Invoices should be submitted monthly, via the Purchasing Department. **Invoices are due on or before the 5<sup>th</sup> of the following month** or the following business day if the deadline occurs on a weekend (e.g., the bill for all January time and expenses is due on or before February 5<sup>th</sup> or the following business day if the 5<sup>th</sup> falls on a Saturday or Sunday).

We reserve the right to refuse to pay any invoice that relates to fees or expenses that are more than thirty (30) days old.

Attn: Office of the City Attorney  
P.O. Box 1890  
El Paso, TX 79950-1890

### III. Alternative Fee Arrangements

The City is receptive to alternatives to the conventional hourly billing model, including the use of fixed or flat fees, blended rates, contingency fees etc. We encourage your firm to consider and propose alternative legal spend arrangements at the inception of matters.

**Tomás González – City Manager**  
P.O. Box 1890/ El Paso, Texas 79950-1890 /915-212-0023 [www.elpasotexas.gov](http://www.elpasotexas.gov)  
23-1043-927 | 1222745 | JM

#### **IV. Matter Management**

The City may find it necessary to impose other billing requirements and policies during the engagement as appropriate to effectively and efficiently manage the matter. Prior notice will be given and the matter discussed with counsel if this is deemed necessary. At the outset of representing the City on a new matter, the primary internal legal contact(s) for the City should be identified. Please make sure that the legal contacts are copied on all communications.

Surprises, whether in the form of results or bills, should be avoided. We expect regular, open, timely and effective communication with respect to all aspects of your engagement. It is generally our preference to receive written communications via email. The specific communications requirements of your City contact should be discussed for each matter you are assigned.

Unless approved in advance, a City attorney should be present during all communications with City personnel. In addition, copy your primary City legal contacts on all communications you may have with City employees.

#### **V. Staffing**

Firms are selected based on expertise and efficiency. The City expects its outside counsel to staff projects appropriately based on the nature and complexity of the legal work, engaging the smallest number of knowledgeable professionals necessary to the matter to get the job done well. A balance should be struck between the efficiency a more experienced lawyer brings to a given task and the advantages of having other tasks performed by a less senior lawyer or paralegal.

We will always be available for discussion regarding the appropriate skill and experience level if you have any question or doubt in this regard. Attorney, paralegal, and legal assistant time billed should not include tasks that are more appropriate for clerical or secretarial personnel, such as stamping or numbering documents, indexing or tagging exhibits, organizing files or reproducing documents.

Unless approved by us in advance, we will not reimburse you for time spent by more than one attorney or timekeeper attending telephone conferences, meetings, witness interviews, depositions, hearings, negotiations, mediations, etc. Additional timekeepers including the addition of an associate should be discussed and approved by us in advance. Duplication of effort within the firm is to be avoided and the City will not pay for tasks or work done that appears duplicative.

In addition, we will not pay for two or more timekeepers having an internal conference (most commonly, discussion between attorneys at your firm about the status or substance of a matter). For example, if an attorney must transition the matter to a colleague, we do not expect to be charged for the time necessary to make the replacement attorney familiar with the matter. If an internal conference is needed because of particularly complex or unusual circumstances, only one timekeeper may bill the time, unless approved in advance. The City will also not pay for tasks that are supervisory in nature, including instructions regarding work assignments or involvement by a more junior attorney for the purposes of shadowing.

**Tomás González – City Manager**

P.O. Box 1890 | El Paso, Texas 79950-1890 | 915-212-0023 | [www.elpasotexas.gov](http://www.elpasotexas.gov)  
23-1043-927 | 1222745 | JM

We expect all timekeepers to work efficiently and avoid devoting excessive hours to a single project on any particular day. We will not pay for more than ten (10) hours of time spent by any one timekeeper on any one City matter in a given day, unless approved in advance.

**VI. Invoicing**

**A. Hourly Rates**

The negotiated hourly rates shall include all overhead and internal charges associated with your firm's practice. Billing done on an hourly basis is to be at the current approved hourly rate. Outside Counsel/Vendor will submit a Fee Schedule of current individual timekeeper rates for those timekeepers who perform work for the City. The Fee Schedule will be submitted to the City for review and approval by the City Attorney. Charges submitted at a rate that exceeds the approved Fee Schedule rate for a timekeeper will be reduced to the approved rate. The approved fee schedule for this matter is set forth in Addendum 2.

**B. Timekeeping**

Except where otherwise approved by the City, timekeeping entries will conform to increments of one-twentieth of an hour. Time values must reflect three (3) minute increments as follows:

Time (in minutes)	Value	Time (in minutes)	Value
3	0.05	33	0.55
6	0.10	36	0.60
9	0.15	39	0.65
12	0.20	42	0.70
15	0.25	45	0.75
18	0.30	48	0.80
21	0.35	51	0.85
24	0.40	54	0.90
27	0.45	57	0.95
30	0.50	60	1.00

**C. Standard Form**

Invoices should set forth the following line items (in no particular order): (1) date (2) timekeeper (3) description (4) hours or time expended (5) rate, and (6) amount.

For example:

Date	Timekeeper	Description	Hours	Rate	Amount
1/15/22	ACA	Review plaintiff's discovery	1.50	\$180	\$270

**Tomás González – City Manager**

P.O. Box 1890/ El Paso, Texas 79950-1890 /915-212-0023 [www.elpasotexas.gov](http://www.elpasotexas.gov)  
23-1043-927 | 1222745 | JM

**D. Block Billing**

Descriptions of blocks, batches of activities or tasks under one charge or the grouping of multiple activities under a single time charge (i.e., “block-billing”) are unacceptable. Invoices that contain any “block” billing entries will be returned. The description should clearly state the nature of the task performed sufficient to allow the primary City contact or reviewer to determine why it was necessary. Incomplete or vague charge descriptions are unacceptable.

Invoices should set forth in detail the related professional, the distinct tasks, and activities performed by each professional, the time expended in one-twentieth of an hour and fees charged for that work in separate time entries. Additionally, the task description must be sufficiently descriptive in order to identify the item, document or task involved including the native date of the item, document or task (e.g. a task involving interrogatories should not be described as “review interrogatories” they should be described as “review plaintiff’s January 7, 2021 interrogatories”). Documents of any sort should be referred to by date and title so as to sufficiently identify them.

For example, an invoice containing the following entry is unacceptable and will be returned:

Date	Timekeeper	Description	Hours	Rate	Amount
1/17/22	ACA	Review plaintiff’s discovery; prepare correspondence to opposing counsel; continue drafting motion	1.50	\$180	\$270

Acceptable methods for itemized time entries include:

*Example:*

Date	Timekeeper	Description	Hours	Rate	Amount
1/17/22	ACA	Review plaintiff’s January 7, 2021 interrogatory responses (0.3); prepare correspondence to opposing counsel regarding settlement options (0.40); continue drafting motion for summary judgment (0.80)	1.50	\$180	\$270

*Example:*

Date	Timekeeper	Description	Hours	Rate	Amount
1/17/22	ACA	Review plaintiff’s January 7, 2021 interrogatory responses	0.30	\$180	\$54
1/17/22	ACA	Prepare correspondence to opposing counsel regarding settlement options	0.40	\$180	\$72

**Tomás González – City Manager**

23-1043-927 | 1222745 | JM

1/17/22	ACA	Continue drafting motion for summary judgment	0.80	\$180	\$144
---------	-----	---	------	-------	-------

Billing entries should be organized in chronological order by date. Billing entries categorized chronologically by timekeeper will not be accepted. Entries should be in date order reflecting work that is done collectively on any given day even if billed by different timekeepers. The invoice will in its entirety bill only that time that corresponds with the previous billing period.

At no point should an invoice reflect billing entries for services rendered outside that particular month's billing cycle. For example, an invoice for January that is submitted on or before February 5<sup>th</sup>, should reflect billing entries for tasks performed during the month of January.

## VII. Excluded Activities

Fees for the following tasks or activities will not be compensated:

- Services that are clerical in nature, such as word processing, regardless of who performs such services or at what rate they are performed (normal, temporary or overtime);
- Repetitive file review;
- Duplicative tasks;
- File or document organization;
- Preparing and processing invoices;
- Conferences involving attorneys, paralegals and other personnel from the firm, which involve routine administrative coordinating or assignment related matters;
- Time spent upon reassignment of a matter to another attorney, in familiarizing that attorney with the file;
- Charges for opening and/or updating files;
- Work performed by or attendance of multiple attorneys of the same firm, including but not limited to, attendance of multiple attorneys at any meeting or conference, unless approved by the City Attorney;
- Research of relatively routine matters, which should be within the knowledge of experienced attorneys, or research on one topic/issue in excess of ten (10) hours;
- Time spent training lawyers on applicable substantive law.

The City does not expect to be billed and will not pay for time submitted by librarians, secretaries, billing, filing, clerks, internal messengers/couriers, law clerks, summer associates, temporary or clerical support staff, word processors, and IT professionals.

## VIII. Legal Research

Legal research should be undertaken when necessary to protect the City's interests. We view access to electronic resources as overhead and will not pay for general online or electronic research. The City will pay for time spent conducting necessary legal research as required by the

facts of the case. We would normally expect research projects to be conducted by experienced associates instead of partners. The City will not pay for research regarding fundamental concepts or local rules, the understanding of which is assumed by your firm's retention. We expect to benefit from previously prepared briefs and memoranda, and when such briefs or memoranda exist we will pay only for actual time spent updating or tailoring those documents to our needs.

#### **IX. Consultants & Experts**

The City expects to be informed and consulted on the engagement of any experts, consultants, litigation support vendors and e-discovery vendors. If it becomes necessary to retain consultants or experts in this matter, you must receive prior written approval from the City Attorney. You must bill the City on your letterhead for services rendered by consultants and experts. The City cannot pay outside consultant or expert invoices directly if he or she was not hired directly by the City.

#### **X. Travel**

The City will not pay for time spent traveling unless productive work is done during that time or a specific arrangement is agreed to in writing with the City Attorney in advance of the travel. The City will not reimburse you for air travel expenses in excess of standard coach or economy fares. Reimbursement for automobile mileage shall not exceed the amount per mile deductible under the Internal Revenue Code as a business expense. The amount paid by the City for lodging and meals shall not exceed those established in the most recent GSA schedule that the Federal Government allows for travel. All travel expenses submitted for reimbursement are subject to the guidelines set forth in the City's Travel Manual. Expenses over and above the limits set forth herein shall be borne solely by you and shall not be reimbursed by the City.

#### **XI. Expenses**

The City will pay a fixed fee of 4% of approved billed fees to cover the cost of routine expenses. You agree to pay for all reasonable routine expenses incurred during the representation of the City in this matter, including litigation expenses, if applicable, from the 4% paid to You for payment of routine expenses. Outside expert and consulting fees, travel expenses, costs for deposition, and court and administrative proceeding transcripts are not part of the 4% fee and will be reimbursed by the City upon provision of invoices showing such expenses.

The total cost of routine expenses for representation in this matter, other than those expenses excluded in above paragraph, shall not exceed the 4% amount. In the event of any unforeseen circumstances during the course of representation that may lead to a cost overrun, you will notify this office promptly in writing, identifying the contingency and its anticipated cost impact. The City will not honor any invoice seeking reimbursement of expenses in excess of the 4% amount without written approval from the City Attorney.

## **XII. Right to Audit**

The City shall have the right to inspect and audit all of your books, records and documents pertaining to this engagement at any reasonable time, to the extent necessary to verify the accuracy of any statement, charge or computation.

Upon request by the City or its representatives to provide information concerning your representation in this matter, you will provide such information at no additional cost to the City, unless the City Attorney or her representative agrees in writing, in advance, to the additional charges.
