obligations, the parties hereto mutually undertake, promise and agree for themselves, their respective representatives and successors, as follows:

SECTION 1: ESCROW ACCOUNTS. Upon the delivery of the Obligations described above, the Proceeds identified under TWDB Commitment Numbers L1001473 and G1001474 shall be deposited to the credit of a special escrow fund, and within such fund, two separate escrow subaccounts (collectively, the “Escrow Accounts”) maintained at the Escrow Agent on behalf of the City and the TWDB. Funds in the Escrow Accounts shall not be commingled with any other accounts or with any other proceeds or funds. The Proceeds received by the Escrow Agent under this Agreement shall not be considered as a banking deposit by the City, and the Escrow Agent shall have no right to title with respect thereto except as Escrow Agent under the terms of this Agreement.

The Escrow Accounts shall be entitled “City of El Paso, Texas, Municipal Drainage Utility System Revenue Bonds, Series 2022, Texas Water Development Board Commitment Number L1001473 Escrow subaccount,” which shall contain Proceeds from the Bonds and “City of El Paso, Texas, Financial Assistance, Texas Water Development Board Commitment Number G1001474 Escrow subaccount,” which shall contain the proceeds from the Grant. The Escrow Accounts shall not be subject to warrants, drafts or checks drawn by the City but shall be disbursed or withdrawn to pay the costs of the Project for which the Obligations were issued or other purposes in accordance with the Ordinance and solely upon written authorization from the Executive Administrator or his/her designated representative. The Escrow Agent shall provide to the City and to the TWDB the Escrow Accounts bank statements upon request.

SECTION 2: COLLATERAL. All cash deposited to the credit of such Escrow Accounts and any accrued interest in excess of the amounts insured by the FDIC and remaining uninvested under the terms of this Agreement shall be continuously secured by a valid pledge of direct obligations of the United States of America or other collateral meeting the requirements of the Public Funds Collateral Act, Texas Government Code, Chapter 2257.

SECTION 3: INVESTMENTS. While the Proceeds are held in escrow, the Escrow Agent shall only invest escrowed Proceeds in investments that are authorized by the Public Funds Investment Act, Texas Government Code, Chapter 2256 (“PFIA”). It is the City’s responsibility to direct the Escrow Agent to invest all public funds in a manner that is consistent not only with the PFIA but also with its own written investment policy.

SECTION 4: DISBURSEMENTS. The Escrow Agent shall not honor any disbursement from the Escrow Accounts, or any portion thereof, unless and until it has been supplied with written approval and consent by the Executive Administrator or his/her designated representative. However, no written approval and consent by the Executive Administrator shall be required if the disbursement involves transferring Proceeds from one investment to another within the Escrow Accounts provided that all such investments are consistent with the PFIA requirements.

SECTION 5: UNEXPENDED FUNDS. Any Proceeds remaining unexpended in the Escrow Accounts after completion of the Project and after the final accounting has been submitted to and approved by the TWDB shall be disposed of pursuant to the provisions of the Ordinance. The City shall deliver a copy of such TWDB approval of the final accounting to the Escrow Agent together with instructions concerning the disbursement of unexpended Proceeds hereunder. The Escrow Agent shall have no obligation to ensure that such unexpended Proceeds are used as required by the provisions of the Ordinance, that being the sole obligation of the City.

SECTION 6: CERTIFICATIONS. The Escrow Agent shall be authorized to accept and rely upon the certifications and documents furnished to the Escrow Agent by the City and shall not be liable for the payment of any funds made in reliance in good faith upon such certifications or other documents or approvals, as herein recited.

SECTION 7: LIABILITY OF ESCROW AGENT. To the extent permitted by law, the Escrow Agent shall not be liable for any act done or step taken or omitted by it or any mistake of fact or law, except for its negligence or default or failure in the performance of any obligation imposed upon it hereunder. The Escrow Agent shall not be responsible in any manner for any proceedings in connection with the Obligations or any recitation contained in the Obligations.

SECTION 8: RECORDS. The Escrow Agent will keep complete and correct books of record and account relating to the receipts, disbursements, allocations and application of the money deposited to the Escrow Account, and investments of the Escrow Account and all proceeds thereof. The records shall be available for inspection and copying at reasonable hours and under reasonable conditions by the City and the TWDB.

SECTION 9: MERGER/CONSOLIDATION. In the event that the Escrow Agent merges or consolidates with another bank or sells or transfers substantially all of its assets or corporate trust business, then the successor bank shall be the successor Escrow Agent without the necessity of further action as long as the successor bank is a state or national bank designated by the Texas Comptroller as a state depository institution in accordance with Texas Government Code, Chapter 404, Subchapter C, or is a designated custodian of collateral in accordance with Texas Government Code Chapter 404, Subchapter D. The Escrow Agent must provide the TWDB with written notification within 30 days of acceptance of the merger, consolidation, or transfer. If the merger, consolidation or other transfer has occurred between state banks, the newly-created entity shall forward the certificate of merger or exchange issued by the Texas Department of Banking as well as the statement filed with the pertinent chartering authority, if applicable, to the TWDB within five business days following such merger, consolidation or exchange.

SECTION 10: AMENDMENTS. This Agreement may be amended from time to time as necessary with the written consent of the City and the TWDB, but no such amendments shall increase the liabilities or responsibilities or diminish the rights of the Escrow Agent without its consent.

SECTION 11: TERMINATION. In the event that this Agreement is terminated by either the City or by the Escrow Agent, the Escrow Agent must report said termination in writing to the

TWDB within five business days of such termination. The City is responsible for ensuring that the following criteria are satisfied in selecting the successor escrow agent and notifying the TWDB of the change in escrow agents: (a) the successor escrow agent must be an FDIC-insured state or national bank designated by the Texas Comptroller as a state depository; (b) the successor escrow agent must be retained prior to or at the time of the termination; (c) an escrow agreement must be executed by and between the City and the successor escrow agent and must contain the same or substantially similar terms and conditions as are present in this Agreement; and (d) the City must forward a copy of the executed escrow agreement with the successor escrow agent within five business days of said termination. No funds shall be released by the TWDB until it has received, reviewed and approved the escrow agreement with the successor escrow agent. If the City has not appointed a successor escrow agent within thirty (30) days of the notice of termination, the Escrow Agent may petition any court of competent jurisdiction in Texas for the appointment of a successor escrow agent or for other appropriate relief, and any such resulting appointment shall be binding upon the City. Whether appointed by the City or a court, the successor escrow agent and escrow agreement must be approved by the TWDB for the appointment to be effective. The Escrow Agent is responsible for performance under this Agreement until a successor has been approved by the TWDB and has signed an acceptable escrow agreement.

SECTION 12: EXPIRATION. This Agreement shall expire upon final transfer of the funds in the Escrow Accounts to the City.

SECTION 14: CHOICE OF LAW. This Agreement shall be governed exclusively by the applicable laws of the State of Texas. Venue for disputes shall be in the District Court of Travis County, Texas.

SECTION 15: ASSIGNABILITY. This Agreement shall not be assignable by the parties hereto, in whole or in part, and any attempted assignment shall be void and of no force and effect.

SECTION 16: ENTIRE AGREEMENT. This Agreement evidences the entire Escrow Agreement between the Escrow Agent and the City and supersedes any other agreements, whether oral or written, between the parties regarding the Proceeds or the Escrow Accounts. No modification or amendment of this Agreement shall be valid unless the same is in writing and is signed by the City and consented to by the Escrow Agent and the TWDB.

SECTION 17: VALIDITY OF PROVISIONS. If any term, covenant, condition or provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

SECTION 18: COMPENSATION FOR ESCROW SERVICES. The Escrow Agent shall be entitled to compensation for its services as stated in Exhibit A, which compensation shall be paid by the City but may not be paid directly from the Escrow Accounts; provided, however, notwithstanding anything herein or in Exhibit A to the contrary, the aggregate value of this Agreement shall not exceed the dollar limitation set forth in Section 2271.002(a)(2) of the Texas Government Code or Section 2274.002(a)(2) of the Texas Government Code.

SECTION 19: COMPLIANCE WITH S.B. 252, 85TH TEXAS LEGISLATURE.
