- C. Permit. A person who wants to place a shared use mobility device on the public right-of-way shall apply for a permit on an application form as required by the director. The director shall issue a permit to a person that complies with requirements of this section and any regulations adopted by the director pursuant to this section. A person is not eligible to apply for a permit for one year following a revocation of a permit under this section. Unless terminated earlier as provided under this section, all permits issued under this section expire sixty (60) days after the date this Ordinance is approved. No permit shall be issued to a person owing ad valorem taxes to the city or who has defaulted on an agreement with the city within five years preceding the application for a permit under this section. Notwithstanding anything to the contrary, a permit may only be issued to a person who owns the shared use mobility devices for which the permit is requested.
