

To whom it may concern:

My name is Marialeaa Sarmiento and I'm a member at Happiness Senior Center. Yesterday 12-28-23 as I was walking out of center with 2 other ladies, I heard a comment loud enough to be heard, which was obviously meant towards one of the ladies with me. The person who made the comment and the lady walking out with me, had an incident a couple of months ago, which resulted on the person being suspended from center. There had been doubt on my mind about what she had been accused of, but now with this incident, I believe that she is capable of that and maybe more. On 3 different times this same person has made unnecessary comments to me as well, but I have just ignored and not reported her. I believe that being the centers elected Queen, she should have integrity, instead of causing problems.
