Hi Margaret

After reviewing the language in the bid proposal, we feel that the City of El Paso can move forward with award since the contractor was pre-qualified at the time of the bid opening.

Thank you,

Hi Becky,

We went to Council today to award the 0924-06-570 Downtown Bike construction contract to El Paso A.R.C. Electric, Inc. It turns out that while El Paso ARC was TxDOT pre-qualified on Sept 17 at the time of bidding, they are no longer pre-qualified. Could you let us know if there's any risk to the City regarding reimbursement if we award the contract to a contractor who's no longer pre-

qualified? We do have the concurrence letter from TxDOT.

Thanks,  
Margaret
