Figure A: Proposed plat with surrounding area

DESCRIPTION OF REQUEST: The applicant is proposing to subdivide 21.10 acres of land into 11 residential lots, ranging from 0.58 to 1.17 acres in size. Drainage will be conveyed from lots to open space areas. Access to the subdivision will be from Van Quijano Lane. The exceptions requested by the applicant are not necessary at this time. This application was reviewed under the current subdivision code.

CASE HISTORY/RELATED APPLICATIONS: N/A

NEIGHBORHOOD CHARACTER: Surrounding neighborhood characteristics are identified in the following table.

Surrounding Zoning and Use							
North	PMD (Planned Mountain Development) / Vacant Land						
South	PMD (Planned Mountain Development) / Vacant Land						
East	PMD (Planned Mountain Development) / Vacant Land						
West	R-3A (Residential) / School and Residential Development						
Nearest Public Facili	Nearest Public Facility and Distance						
Park	Linda Dawn Hudson Park (0.42 mi.)						
School	Hornedo (.05 mi.)						
Plan El Paso Designation							
O1, Preserve							
Impact Fee Service Area							
N/A							

PUBLIC COMMENT: N/A

PLAT EXPIRATION: This application will expire on <u>October 23, 2028</u>, pursuant to El Paso City Code Section 19.03.060 (Expiration). If subdivision improvement plans and a final plat application have not been approved within the specified date, the preliminary plat application, unless extended in accordance with El Paso City Code Chapter 19.41 (Expiration, extension and reinstatement), shall expire and the preliminary plat shall be null and void.

CITY PLAN COMMISSION OPTIONS:

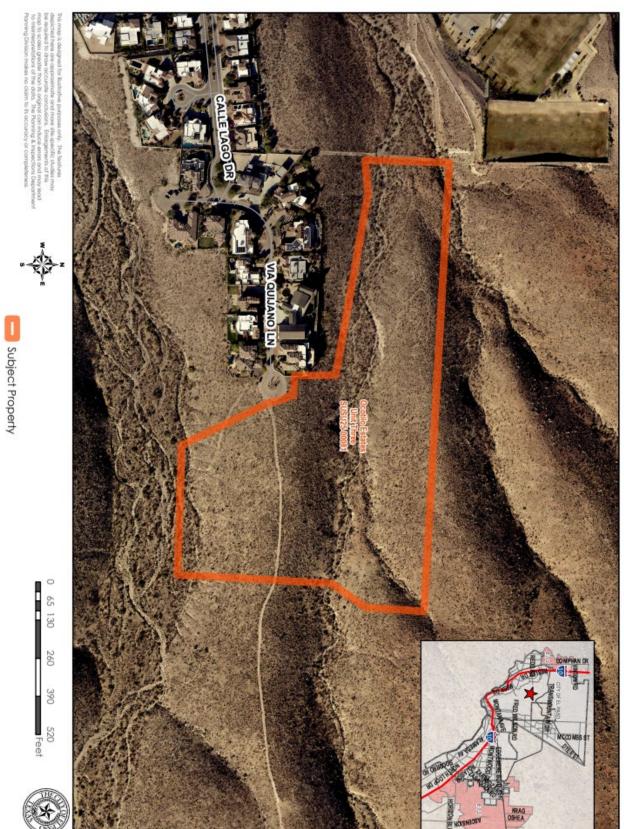

Subdivision

City Plan Commission (CPC) has sole and final authority on subdivision matters. Subdivision applications in conformance with all applicable code provisions shall be approved by the CPC. When a plat is brought forward to the CPC for review, the Commission may take any of the following actions:

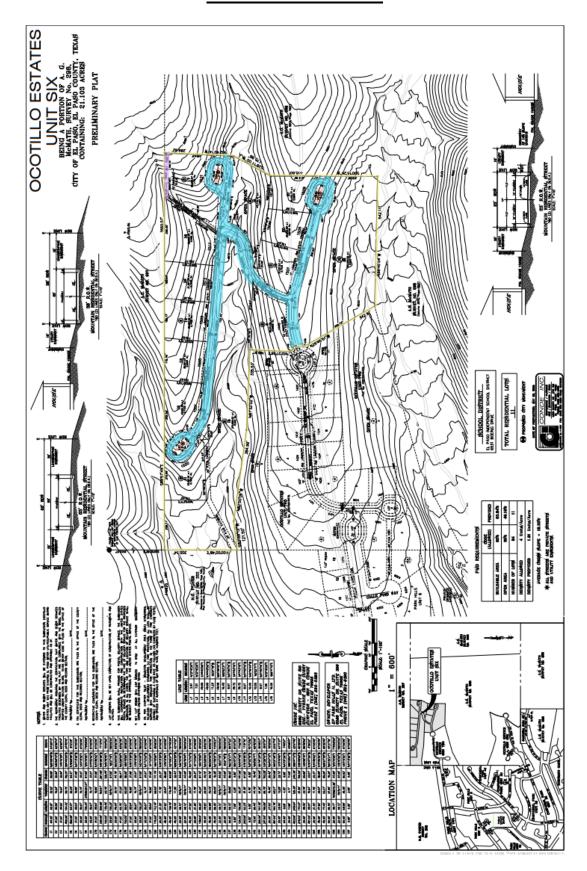

- 1. **Approval:** The CPC finds that the proposed plat is in conformance with all applicable requirements of Title 19 of the El Paso City Code. (Staff Recommendation)
- 2. **Approval with Conditions:** The CPC may impose conditions that bring the proposed plat into conformance with all applicable requirements of Title 19 of the El Paso City Code.
- 3. **Denial:** The CPC finds that the proposed plat is not in conformance with all applicable requirements of Title 19 of the El Paso City Code.

ATTACHMENT 4

Planning and Inspections Department- Planning Division

Developer / Engineer shall address the following comments:

- 1. Submit to the Planning & Inspections Department Planning Division the following prior to recording of the subdivision:
 - a. Current certificate tax certificate(s)
 - b. Current proof of ownership.
 - c. Release of access document, if applicable.
 - d. Set of restrictive covenants, if applicable.
- 2. Label the use for Lot 8, Block 9; Lot 7, Block; and Lot 6, Block 7.
- 3. Update Block numbers per CAD comments.

Planning and Inspections Department- Land Development Division

We have reviewed subject plats and recommend Approval.

The Developer/Engineer shall address the following comments.

- 1. Print-out of the mathematical closure is ok.
- 2. Delineate percent buildable area for each lot, if different than lot limits.
- 3. The property area will be in the Flood zone according to the (preliminary) future FEMA maps. Meaning; that according to current maps from FEMA, the property is not in the flood zone area, but the property will be in the flood zone area in the future when new maps become effective. It is recommended to build 1 foot above the preliminary BFE for the affected lots.
- 4. Vertical cut and fill of existing grade shall not exceed 15' at time of grading (Municipal Code 19.24.030.D.2).

Subdivision improvement plans will be required at time of major final plat

Parks and Recreation Department

We have reviewed <u>Ocotillo Estates Unit 3</u>, a major preliminary plat map and on behalf of the Parks & Recreation Department, we offer the Developer / Engineer the following comments:

 Please note that this Subdivision is composed of 11 residential lots and is located within the Planned Mountain Development District (PMD) thus meeting the requirements to be excluded from the calculation for parkland dedication ordinance Title 19 – Subdivision & Development Plats, Chapter 19.20 Parks and Open Space as noted below:

19.20.060 - Exclusions from Dedication Requirements.

Exclusions. The following shall be excluded from the calculation for parkland dedication. In all instances, the burden of proof shall be on the subdivider to demonstrate that the plat meets the requirements of this chapter:

- **F.** All property within a subdivision which is zoned planned mountain development district (PMD) whether for residential or nonresidential uses, as evidenced by the official zoning map;
 - 2. Please provide a note on the plat stating who will be maintaining the proposed Open Space. The Parks & Recreation Department will not accept the open space for maintenance.

This subdivision is located with-in Park Zone: NW-11

Nearest Park(s): Linda Daw Hudson Park

Streets and Maintenance Department

Street Lights:

For the development of a subdivision a complete set of plans shall be submitted to Street Lights Department for review showing the minimum requirements for street illumination proposals**. The submission shall contain but shall not necessarily be limited to plans indicating the location on the premises of all lighting fixtures, both proposed and existing on the site***. The description of all lighting fixtures, both proposed and existing.

Photometric data. Plans shall show street illumination design and details. El Paso city code is applicable to this process, Street Design Manual (SDM)* and any other applicable standards or requirements of the city. Street Lights Department requires that all projects that involves a roadway is to be evaluated for lighting requirements based on the City of El Paso Street Design Manual (SDM) and the Design Standards for Construction (DSC) according to City of El Paso Codes (cited below). While developing a project or construction area the existing street illumination system shall be protected and preserved. Complete survey for street illumination system shall be shown on plans. Any change on existing street illumination systems shall be coordinated with Street Lights Department.

Contract Management:

Indicate that when placing Sidewalks, the municipal Code Chapter 19.21 of Sidewalks shall be followed, and Chapter 13.04.020 Sidewalk Specifications.

Indicate that for driveways the municipal code chapter 13.12 shall be followed.

Indicate that any type of water valve, manhole must have a concrete apron. and any city monuments if disturbed must be restored by a licensed surveyor.

Indicate that new asphalt or any new concrete structures must be compliant before acceptance and any type of damages must be restored before doing the final walkthrough.

Indicate that leading ramps must be aligned with a receiving ramp and be ADA compliant.

El Paso Water

We have reviewed the request described above and provide the following comments:

EPWater does not object to this request.

Water:

Water service can be made available to the subdivision up to elevation 4560 (PSB Datum).

There is an existing 8-inch diameter water main extending along Via Quijano Ln. The water main is located 6.5 feet south of the northern right-of-way line. This main can be extended to provide service.

Previous water pressure from fire hydrant #010317, located at 1433 Via Quijano Ln., has yielded a static pressure of 58 psi, a residual pressure of 32 psi and a discharge of 1,255 gallons per minute.

Sanitary Sewer:

There is an existing 8-inch diameter sewer main extending along Via Quijano Ln. The sewer main is located 6.5 feet north of the southern right-of-way line. This main can be extended to provide service.

There is an existing 8-inch diameter sewer main extending along the property of 6201 High Ridge Dr. The sewer main is located within a 20 feet PSB Easement.

Sanitary sewer is critical; the Developer Engineer is to coordinate the design and proposed PSB easement with El Paso Water.

General:

A water and sanitary sewer main extension is required to provide service. Water main shall be extended creating a looped system. The water and sanitary sewer main extension costs are the responsibility of the owner.

EPWater-PSB anticipates providing water and sanitary sewer service by on-site main extensions. EPWater-PSB requests that site be graded so that sanitary sewer may be provided by gravity.

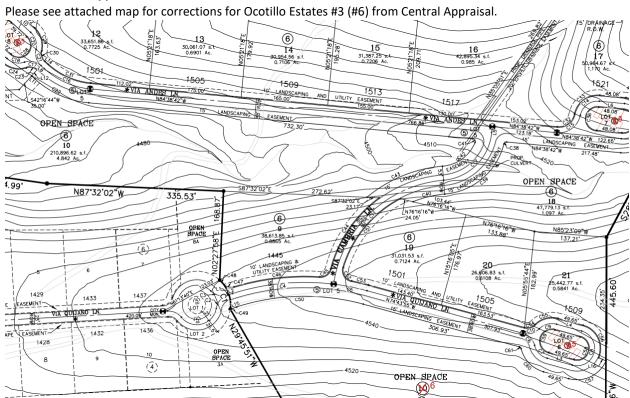

EPWater requires a new service application to provide service to the property. New service applications are available at 1154 Hawkins, 3rd floor and should be made 6 to 8 weeks in advance of construction to ensure water

for construction work. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the right-of-way and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWater — PSB Rules and Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.
