The first annual consideration shall be due and owing prior to the El Paso City Council approval of the License. The advance payment shall be in the form of a cashier's check or business check payable to "The City of El Paso" and delivered to the Planning and Inspections Department for remittance to the Financial Accounting & Reporting. ADVANCE PAYMENT OPTION:

Grantee shall have the option of pre-paying the City the entire amount for the TEN (10) year term of the License, prior to the execution of this License. The TEN (10) year amount is equal to SIXTEEN THOUSAND TWO HUNDRED EIGHTEEN AND NO/100 DOLLARS (\$16,218.00). Said \$16,218.00 reflects a three percent (3%) discount rate of the annual fees for the entire TEN (10) year term of the License. The City shall be named as an additional insured on all of the Grantee's insurance policies that are required by this License. Failure to maintain insurance after receipt of notice of default and thirty (30) days to cure shall be a material breach of this License and a basis for termination of this License by the City.

Grantee shall obtain and provide a general liability policy with a one million-dollar (\$1,000,000.00) limit, per occurrence, for personal injury, death, and property damage, with a minimum one million dollar (\$2,000,000.00) general aggregate limit. Grantee shall procure said insurance with a solvent insurance company authorized to do business in Texas. Such policy or certificate shall provide that the insurance cannot be canceled, modified or the amount of coverage changed without thirty (30) days prior written notice to the Financial Services Department, or ten (10) days prior written notice to the Financial Services Department for cancellation based on non-payment of insurance premiums. Grantee shall file a copy of the policy of insurance with Financial Services Department and the Planning and Inspections

The provisions of this indemnification are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any person or entity. Without modifying the conditions of preserving, asserting, or enforcing any legal liability against the City as required by the City Charter or any law, the City will promptly forward to the Grantee every demand, notice, summons, or other process received by the City in any claim or legal proceeding contemplated herein. However, if said breach or failure to comply cannot be reasonably cured within thirty (30) days, if Grantee shall proceed promptly to cure the same with due diligence, the time for curing such failure to comply shall be extended for such period of time as may be deemed reasonably necessary by the City to complete such curing unless such breach involves public safety.

The City shall have the option to terminate this License at any time upon giving the Grantee written notice thirty (30) days in advance of such termination, at no cost to the City and may take possession of the City right-of-way. All rights of the Grantee for the City right-of-way shall then be terminated. If the License is cancelled by the City, Grantee shall not be entitled to a refund of the paid annual consideration for the months remaining in the License year (the twelve-month

period beginning on the effective date of this License). If this License is cancelled due to Grantee's failure to cure any default under this License, abandonment or cancellation by Grantee, Grantee shall not be entitled to a refund of consideration paid to the City.

Upon termination of this License, prior to the expiration of the original term for any reason, Grantee shall remove Grantee's Encroachments located in the License Area at no cost to the City. Grantee shall restore the License Area to the reasonable satisfaction of the City Traffic Engineer and in accordance with City specifications, at Grantee's own cost and expense.
