Rudy Cavazos-Cavasier

Professional Summary

Project Manager and 25-year U.S. Army veteran specializing in Engineering Management and U.S. Government sector Business Development. Documented success in supervising multi-million dollar construction assets, optimizing operational efficiencies, and leading strategic planning for large-scale infrastructure projects. Adept at navigating complex local and federal government inter-agency coordination.

Core Competencies

- **Project & Portfolio Management:** Directed \$500M+ in construction assets and engineering solutions.
- **Strategic Planning:** Orchestrated long-range future year development and construction budgets.
- **Risk & Quality Control:** Executed contract representative duties and enforced strict fiscal controls.
- **Leadership:** Mentored and developed staff for organizations with up to 10,500 personnel.

Professional Experience

HJZ Electric | El Paso, TX

Electrician's Apprentice | 2023-Present

- Supports residential and commercial electrical projects through hands-on installation and maintenance under the direction of a Master Electrician.
- Ensures strict adherence to National Electrical Code (NEC) standards and site safety protocols.
- Gains practical, technical insights into local infrastructure and building requirements, complementing a career-long background in engineering oversight.

City of El Paso, Office of Emergency Management | El Paso, TX

Associate | 2023-2023

- Applied military operations knowledge to two OEM activations, streamlining emergency operations and reporting procedures.
- Co-led the collaborative development of the emergency management strategic plan to align with city business goals.

U.S. Army, Joint Task Force North | El Paso, TX

Project Manager and Strategic Planner | 2018 – 2023

- Collaborated with Customs and Border Protection (CBP) and Office of Field Operations (OFO) to author and manage budget plans for infrastructure projects across the entire U.S. Southern Border.
- Developed engineering planning products and contract options, successfully attracting 15% new clients.
- Conducted detailed security risk research to optimize placement of engineering assets and reduce project redundancy.

U.S. Army, 7th Special Forces Group | Destin, FL

Engineering Advisor and Project Manager | 2016 – 2018

- Delivered monthly engineering progress reports to executive-suite decision makers to drive improvements for the U.S. House Committee on Armed Services (HASC).
- Conducted in-depth engineering project analysis and development in Honduras and Panama to facilitate future coalition construction initiatives.
- Developed engineering service valuations and project models critical to security risk management strategy.

U.S. Army, U.S. Army Special Operations Command | Fayetteville, NC

Engineering Planner & Consultant | 2015 – 2016

- Coordinated oversight of 6 team members supplying construction services affecting a 22,500+ client base across 7 international locations.
- Outlined work plans and managed \$3M+ in annual assets while achieving 100% OSHA procedural compliance and incident accountability.

Community Leadership & Affiliations

- Vice President, Redstone VCA HOA: (Elected February 2026 – Present)
- Secretary, PTA- Bobby Joe Hill STEAM Academy PK-8 (Elected March 2026- Present)
