WHEREAS, in response to potential street releases and partly pursuant to Emergency Ordinance No. 019333, the El Paso City-County Office of Emergency Management (“OEM”) reallocated COVID-19 Operations staff to assist as migrant shelter surge staff and created a job specification, for general disaster operations to include humanitarian relief duties to hire and assign staff to assist with NGO capacity; and

WHEREAS, at times during the pendency of Emergency Ordinance No. 019333, border officials have barricaded and closed down the Paso del Norte bridge due to a breach of public safety involving hundreds of migrants present on the bridge attributed to rumors about the relaxation of immigration restrictions circulated on social media sites, which has caused significant delays at the international ports-of-entry involving trade; and

WHEREAS, the encampment of large groups of migrants on City rights of way, parks and other City property at one point led to street closures and cessation of the streetcar service and reassignment of City staff required to ensure safety and sanitary conditions in that area; and

WHEREAS, in order to protect the health of persons in the municipality, the City Council wishes to continue to assist the local non-governmental organizations (“NGOs”) with surge staff, coordination of resources and supplies, and transportation in light of the continued high number of community releases; and

WHEREAS, the Biden administration ended the COVID-19 public health emergency on May 11, 2023 ending all use of Title 42 as a mechanism to control the border; and
