Speed Cushions

Richard Bristol, Director, Streets and Maintenance
January 5, 2021

Purpose of Procurement

- Purchase speed cushions and installation materials
- Speed Cushions are used as a traffic calming measure in City neighborhoods
- Requests for speed cushion installations are managed and maintained as part of the Neighborhood Traffic Management Program (NTMP)
- Installations occur after performing traffic studies and evaluating public input then staff makes a final decision on the type of traffic measure to be taken
