**WHEREAS**, CBP has released many migrants onto downtown streets leaving many migrants without shelter; and

**WHEREAS**, in the month of July 2023, approximately 2,100 migrants have been released into the community weekly; and

**WHEREAS**, in response to the street releases, the El Paso City-County Office of Emergency Management (“OEM”) reallocated twenty-nine COVID-19 Operations staff to assist as migrant shelter surge staff, and on May 17, 2022, this staff began orientation training at Casa del Refugiado, the NGO’s largest hospitality site; and

**WHEREAS**, OEM has created a job specification, for general disaster operations to include humanitarian relief duties to hire and assign staff to assist with NGO capacity; and

**WHEREAS**, on March 12, 2023, border officials barricaded and closed down the Paso del Norte bridge due to a breach of public safety involving hundreds of migrants present on the bridge due to rumors about the relaxation of immigration restrictions circulated on social media sites; and

**WHEREAS**, for these reasons, the City is faced with the imminent threat of widespread injury or loss of life resulting from a surge in transient migrants traveling to the region; and

**WHEREAS**, the City finds that the expenditure of public funds for staff to coordinate resources and supplies, serve as shelter surge staff and transport migrants released in the City of El Paso accomplishes a valid public purpose of protecting public infrastructure, and protecting the health, safety and welfare of the citizens of El Paso; and

**WHEREAS**, in order to protect the health of persons in the municipality, the City Council wishes to continue to assist the local NGO with surge staff, coordination of resources and supplies, and transportation in light of the continued high number of community releases; and
