

**City of El Paso  
Capital Improvement Department  
TMC Upgrades  
Amendment to AECOM Contract**

December 05, 2023

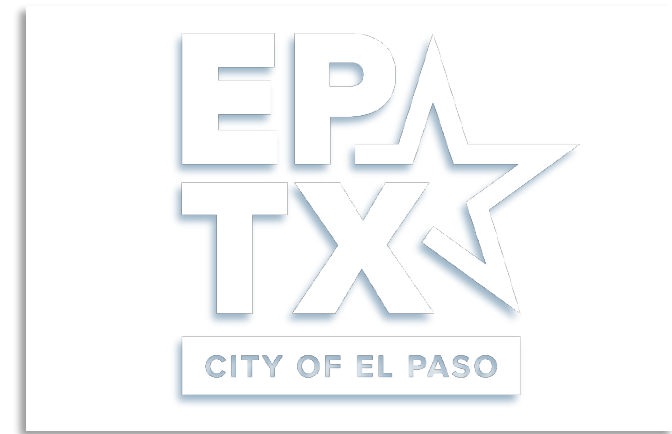

# Background

- The design consultant for the TMC Upgrades project requires sensitive information regarding the City's fiber network. This amendment to the professional services contract provides additional protection for the confidential technical information.

# Recommendations

- That the City Manager be authorized to sign the Second Amendment to an Agreement for Professional Services between the City of El Paso and AECOM Technical Services, Inc. for a project known as “Architect and Engineering Services for Traffic Management Center Upgrades” and to amend the Agreement to provide additional protection over confidential technological information.
- No additional cost
