DESCRIPTION OF REQUEST: The applicant is requesting to rezone the subject property from R-5/c (Residential/conditions) to C-2/c (Commercial/conditions) and R-5/sp (Residential/special permit) to C-2 (Commercial) for commercial development. The property consists of 48.71 acres. Although the arroyo is part of the rezoning request, the arroyo areas will remain undeveloped. The subject property is located in the Hillside Development Area. This rezoning request is to satisfy Condition No. 4 of Ordinance No. 19286.

PREVIOUS CASE HISTORY: On April 20, 1982, City Council made a motion to approve the Special Permit No. 81-18 to allow for the borrow pit (see Attachment no. 5). The existing special permit designation will be repealed once the new rezoning designation request is approved.

Ordinance No. 16948 approved by City Council on July 29, 2008, rezoned portions of the subject property into C-3 (Commercial), R-5/sp (Residential/special permit), and R-MU (Residential Mixed Use). Additionally, a Master Zoning Plan was approved for the R-MU (Residential Mixed Use) properties and conditions were imposed for the C-3 (Commercial) zoned properties (see Attachment no. 6). The conditions are the following:

- *A detailed site development plan shall be reviewed approved per the El Paso City Code prior to the issuance of building permits.*
- *A ten (10) foot landscaped buffer be placed abutting all residential uses.*

Additionally, the Enchanted Hills Land Study (SUB08-00038) was approved by City Plan Commission on June 5, 2008. The approved Land Study proposed to develop the area into multiple commercial and residential developments with a portion of subject property not having been part of the study.

Ordinance No. 19286 approved by City Council on February 1, 2022, rezoned portions of the subject property into three (3) different zoning districts: Parcel 1 – from R-MU (Residential Mixed Use) to R-5 (Residential) for proposed residential development; Parcel 2 - from R-3 (Residential), R-5 (Residential), and R-MU (Residential Mixed Use) to C-2 (Commercial) for proposed commercial development; and Parcel 3 - from R-3 (Residential) to C-3 (Commercial) for proposed commercial development (see Attachment no. 7). The conditions are the following:

1. *On Parcel 2, a ten-foot (10') landscaped buffer with high-profile native or naturalized trees of at least two-inch (2") caliper and ten feet (10') in height shall be placed at fifteen feet (15') on center along the property lines adjacent to residential zone districts or uses. The landscaped buffer shall be irrigated and maintained by the property owner at all times and shall be installed prior to the issuance of any certificates of occupancy.*
2. *That a detailed site development plan shall be reviewed and approved per the El Paso City Code prior to the issuance of building permits for Parcel 2.*
3. *That a detailed site development plan shall be reviewed and approved per the El Paso City Code prior to the issuance of building permits for Parcel 3.*
4. *That prior to the issuance of certificates of occupancy for Parcel 1, 2, and 3, the rezonings for the properties identified as "future commercial" on Exhibit B be submitted and processed by the City.*

Note: Condition No. 4 is being satisfied by this rezoning request.

COMPATIBILITY WITH NEIGHBORHOOD CHARACTER: The subject property is proposed to be developed into residential and commercial developments. Surrounding properties are undeveloped with abutting properties to the north and east zoned R-5 (Residential). Properties to the south are zoned R-5 (Residential) and C-2 (Commercial) along I-10. Properties to the west are zoned C-3 (Commercial). Proposed commercial developments will have access to the existing and proposed extension of Northwestern Drive and Resler Drive, which are designated and proposed to continue as a collector and major arterial, respectively as per El Paso's Major Thoroughfare Plan (MTP). Also, proposed commercial developments will have access to the proposed Hunter Foster Drive, which is designated as a collector as per El Paso's MTP. The classification of these roads are appropriate for the proposed developments.

COMPLIANCE WITH PLAN EL PASO/REZONING POLICY – When evaluating whether a proposed rezoning is in accordance with <i>Plan El Paso</i>, consider the following factors:	
Criteria	Does the Request Comply?
<p>Future Land Use Map: Proposed zone change is compatible with the Future Land Use designation for the property:</p> <p>G-4, Suburban (Walkable): This sector applies to modern single-use residential subdivisions and office parks, large schools and parks, and suburban shopping centers. This sector is generally stable but would benefit from strategic suburban retrofits to supplement the limited housing stock and add missing civic and commercial uses.</p>	<p>Yes. The subject property is proposed to be developed into residential and commercial developments, which are in character with the future land use designation of <i>Plan El Paso</i>.</p>
<p>Compatibility with Surroundings: The proposed zoning district is compatible with those surrounding the site:</p> <p>C-2 (Commercial): The purpose of these districts is to accommodate establishments providing goods or rendering services which are used in support of the community's trade and service establishments and serving multi-neighborhoods within a planning area of the city. The regulations of the districts will permit intensities designed to be compatible with each other and to provide for a wide range of types of commercial activity, including light automobile related uses.</p>	<p>Yes. The proposed C-2 (Commercial) zoning district is the same as the adjacent zoning district to the southwest. The proposed C-2 (Commercial) zoning district will be adjacent to C-3 (Commercial) to the west and be of lower intensity as it will abut residential. The proposed commercial developments have the potential to provide goods and render services to the nearby area and in character with the spirit of the R-5 (Residential) and C-2 (Commercial) zone districts.</p>
<p>Preferred Development Locations: Located along an arterial (or greater street classification) or the intersection of two collectors (or greater street classification). The site for proposed rezoning is not located mid-block, resulting in it being the only property on the block with an alternative zoning district, density, use and/or land use.</p>	<p>Yes. Proposed commercial developments will have access to the existing and proposed extension of Northwestern Drive and Resler Drive, which are designated and proposed to continue as a collector and major arterial, respectively as per El Paso's MTP. Also, proposed commercial developments will have access to the proposed Hunter Foster Drive, which is designated as a collector as per El Paso's MTP. The classification of these roads are appropriate for the proposed developments.</p>
THE PROPOSED ZONING DISTRICT'S EFFECT ON THE PROPERTY AND SURROUNDING PROPERTY, AFTER EVALUATING THE FOLLOWING FACTORS:	
<p>Historic District or Special Designations & Study Area Plans: Any historic district or other special designations that may be applicable. Any adopted small areas plans, including land-use maps in those plans.</p>	<p>The property lies within the Hillside Development Area. The Open Space Advisory Board (OSAB) recommendation is pending with the hearing scheduled for May 11, 2022.</p>
<p>Potential Adverse Effects: Potential adverse effects that might be caused by approval or denial of the requested rezoning.</p>	<p>No adverse effects are anticipated by the rezoning of the subject property.</p>
<p>Natural Environment: Anticipated effects on the natural environment.</p>	<p>The subject property lies within the Hillside Development Area. There are no anticipated effects on the natural environment. Furthermore, the Open Space Advisory Board (OSAB) meeting is scheduled for May 11, 2022 for the board's recommendation.</p>
<p>Stability: Whether the area is stable or in transition.</p>	<p>The area is in transition as is currently under development. It is expected to be developed into a residential and commercial subdivisions along Northwestern Drive and as commercial developments along Interstate 10.</p>

COMPLIANCE WITH *PLAN EL PASO*/REZONING POLICY – When evaluating whether a proposed rezoning is in accordance with *Plan El Paso*, consider the following factors:

Socioeconomic & Physical Conditions: Any changed social, economic, or physical conditions that make the existing zoning no longer suitable for the property.	None.
---	-------

ADEQUACY OF PUBLIC FACILITIES, SERVICES AND INFRASTRUCTURE: Proposed commercial developments will have access to the existing and proposed extension of Northwestern Drive and Resler Drive, which are designated and proposed to continue as a collector and major arterial, respectively as per El Paso’s MTP. Also, proposed commercial developments will have access to the proposed Hunter Foster Drive, which is designated as a collector as per El Paso’s MTP. The classification of these roads are appropriate for the proposed developments. Additionally, the subject property will need to provide adequate infrastructure at the time of platting and prior to development.

SUMMARY OF DEPARTMENTAL REVIEW COMMENTS: No adverse comments from reviewing departments.

PUBLIC COMMENT: The property does not lie within any neighborhood associations. As required, public notices were mailed to property owners within 300 feet on April 21, 2022. As of April 28, 2022, the Planning Division did not receive any communication in support or opposition to the request from the public.
