MUNI EXPO 2022 International municipal innovation conference Tel Aviv - 6-8 December 2022

MUNI EXPO is a part of MUNI EXPO 2022 International Municipal Innovation Conference, Israel's annual event, held by the Federation of Local Authorities in Israel (FLAI). Attended by 1000 senior directors and managers of 200 local authorities in Israel, the Expo provides a platform for collaborations formed during the event to impact millions of citizens' daily lives directly.

Our invitation to MUNI EXPO 2022 participants are granted full access to all the events of MUNI EXPO 2022 and will enjoy exclusive tours at the fair and special networking events.

Held in partnership with the city of Jerusalem

MUNI EXPO 2022 will be held in collaboration with The City of Jerusalem. This year we are delighted to feature a program introducing you to the urban kioskscope in Israel's Capital.

Mr. Moshe Lion, Jerusalem's Mayor, will host a reception and a formal dinner for the participants that will enjoy a program featuring special excursions in the city, networking with its municipal, business, and community leaders.

Registration and participation fees

The registration and participation fees for MUNI WORLD attendees are 200 USD and include:

- Participation in all MUNI WORLD events and excursions
- The Jerusalem Mayor's reception and formal dinner
- MUNI EXPO 2022 Gala Dinner
- MUNI WORLD 2022 Luncheon

An island of stability amid global crisis

Amid a global, multidisciplinary crisis, people all over the globe turned to their Municipal leaders for stability, continuity, and communal resilience.

Whether it is COVID-19, the economic crisis, and the effects of the war in Ukraine and its effects on the global energy supply, Municipalities all over the world have been demonstrating leadership, accountability, and innovation for tackling challenges and leading sustainable urban development.

MUNI WORLD 2022 will serve as a platform for sharing your vision, methodologies, and best practices for promoting municipal and global sustainability, resilience, and innovation that will serve cities, communities, and residents.

MUNI WORLD will explore the following issues:

- Municipal leadership and accountability as a factor for national stability
- Innovative practices for mobilizing global sustainability
- Municipal Governance: Diversity, inclusion, accessibility, and care for all
- Promoting diversity and inclusion for people and communities
- Cyber & security

Israel - a global smart city innovation center

Israel is one of the leading global epicenters for innovation groundbreaking technological solutions, and entrepreneurship.

The nation's innovation spirit characterizes all sectors: governmental, municipal, and business alike and enables the promotion of cross-sectoral initiatives implemented in Israel and abroad. MUNI EXPO 2022 has become an arena where local leaders, innovators, and entrepreneurs can plant the seeds for ongoing cooperation to enhance urban life worldwide.
