

RESOLUTION

WHEREAS, the City of El Paso (City) created the Camino Real Regional Mobility Authority (CRRMA) by City Council Resolution of March 13, 2007 in order to directly benefit the State of Texas, the City and the traveling public through the improvement of the State's transportation system in and around the City of El Paso;

WHEREAS, upon its creation, the CRRMA engaged the City to provide initial management services and other assistance to the CRRMA, including by way of example, the provision of an Executive Director, office space, IT and communications services;

WHEREAS, the provision of such management services allowed the CRRMA to rely on the resources of the City, thereby allowing for the CRRMA to immediately focus on the improvement of the region's transportation system through the development of major transportation projects, rather than devoting time and effort on administrative, management and associated activities normally required of newly created agencies; and

WHEREAS, the City and the CRRMA recognize the benefit of the CRRMA's focus on transportation projects in the region, as opposed to administrative and management activities, and therefore desire to continue the City's provision of management services to the CRRMA that will allow for the continued effective and efficient operation of the CRRMA, which benefits both parties and the region's transportation system;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO, TEXAS:

That the Mayor be authorized to execute a Management Services Agreement by and between the City and the CRRMA and any related documents necessary, whereby the City shall provide various management services to the CRRMA.
