Hello Tom I am very disappointed by what happened today. I hope you know that had you reached out to me I would have happily had a conversation with you and explained to you everything that was being alleged. Max Grossman hates me because I wouldn't do his dirty work. The man is an opportunist and is always on the lookout for the next person he can find to do his bidding. He reached out to others who were supporters of me hoping someone would turn on me. Did he tell you I filed a title 9 sexual Harassment complaint against him at UTEP and for the state of Texas? But anyway I sincerely appreciate you and everything you have done for me. I understand what is going on and I hold no ill will towards you. I appreciate everything you do for the community and your work with the ark. Wishing you the best Tom.
