The City will actively seek the passage of the following initiatives using City staff and authorized representatives to secure legislators to author a bill, provide testimony, and advocate for the bill's passage throughout the legislative process

Economic
Development

Budget

Transportation

Bridges

Economic Development

- Seek legislation that will streamline and expand the **Skills Development Fund Program** to allow municipalities' access to funding or provides for the reimbursement to companies relocating to Texas for the training provided by those companies.
- Seek legislation that will extend the **Texas Economic Development Act (Chapter 313)** and expand eligibility for the Act to include back office and large scale warehouse distribution companies.
- Seek legislation that will clearly allow municipalities to **convey city owned property** as part of **Chapter 380** economic development agreement.
- Seek legislation that will provide for more economic incentives and support for solar and **renewable energy initiatives**. **MOVED TO SUPPORT SECTION**

Budget

- Seek legislation that will address the impact of new collective bargaining agreements and the **impact of inflation** to the City's ability to provide services, to include the impact on the city's workforce **MOVE TO SUPPORT SECTION AND ADD TO OPPOSE SECTION THE FOLLOWING:**
 - **Oppose legislation furthering limiting or restricting cities ability to generate property tax revenue**
- Appropriate **money** for the **Defense Economic Adjustment Assistance Grant (DEAAG)** program to fund military value projects that strengthen Texas military installations.
- Seek legislation that will **appropriate funding** to municipalities for the **acquisition** of police body cameras and **storage of data** obtained by body cameras

Transportation

- Seek legislation that will **add transparency** on how the **Texas Department of Transportation Commission** allocates Category 12 funding under the Unified Transportation Program to include whether or not the formulas used need to be updated and clarification on how **Metro District designations** are defined and determined.
- Seek legislation that allows the county to submit to the voters an increase in **vehicle registration fees** and contains provisions that will provide for a more **equitable distribution** of any increased revenue generated by such legislation
- Appropriate Funding for the **Wyler Aerial Tramway**

Border

- Seek legislation that will **appropriate funding** to install and upgrade ITS technology and traffic control improvements/measures at the **Paso del Norte (PDN) and Stanton Street bridges**.
- Seek legislation that will **enhance and complement** the use of the **ITS** by completing the Texas Transportation Institute's Border Crossing Information System to include exploring the possibility of expanding scope into Mexico via **the Camino Real Regional Mobility Authority**.
- Seek legislation that will **increase funding** for **Cross Border Infrastructure** for projects identified in the **TXDOT Texas Mexico Border Transportation Master Plan (BTMP)** and provide for a dedicated funding source

Gun Legislation

(Adopted by Council on 6-21-22)

- Provide a **dedicated funding source** for specialized training either through the School Marshal program or other existing programs already available for the School Districts **to hire law enforcement officer or peace officers** and for mental health services and community mental health programs
- Establish and fund statewide **minimum standards** and guidelines for school safety

Gun Legislation Continued

(Adopted by Council on 6-21-22)

- Provide firearm safety legislation that will **adopt extreme risk protection** laws that allow family members or law enforcement to petition the court to temporarily remove firearms from an individual experiencing crisis; provides funding for **community-based violence intervention programs**; and adopts measures to protect women against gun violence from domestic abusers; strengthens existing legislation to provide stronger ways to more efficiently, effectively and consistently enforce existing laws; **raises the minimum age to purchase firearms to 21**; require universal background checks for all firearm sales; implements temporary red flag laws to allow temporary removal of firearms from those who are an imminent danger to themselves or others; requires a cooling off period for the purchase of a firearm; and regulates civilian ownership of high capacity magazines.

Gun Legislation Additional Recommendation from Delegati

- Prohibits straw purchases – purchasing a firearm by one person on behalf of another who is legally unable to make the purchase themselves.

SB 641, SB 556 – filed by Senator Blanco

Recommendations from Members of Council for Support/Oppose Items

- 1) Support legislation that provides for new ways to repurpose electric car batteries once they reach the end of their useful life
- 2) Support continued full funding for the Hazelwood Act
- 3) Support expansion of the benefits paid under Chapter 615 to school district employees when they suffer a death occurring during the performance of his or her duty resulting from exposure to a risk inherent in the particular duty performed or a risk to which the general public is not customarily exposed.
