Ms. Marisela stated that when she arrived this morning she brought some items for the advisory board and Mr. David Perez (treasure of board) told her was fine to take them to the back storage and since she was going to the storage if was possible for her to bring a package of cups for the coffee and to take the key, to which she said agreed. On her way back to give the cups, Ms. Mansela stated that Ms. Maria Elena questioned her on why was she in the back getting stuff. Ms. Maria Elena told her that she has no right to be going there only the council and that she could even steal a coke. office talking to Angel she approach the office right away. Ms. Maria Elena started saying that Angel had mentioned that only advisory board was allowed to go in the back storage and grab the key, so that means that Ms. Marisela has no reason to go back there. Angel responded " Ms. Maria Elena, that is correct but if the advisory board is given a volunteer the consent to go and bring items is completely fine, something is already happening with other volunteers". Ms. Maria Elena right away responded that it was not true that no one goes to the storage just Marisela tries and she just go and get the key. Angel Juarez told her was not true, because Mr. Paz, Ms. Rita, Ms. Vero and other volunteers do so, so what difference is that from them doing it and not Ms. Marisela. Ms. Maria Elena said was different because they are willing to help. Angel said, so you're telling me that what I said is true, they do help and volunteer, why can she do it?. Ms. Maria Elena started to get very anxious and frustrated about the situation. Ms. Marisela told Ms. Maria Elena that she just has a problem with her and that she even accused her of stealing. Ms. Maria Elena right away reacted and told her, " No pongas palabras en mi boca que yo no eh dicho aparte van por hielo siempre. Ms. Marisela replied that she went to the storage to drop the items she got and to get the cups Mr. David asked for, she had his consent for her to grab the items from the storage. Ms. Maria Elena started saying that it was not right that she was going to go grab her phone to start recording all of these because they are putting her in that spot. Angel made clear that the ice in the ice machine is not the advisory board, is the center's ice, and if anyone is wanting ice he will be more than happy to give them ice, now everyone just has the courtesy of asking the advisory board for ice but the ice belongs to the center. Ms. Maria Elena just left the office and went to the advisory concession stand, where she started instigating/gossiping with other ladies about the situation.
