**DISTRICT(S) AFFECTED:** District 4

**STRATEGIC GOAL:** Goal 1 - Create an Environment Conducive to Strong, Sustainable Economic Development.

**SUBJECT:**

Discussion and action that the City Manager be authorized to sign a Chapter 380 Economic Development Program Agreement ("Agreement") by and between the City of El Paso, Texas ("City") and Wurldwide, LLC, a Delaware limited liability company, d/b/a Statue LLC ("Company") in support of the construction, in one or more phases which may extend over a period of years, one or more data center(s) and certain accessory uses on approximately 1,039 acres of land on the northside of Stan Roberts Sr. Avenue, west of U.S. Highway 54 within the City of El Paso, Texas (the "Project"). Subject to the terms and conditions of the Agreement and provided that Company expends or causes to expend a minimum of **\$800,000,000.00** in construction and personal equipment costs for the Project ("Initial Investment"), City agrees to provide Company with annual grants in an amount equal to 80 percent of the aggregate property tax revenue attributable to the Initial Investment over a 15-year period beginning the twelfth calendar year following the year in which the Company provides documentation to the City that it has met its Initial Investment requirements ("Property Tax Grants"). Company may develop additional phases, each representing a minimum **\$800,000,000.00** expenditure in construction and personal equipment costs; and if so, subject to the terms and conditions of the Agreement, shall be eligible for separate Property Tax Grants for each phase for up to five phases during the term of the Agreement.

**BACKGROUND / DISCUSSION:**

The City Council is considering authorizing the City Manager to sign an Economic Development Program Agreement with Wurldwide, LLC, for the construction of one or more data centers and related facilities on approximately 1,039 acres of land in El Paso. The agreement proposes that Wurldwide, LLC invest a minimum of \$800 million in construction and equipment costs for the project, with the city providing annual grants equal to 80 percent of the property tax revenue generated by this investment over a 15-year period.

**Key Points:**

1. **Project Description:** Wurldwide, LLC plans to construct one or more data centers and accessory uses on a significant parcel of land in El Paso.
2. **Investment Magnitude:** The company is committing to an initial investment of at least \$800 million in construction and personal equipment costs. Additional phases with similar investments may follow.
3. **Economic Impact:** The City anticipates positive economic development resulting from this project, with the potential for substantial capital injection into the community.
4. **Tax Base Growth:** In return for the investment, the City has proposed providing annual grants to Wurldwide, LLC. These grants would amount to 80 percent of the property tax revenue generated by the project over a 15-year period, starting in the twelfth calendar year following the fulfillment of the initial investment requirements.

5. **Tax Burden Impact:** The agreement aims to shift the tax burden away from residential taxpayers by encouraging commercial development and diversifying the tax base.
6. **Phased Development:** Worldwide, LLC has the option to develop additional phases, each requiring a minimum \$800 million expenditure. If so, the company would be eligible for separate property tax grants for each phase, for up to five phases during the agreement's term.
7. **Job Creation Impact:** The Project will result in the creation of a minimum of 50 full-time jobs, offering diverse and quality job opportunities, and contributing to economic stability. In addition, the project is expected to generate temporary jobs during the construction phase(s), supporting the local construction industry and providing income for residents engaged in that construction.
8. **Multiplier Effects on Local Businesses:** Opportunities for local businesses to supply goods and services for the data center's operation will foster growth in ancillary industries and increase revenue for local businesses, diversifying the economy and potentially leading to additional job creation beyond the project.

In summary, the City of El Paso is considering a significant economic development opportunity with Worldwide, LLC, involving substantial capital investment in data center construction. The proposed agreement outlines a structured approach to incentivize this investment through property tax grants, with the goal of fostering economic growth, diversifying the tax base, and relieving residential taxpayers of some of the burden.

**PRIOR COUNCIL ACTION:**

City Council has or will consider the following related items:

**December 4, 2023**

- **Contract of Sale:** City Council will consider the sale of 1,039 acres of City-owned land on the northside of Stan Roberts Sr. Avenue, west of U.S. Highway 54 within the City of El Paso, Texas (the "Land") to Company for the development of one or more data center(s) and certain accessory uses.

**December 5, 2023**

- **Chapter 312 Property Tax Abatement Agreement:** City Council will consider a resolution authorizing the City Manager to sign a Chapter 312 Property Tax Abatement Agreement ("Abatement Agreement") with Company for the annual waiver, subject to the terms and conditions of the Abatement Agreement, of 80 percent of the property taxes generated by the project and otherwise due to the City over a 10-year period, starting the calendar year following the year in which Company provides the City documentation demonstrating it has met the minimum investment requirement. Company has the option to develop additional phases, each requiring a minimum \$800 million expenditure; and if so, subject to the terms and conditions of the Abatement Agreement, Company would be eligible for separate property tax abatements in amount equal to 80 percent of the property taxes attributable to the investment and otherwise due to the City for ten years for each phase, for up to five phases.
- **Rezoning and Condition Release:** City Council will consider rezoning the Land from M-2 (Industrial) to C-4 (Commercial) to allow for the development and operation of one or more data center(s) on the Land; and will concurrently consider releasing all conditions currently running with the Land. On November 16, 2023, the City Plan Commission unanimously recommended approval of the proposed rezoning and condition release.

- **Stan Roberts Sr. Ave. and U.S. Highway 54 Intersection Improvements Funding Resolution:** City Council will consider a resolution allocating funding for intersection improvements to Stan Roberts and US-54 for the purpose of facilitating access to the Project. Improvements will be funded by the Texas Economic Development fund established through Ordinance No. 019022, the amended franchise agreement between the City and El Paso Electric Company; and in accordance with the Texas Economic Development Incentive Program, as approved by the City Council on January 20, 2021.

**3. TERM.**

This Agreement will take effect on the last date of execution of this Agreement by all Parties (the “**Effective Date**”) and, unless terminated earlier in accordance with its terms and conditions, will expire thirty-five (35) years from the Effective Date (the “**Term**”). The Company may at any time and for any reason terminate this Agreement automatically upon notice thereof to the City, and upon such termination this Agreement shall be null and void and the Parties shall have no further rights or obligations with respect hereto.

**4. COMPANY OBLIGATIONS, GOALS AND COMMITMENTS.**

**4.1. Investment Commitment and Use.**

As conditions to receipt of the Property Tax Grants, subject to Force Majeure in accordance with Section 23 herein, (i) the Commencement of Construction must occur within five (5) years of the Effective Date; (ii) the Completion Date must occur on or before the Completion Deadline, and (iii) Company must expend or cause the expenditure by the Completion Deadline of an Investment of at least Eight Hundred Million Dollars (\$800,000,000.00) (the “**Investment Commitment**”). For the avoidance of doubt, the same Investment counted and reported for purposes of measuring attainment of the Investment Commitment under this Agreement will also be counted for purposes of measuring attainment of the Investment Commitment under the Tax Abatement Agreement. After the Completion Deadline during the Term, when in use, the Project Improvements must be used for a lawful use related to the support and/or operation of Company’s commercial, business, retail, or industrial uses. Notwithstanding the terms of this Agreement, Company will have no obligation to construct the Project Improvements (including without limitation any Phase thereof) and may elect to construct or not to construct the Project Improvements in its sole and absolute discretion.

**4.2 Phasing; Timing of Development.**

Company may develop the Land in one or more Phases extending over a period of years; and, if so, Company shall be eligible for separate Property Tax

Grants for each Phase that meets either the initial Investment Commitment or the Subsequent Investment Threshold (as defined herein) as further provided herein, for up to five (5) Phases. Grant Years for separate Phases may run concurrently or sequentially. Company will designate separate Phases by providing notice to the City (a “**Designation Notice**”), which notice(s) may describe the Initial Project Improvements Boundary or a Subsequent Phase Boundary, as applicable, to describe what constitutes a Phase, without the necessity of further approval or signature of the Parties, with such updates being sequentially numbered. Along with the Designation Notice, Company will provide the applicable property ID number(s) for the Tax Account(s) applicable to such Phase. Company will work with EPCAD to establish one or more separate Tax Account(s) to distinguish the Land, Project Improvements and Personal Property that make up each Phase. Company may adjust the Initial Project Improvements Boundary or a Subsequent Phase Boundary to include additional land (and improvements/Personal Property thereon) not included in the initial boundaries of such Phase by providing notice of such boundary adjustment and updated legal description, survey map and applicable Tax Account information to the City. If Company completes new Investment after submitting the Initial Completion Report, but does not designate any Subsequent Phases, then all improvements on the Land (including all Personal Property) will be considered a part of Phase 1 and will be included in the calculation of the Property Tax Grants for Phase 1 during the applicable Grant Years for Phase 1. Upon the City’s request, Company will provide any reasonable Tax Account information needed to for such calculation. Similarly, if Company designates Subsequent Phases and then later completes or installs additional improvements on the Land (including Personal Property) that were not designated as part of a Phase, such improvements shall be considered a part of the final Phase that Company designated and will be included in the calculation of Property Tax Grants for the remaining Grant Years for such final Phase. Upon the City’s request, Company will provide any reasonable Tax Account information needed for such calculation. By way of example, if Company designates five (5) Phases and then completes additional improvements and/or installs additional Personal Property, then all such additional improvements and/or Personal Property will be considered a part of Phase 5 and will be included in the calculation of the Property Tax Grants for the remaining Grant Years for Phase 5. There is no cap on the amount of Investment or improvements that may constitute a Phase (e.g., what constitutes a Phase is not limited by the Investment reported in the Initial Completion Report or Subsequent Investment Report for each such Phase, as applicable).

The Designation Notice for Phase 1 may be (but is not required to be) provided in the Initial Completion Report. A Designation Notice for a Subsequent Phase may be (but is not required to be) provided in a Subsequent Investment Report. Notice of designation of a Phase under the Tax Abatement Agreement may also count as notice for designation of a Phase under this Agreement.

Notwithstanding any statement to the contrary herein, all terms, conditions and obligations of this Agreement shall apply to each Phase independently.

The City acknowledges that as of the Effective Date, the Company cannot predict if, when or at what rate the development of the Project will occur, which will depend upon numerous factors, including factors outside of the control of the Company, such as market orientation and demand, competition, availability of qualified laborers and weather conditions. The Company may develop the Project Improvements in such order and at such rate and times as the Company deems appropriate in its sole and absolute discretion, which the City agrees is consistent with the intent, purpose and understanding of the Parties. Nothing in this Agreement shall be construed to require the Company to proceed with developing the Project or any Phase or portion thereof; however, development of the Project Improvements (or Phase or portion thereof) in accordance with the terms of this Agreement is a condition precedent to receipt of the Property Tax Grants (for each Phase, as applicable).

#### **4.3 Employment Commitment.**

Within four (4) years following the Completion Deadline (“**Employment Commitment Date**”), Company will provide or cause to be provided at least fifty (50) Full-Time Jobs (the “**Employment Commitment**”). Thereafter, Company will maintain at least fifty (50) Full-Time Jobs during any remaining Grant Years in which one or more Phase(s) is receiving Property Tax Grant(s). The Full-Time Jobs that are counted for the Employment Commitment are cumulative and may include Full-Time Jobs for any Phase. Otherwise stated, the fifty (50) Full-Time Jobs required herein is a total of at least fifty (50) Full-Time Jobs for all Phases combined (and it is not required to have fifty (50) Full-Time Jobs for each separate Phase). Jobs as of December 31 of the year they were created may be included for reporting purposes if they otherwise meet the requirements of being a Full-Time Job. Full-Time Jobs counted for purposes of measuring attainment of the Employment Commitment under this Agreement will also be counted for purposes of measuring attainment of the Employment Commitment under the Tax Abatement Agreement. Nothing in this Agreement shall be construed to require the Company to achieve the Employment Commitment; however, after the Employment Commitment Date, the Employment Commitment is a condition to receipt of the full Property Tax Grants (for each Phase, as applicable). Failure to meet the Employment Commitment will have no effect on Property Tax Grants already provided prior to the Employment Commitment Date, if any.

#### **4.4 Reports and Filings by Company.**

##### **4.4.1 Initial Completion Report.**

Provided that the Completion Date occurred on or before the

Completion Deadline, on or before April 30 of the first full calendar year following the calendar year in which the Completion Deadline occurs, Company must provide a written report to the City, substantially in the form attached hereto as **Exhibit “B”**, that confirms Company achieved the Investment Commitment (the “**Initial Completion Report**”). For the avoidance of doubt, in order to satisfy the reporting requirement for receipt of the Property Tax Grants for the Initial Project Improvements, Company is only required to submit sufficient documentation in the Initial Completion Report to show that at least \$800,000,000.00 in Investment was achieved (and shall not be required to submit additional documentation for any Investment that exceeds \$800,000,000.00). Provision of the Initial Completion Report under the Tax Abatement Agreement will also constitute provision of the Initial Completion Report under this Agreement. If the Completion Date occurs in a year prior to the year of the Completion Deadline, Company may submit the Initial Completion Report in an earlier year, in its sole discretion.

#### **4.4.2 Employment Report.**

On or before April 30 of the first full calendar year following the year in which the Employment Commitment Date occurs, Company must provide the City with a report that sets forth the total number of individuals who held Full-Time Jobs as of December 31 of the previous year, in the form attached hereto as **Exhibit “C”** (the “**Employment Report**”). Company may redact employee identification numbers and in no event will Company be required to provide social security numbers or other nonpublic personal information about the employees. If the Employment Commitment was not met, Company must include an explanation as to why Company believes the Employment Commitment was not met and the efforts that were utilized to meet the Employment Commitment. Provision of the employment report under the Tax Abatement Agreement will also constitute provision of the Employment Report provided under this Agreement.

#### **4.4.3 Subsequent Investment Report.**

At any time prior to expiration of the Term, Company may (but is not required to) file one or more “**Subsequent Investment Reports**” with the City substantially in the form attached hereto as **Exhibit “D”**. Each Subsequent Investment Report shall confirm that Company has made or caused to be made additional Investment on the Land in an aggregate amount of at least \$800,000,000.00 (the “**Subsequent Investment Threshold**”), which may be comprised of additional Investment that was not outlined in the Initial Completion Report or a prior Subsequent Investment Report. For the avoidance of doubt, in order to satisfy the

reporting requirement for receipt of the Property Tax Grants for a Subsequent Phase, Company is only required to submit sufficient information in the Subsequent Investment Report for such Phase to show that the Subsequent Investment Threshold was achieved (and shall not be required to submit additional documentation for any Investment that exceeds \$800,000,000.00). The Subsequent Investment Report may include solely new real property improvements, solely Personal Property or a combination of both real property improvements and Personal Property that constitutes a Subsequent Phase. For the avoidance of doubt, Company shall not be obligated to submit any Subsequent Investment Reports and failure to submit any such reports shall not be a default hereunder or a condition to receipt of the Property Tax Grants for the Initial Project Improvements. Provision of the Subsequent Investment Report under the Tax Abatement Agreement will also constitute provision of the Subsequent Investment Report provided under this Agreement. As noted in Section 4.2, the Subsequent Investment Report may serve as Company's notice to the City to designate a Subsequent Phase.

Notwithstanding any statement to the contrary herein, as stated in Section 4.2, Company may (but shall not be required to) designate one or more Phases. Any improvements (including Project Improvements and Personal Property) in excess of the improvements included as part of the Subsequent Investment Threshold for the final Phase that Company designates will be considered a part of such final Phase and shall be included in the calculation of the Property Tax Grants for any remaining Grant Years for the final Phase. The "final" Phase may be Phase 1 if Company only designates one Phase.

#### **4.5 El Paso Companies and El Paso Certified M/WBE Companies.**

Company intends to use commercially reasonable efforts to expend or cause the expenditure of a portion of the Construction Costs with El Paso Companies and El Paso Certified M/WBE Companies in the construction of the Project Improvements, in Company's discretion. For the avoidance of doubt, Company's failure to expend or cause the expenditure of a portion of the Construction Costs with El Paso Companies and/or El Paso Certified M/WBE Companies shall not be considered a default hereunder and such expenditures shall be within Company's sole discretion.

#### **4.6 Stan Roberts Sr. Avenue Improvements.**

**4.6.1** Subject to the Parties' obtaining any required permits or approvals from the Texas Department of Transportation ("TxDOT") and subject to extension for events of Force Majeure, the Parties agree that the Company shall design and construct or cause the design and construction of the Stan

Roberts Sr. Avenue Improvements within five (5) years of the Effective Date. The Stan Roberts Sr. Avenue Improvements may be constructed, completed and/or accepted in phases, in Company's discretion. The Company agrees to initially fund when due the cost of the Stan Roberts Sr. Avenue Improvements and the City agrees to reimburse the Company for all Construction Costs associated with the Stan Roberts Sr. Avenue Improvements that are beyond the Company's Proportionate Share in an amount not to exceed \$7,500,000.00, (subject to adjustment as described herein, the "**Maximum Reimbursement Amount**") (collectively, the "**City's Proportionate Share**"). The Maximum Reimbursement Amount may be increased by up to twenty percent (20%) if the actual Construction Costs incurred for the Stan Roberts Sr. Avenue Improvements exceed the City's construction cost estimates shared with Company as of the Effective Date, subject to approval by the City's engineer which shall not be unreasonably withheld.

**4.6.2** As a condition to receipt of the reimbursement set forth in Section 4.6.1, Company agrees to provide a written disbursement request to the City accompanied by reasonable supporting documentation evidencing Construction Costs paid or incurred for the Stan Roberts Sr. Avenue Improvements, which such supporting documentation may include but not be limited to, invoices or affidavits of payment/affidavits as to debts and liens ("**Disbursement Request**"). Upon completion of the Stan Roberts Sr. Avenue Improvements, the City will accept such improvements (which acceptance will not be unreasonably withheld, conditioned, or delayed) and from and after such acceptance, the City will own the Stan Roberts Sr. Avenue Improvements and be responsible for all maintenance and operation related thereto, except for any maintenance required of the abutting property owner for sidewalks, gutters, and curbs pursuant to Section 13.04.050 of the El Paso, Texas Code of Ordinances. Otherwise stated, the City will accept the Stan Roberts Sr. Avenue Improvements if the improvements are constructed to City standards set forth in applicable City ordinances, as confirmed by Company's engineer. The City will disburse the City's Proportionate Share to the Company upon the City's acceptance of the Stan Roberts Sr. Avenue Improvements and within 90 calendar days following the City's receipt of the Disbursement Request.

**4.6.3** Company agrees to coordinate construction of the Stan Roberts Sr. Avenue Improvements with TxDOT, if required by TxDOT. The City agrees to assist in facilitating obtaining any approvals required by TxDOT for the Stan Roberts Sr. Avenue Improvements (if any such approvals are required). Further, Company agrees to coordinate construction of the Stan Roberts Sr. Avenue Improvements with EPWater for EPWater's construction of any related water, sanitary sewer and storm improvements.

**4.6.4** The City agrees that Company's construction of the Stan Roberts Sr. Avenue Improvements will not be subject to competitive or public bidding requirements under applicable law.

**4.6.5** For the avoidance of doubt, the City agrees that completion of the Stan Roberts Sr. Avenue Improvements (or any portion thereof) shall not be a condition to any plat approval for the Land (or portion thereof), approval of construction plans, building permits, certificates of occupancy, acceptance of on-site public improvements, or any other approval required for the Company to begin construction on the Land and complete the Project Improvements (or portion thereof).

**4.6.6** The City agrees to obtain any third-party rights-of-way, consents, or easements needed for the construction and/or use of the Stan Roberts Sr. Avenue Improvements (if any are required for such construction and/or use), which the City may obtain through the use of its power of eminent domain or through other means, in the City's discretion. Any reasonable and necessary costs paid or incurred in obtaining such third-party rights-of-way, consents, or easements shall be considered Construction Costs for the Stan Roberts Sr. Avenue Improvements. Nothing in this subsection is intended to constitute a delegation of the police powers or governmental authority of the City, and the City reserves the right, at all times, to control its proceedings in eminent domain. Further, the Parties agree to cooperate in any future amendments to this Agreement needed to enable Company to construct the Stan Roberts Sr. Avenue Improvements.

#### **4.7 Inspections of Land and Project Improvements.**

From and after the date that Company submits any Reports, at a time scheduled by Company during Company's normal business hours and following at least thirty (30) calendar days' prior written notice to Company, but no more than once per calendar year, the City will have the right, in the remaining months of the calendar year in which Company submits any Reports, for up to two City employees to inspect and evaluate the Land and the Project Improvements solely in order for the City to ensure that the Project Improvements are made according to the terms and conditions of this Agreement. Notwithstanding the foregoing, Company shall have the right to require that any representative of the City be escorted by a representative or security personnel of Company during any such inspection and evaluation, and that any such City representatives follow all security rules and requirements of Company during any inspection. Company shall be able to exercise its sole, reasonable discretion in scheduling a requested inspection so as not to interfere with its operations or activity on the Land. Company may require that any and all individuals inspecting the Land or the Project Improvements must first sign a confidentiality agreement under which they agree to not discuss or publicize any information they observe during an

inspection. Further, Company may require that any information or documents that the City representatives view as part of an inspection are left at the Project Improvements.

## **5. PROPERTY TAX GRANTS; WAIVER OF FEES.**

### **5.1 Property Tax Grants.**

#### **5.1.1 Initial Project Improvements.**

Subject to the terms and conditions of this Agreement, provided that Company achieves the Investment Commitment by the Completion Deadline, subject to all extensions of time allowed by this Agreement, the City agrees to provide Company with annual grants on each Annual Payment Date in an amount equal to eighty percent (80%) of the aggregate Property Tax Revenue attributable to the Initial Project Improvements for the Twelve-Month Period ending in the same Grant Year (for each Grant Year, as applicable) (the “**Initial Property Tax Grants**”), beginning in the First Grant Year for the Initial Project Improvements, and continuing for 14 additional consecutive Grant Years thereafter, for a total of 15 consecutive Initial Property Tax Grants for the Initial Project Improvements; provided, however that (i) the City has received, prior to the applicable Annual Payment Date, the City ad valorem taxes assessed against the Initial Project Improvements (including any Personal Property located thereon) in full for the respective Grant Year (i.e., the Tax Year immediately preceding the year in which an annual Property Tax Grant is to be made), with it being understood that the immediately preceding Tax Year is used to determine the amount of the annual Initial Property Tax Grant; and (ii) Company shall not be entitled to receive Initial Property Tax Grants after the expiration of the Term.

#### **5.1.2 Additional Grants for Subsequent Phases.**

Subject to the terms and conditions of this Agreement, for each Subsequent Phase that meets the Subsequent Investment Threshold, the City agrees to provide Company with annual grants on each Annual Payment Date in an amount equal to eighty percent (80%) of the aggregate of Property Tax Revenue attributable to each eligible Subsequent Phase, as applicable, for the Twelve-Month Period ending in the same Grant Year in which the Property Tax Grant(s) for that Grant Year are payable (collectively with the Initial Property Tax Grants, the “**Property Tax Grants**”). A Subsequent Phase shall be eligible for and receive Property

Tax Grants if such Phase meets the Subsequent Investment Threshold (as confirmed in a Subsequent Investment Report). Property Tax Grants for each Subsequent Phase shall be paid to the Company beginning in the First Grant Year for each Subsequent Phase, as applicable, and continuing for 14 additional consecutive Grant Years thereafter, for a total of 15 consecutive Property Tax Grants for each eligible Subsequent Phase; provided, however that (i) the City has received, prior to the applicable Annual Payment Date, the City ad valorem taxes assessed against the applicable Subsequent Phase, if applicable (including any Personal Property located thereon) in full for the respective Grant Year (i.e., the Tax Year immediately preceding the year in which an annual Property Tax Grant is to be made), with it being understood that the immediately preceding Tax Year is used to determine the amount of the annual Property Tax Grant; and (ii) Company shall not be entitled to receive Property Tax Grants after the expiration of the Term. For the avoidance of doubt, the Property Tax Grant (and respective Property Tax Revenues attributable to each Phase) shall be calculated separately for each Phase that is eligible to receive a Property Tax Grant in any applicable year. By way of example, if Company completes four Phases (in its discretion) and meets the Subsequent Investment Threshold for all of Phases 2, 3, and 4, then Company will be entitled to fifteen (15) annual Property Tax Grants for Phase 2, fifteen (15) annual Property Tax Grants for Phase 3, and fifteen (15) annual Property Tax Grants for Phase 4 (in addition to the Initial Property Tax Grants). The Property Tax Grants for separate Phases may be paid concurrently or sequentially depending on when the First Year of Property Tax Grant begins for each Phase. For the avoidance of doubt, if Company designates a final Phase and then later completes or installs additional improvements on the Land (including Personal Property) that were not designated as part of a Phase, then all such subsequent Investment (including Project Improvements and Personal Property used to meet a Subsequent Investment Threshold and all Project Improvements and Personal Property in excess of the Subsequent Investment Threshold) will be considered a part of the final Phase and included in the calculation of any remaining Property Tax Grants for the final Phase.

## **5.2 Appropriation of Funds for Property Tax Grants.**

It is acknowledged that all Property Tax Grants paid pursuant to this Agreement shall come from currently available revenues of the City and may, but are not required to, come directly from Property Tax Revenues. In the event that the City does not appropriate funds for a Property Tax Grant payable pursuant to

the terms of this Agreement, Company shall have the right to pursue all available rights and remedies under the law. Further, City and Company acknowledge that the Property Tax Grants potentially available under this Agreement are a major factor in Company's decision to locate its operations on the Land, and any failure to appropriate funds for a Property Tax Grant would be a substantial detriment to Company. Therefore, the Term of this Agreement shall automatically be extended by one year for every year in which the City does not appropriate funds for a Property Tax Grant payable pursuant to the terms of this Agreement.

**5.3 Waiver of Fees; No Parkland Dedication Required.** Except as expressly provided in this Section 5.3, the City hereby waives, or shall cause to be waived, any and all impact fees and any and all other City fees, including but not limited to fees in lieu of parkland dedication, park fees, filing fees, development fees, application fees, review fees, inspection fees and permit fees, related to the Land and the Project (or portion thereof) or the design, development, construction or occupancy of the Project Improvements (or portion thereof). Further, by way of clarification, the City confirms that no parkland dedication is required under any applicable City ordinance, policy, or regulation since the Project is non-residential. Notwithstanding the foregoing, the City does not waive and Company agrees to pay: (a) reinspection fees (i.e., fee(s) for reinspection after failing an initial inspection) or other penalty fees incurred by the Company related to the Land and the Project (or portion thereof) or the design, development, construction or occupancy of the Project Improvements (or portion thereof); and (b) water and wastewater impact fees to the extent such fees are (i) duly adopted by the City Council of the City in accordance with Chapter 395 of the Texas Local Government Code and other applicable law; and (ii) generally applicable on a City-wide basis.

**6. DEFAULT, TERMINATION AND FAILURE BY COMPANY TO MEET VARIOUS DEADLINES AND COMMITMENTS.**

**6.1 Failure to Meet Investment Commitment.**

If the Completion Date does not occur on or before the Completion Deadline, or if the Investment Commitment is not met by the Completion Deadline, the City shall have the right to terminate this Agreement by providing written notice to Company without further obligation to Company, as its sole and exclusive remedy.

**6.2 Failure to Timely Cause Commencement of Construction.**

If Commencement of Construction does not occur within five (5) years of the Effective Date, the City shall notify Company in writing and Company shall have ninety (90) calendar days from receipt of the City's notice of such failure to cure such failure. If Company does not cure the failure within such ninety-day period, then as the City's sole and exclusive remedy under this Agreement, the

City may reduce the number of Grant Years that Company is entitled to receive a Property Tax Grant for Phase 1 for each year or portion of a year that the Commencement of Construction is delayed beyond the initial five (5) years. By way of example, if the Commencement of Construction occurs more than five (5) years after the Effective Date but on or prior to the sixth anniversary of the Effective Date, then the City may reduce the number of Property Tax Grants from fifteen (15) to fourteen (14) consecutive years of Property Tax Grants for Phase 1. Failure to cause the timely Commencement of Construction shall only impact the number of Property Tax Grants for Phase 1.

### **6.3 Failure to Meet Employment Commitment.**

In any year after the Employment Commitment Date in which Company is eligible to receive Property Tax Grant(s), if the employment level does not meet the Employment Commitment set forth in Section 4.3, the City shall notify Company in writing detailing the specific alleged failure and Company shall have one-hundred eighty (180) calendar days from receipt of the City's notice of such failure to cure such failure. If Company does not cure the failure within such one-hundred eighty day period, then the City may reduce the amount of any Property Tax Grant(s) Company is eligible to receive for that year as set forth herein, as its sole and exclusive remedy. Notwithstanding the foregoing, if Company meets the Employment Commitment in the following years, Company shall be entitled to the full amount of the Property Tax Grant(s) for such years.

**6.3.1** After the Employment Commitment Date and subject to the notice and cure period set forth above, if the number of Full-Time Jobs falls below the Employment Commitment of fifty (50) Full-Time Jobs, but does not fall below forty-one (41) Full-Time Jobs (i.e., the number of Full-Time Jobs provided is between 41-49), any Property Tax Grant(s) for that year will be reduced by eight percent (8%) for each one Full-Time Job deficiency for that year. By way of example, a total of forty-five (45) Full-Time Jobs would be a deficiency of five (5) Full-Time Jobs, which would mean a forty percent (40%) reduction in the percentage of Property Tax Revenue that makes-up the Property Tax Grant from eighty percent (80%) to forty percent (40%).

**6.3.2** After the Employment Commitment Date and subject to the notice and cure period set forth above, if the number of Full-Time Jobs falls below forty-one (41) Full-Time Jobs (i.e., 40 or less), the Company will not be eligible to receive a Property Tax Grant in that year. Company will still be eligible in future years to receive Property Tax Grants if Company meets the Employment Commitment in future years.

#### **6.4 Failure to Pay City Taxes.**

A default shall occur if any City taxes owed on the Land or on Personal Property owned by Company, become delinquent and Company does not pay such taxes, cause such taxes to be paid or properly follow the legal procedures for protest and/or contest of any such taxes within the cure period specified herein. If any City taxes owed on the Land or on the Personal Property owned by Company become delinquent, the City shall notify Company in writing and Company shall have sixty (60) calendar days to cure such default. If the default has not been cured by such time, the City shall have the right to terminate this Agreement (limited to and solely with respect to the applicable Phase that has delinquent City taxes) immediately by providing written notice to Company and shall have all other rights and remedies that may be available to it under the law or in equity necessary to collect such delinquent taxes, as the City's sole and exclusive remedies. Either payment of such taxes or initiation of and ongoing engagement in legal proceedings for protest and/or contest of such taxes shall constitute a full cure. Notwithstanding anything to the contrary herein, Company shall have the right, to the extent permitted by law, to protest, oppose and vote against any and all Taxes, and to contest the appraised value of the Land and any improvements or Personal Property located thereon.

#### **6.5 Foreclosure.**

Subject to any rights of a Mortgagee hereunder, upon the occurrence of any of the following events, the City will have the right to terminate this Agreement (with respect to the applicable Phase(s) for which the event occurs), as its sole and exclusive remedy, immediately upon provision of written notice to Company of: (i) the completion of an action to foreclose or otherwise enforce a lien, Mortgage or deed of trust on the Land or improvements located on the Land; (ii) the involuntary conveyance to a third party of the Land or improvements located on the Land; or (iii) the appointment of a trustee or receiver for the Land or improvements located on the Land.

#### **6.6 Failure to Submit Reports.**

If Company fails to submit the Initial Completion Report in accordance with Section 4.4.1 or the Employment Report in accordance with Section 4.4.2, the City shall provide written notice to Company. If Company fails to provide any such report within thirty (30) calendar days following receipt of such written notice, the City will provide a second written notice to Company. If Company fails to provide the Initial Completion Report within thirty (30) calendar days following receipt of this second written notice, as its sole and exclusive remedy, the City may (but is not required to) delay the First Grant Year for Phase 1 until the calendar year following the year in which Company provides the City with the Initial Completion Report. If Company fails to provide the Employment Report

within thirty (30) calendar days following receipt of this second written notice, as its sole and exclusive remedy, the City may (but is not required to) delay the Property Tax Grant for the year in which the Employment Report was due but not submitted (for any applicable Phase(s) otherwise eligible to receive a Property Tax Grant) until Company provides the City with the Employment Report. For the avoidance of doubt, failure to submit the Initial Completion Report or the Employment Report shall not be a default hereunder, but the City may withhold the Property Tax Grants in such a year until the City receives such reports.

#### **6.7 Knowing Employment of Undocumented Workers.**

Company acknowledges that the City is required to comply with Chapter 2264 of the Texas Government Code, enacted by House Bill 1196 (80th Texas Legislature), which relates to restrictions on the use of certain public subsidies. Company hereby certifies that Company, and any branches, divisions, or departments of Company, does not and will not knowingly employ an undocumented worker, as that term is defined by Section 2264.001(4) of the Texas Government Code. In the event that Company, or any branch, division, or department of Company, is convicted of a violation under 8 U.S.C. Section 1324a(f) (relating to federal criminal penalties and injunctions for a pattern or practice of employing unauthorized aliens), subject to any appellate rights that may lawfully be available to and exercised by Company, Company shall repay, within one hundred twenty (120) calendar days following receipt of written demand from the City, the aggregate amount of the value of any Property Tax Grant(s) received by Company hereunder, if any, plus Simple Interest at a rate of four percent (4%) per annum.

For the purposes of this Section 6.7, “**Simple Interest**” is defined as a rate of interest applied only to an original value, in this case the aggregate value of any Property Tax Grant(s) received by Company pursuant to this Agreement. This rate of interest can be applied each year, but will only apply to the amount of the Property Tax Grant(s) received hereunder and is not applied to interest calculated. For example, if the value of the Property Tax Grants received by Company hereunder is \$10,000 and it is required to be paid back with four percent (4%) interest five years later, the total amount would be  $\$10,000 + [5 \times (\$10,000 \times 0.04)]$ , which is \$12,000. This Section 6.7 does not apply to violations of any subsidiary or other Affiliate of Company, any franchisees of Company, or any person or entity with whom Company contracts.

#### **6.8 Failure to Construct the Stan Roberts Sr. Avenue Improvements.**

If Company does not timely complete construction of the Stan Roberts Sr. Avenue Improvements in accordance with Section 4.6.1 herein, the City shall notify Company in writing and Company shall have ninety (90) calendar days (or, if Company is diligently and continuously attempting to cure following receipt of

such written notice but reasonably requires more than ninety (90) calendar days to cure, then such additional amount of time as is reasonably necessary to effect cure) from receipt of the City's notice of such failure to cure such failure. If Company does not cure the failure within the aforementioned cure period, then as the City's sole and exclusive remedy under this Agreement, the City may reduce the number of Grant Years that Company is entitled to receive a Property Tax Grant for Phase 1 for each year or portion of a year that the completion of construction of the Stan Roberts Sr. Avenue Improvements is delayed beyond the initial five (5) years. By way of example, if the completion of construction of the Stan Roberts Sr. Avenue Improvements (as evidenced by Company's dedication of the same to the City) occurs more than five (5) years after the Effective Date but on or prior to the sixth anniversary of the Effective Date, then the City may reduce the number of Property Tax Grants from fifteen (15) to fourteen (14) consecutive years of Property Tax Grants for Phase 1. Failure to cause the timely completion of construction of the Stan Roberts Sr. Avenue Improvements shall only impact the number of Property Tax Grants for Phase 1. For the avoidance of doubt, the City may have other, separate remedies for failure to timely complete construction of the Stan Roberts Sr. Avenue Improvements under the Contract of Sale for the Land.

#### **6.9 General Breach.**

Unless and to the extent stated elsewhere in this Agreement, a Party will be in default under this Agreement if such Party breaches any material term or condition of this Agreement and such breach remains uncured after sixty (60) calendar days following receipt of written notice from the other Party referencing this Agreement and identifying the default and curative action required to cure the same (or, if the Party in breach has diligently and continuously attempted to cure following receipt of such written notice but reasonably requires more than sixty (60) calendar days to cure, then such additional amount of time as is reasonably necessary to effect cure), the non-breaching Party, will have the right to terminate this Agreement (with respect to the applicable Phase(s) in which an uncured breach occurred) immediately by providing written notice to the other Party. Notwithstanding the foregoing, the aforementioned cure period shall not be applicable to any monetary obligations of a Party hereunder. For the avoidance of doubt, a Party shall not be considered in default unless and until such Party receives a notice of default and fails to cure such failure within the cure period stated herein. In the event of City's default that is not cured within any applicable cure period, Company may terminate this Agreement, pursue an action for specific performance, or seek any other remedy allowable at law or in equity, except as limited by Section 6.11 herein.

**6.10 City's Sole Remedy in the Event of Breach.**

Except as otherwise specifically provided herein, the City's sole remedy in the event of Company's uncured breach of any condition or obligation under this Agreement will be the City's right to terminate this Agreement (with respect to the applicable Phase(s) in which an uncured breach occurred), after expiration of the applicable notice and cure period, upon written notice to Company of such termination and a detailed explanation citing the City's right to such termination. In addition, except as required by Section 6.7 of this Agreement, Company will not be required to repay any Property Tax Grants received in the event of a default.

**6.11 Mutual Waiver of Consequential Damages.**

Except in the case of gross negligence, bad faith or willful misconduct, for which claims for consequential damages are expressly reserved by the Parties, each Party hereby waives all claims against the other Party for any consequential or indirect damages that may arise out of or relate to this Agreement.

**6.12 No Cross-Defaults.**

Notwithstanding any statement to the contrary in this Agreement, all terms, conditions and obligations of this Agreement shall apply to each Phase independently. By way of example and for the avoidance of doubt, in the event of a default with respect to Phase 3 (if Company chooses, in its sole discretion, to develop Phase 3, or any Subsequent Phases), such default would have no impact on the Property Tax Grants, or Company's obligations with respect to the Initial Project Improvements, Phase 2, Phase 4 or any other Phase, as applicable (if such Phases exist), except Phase 3. Further, all terms, conditions and obligations of this Agreement shall apply independent of all terms, conditions, and obligations under the Tax Abatement Agreement. A default or termination under this Agreement does not constitute a default under the Tax Abatement Agreement, or vice versa.

**7. INDEPENDENT CONTRACTOR.**

It is expressly understood and agreed that Company shall operate as an independent contractor in each and every respect under this Agreement and not as an agent, representative or employee of the City. Company shall have the exclusive right to control all details and day-to-day operations relative to the Land and any improvements thereon and shall be solely responsible for the acts and omissions of its officers, agents, servants, employees, contractors, subcontractors, licensees and invitees. Company acknowledges that the doctrine of *respondeat superior* will not apply as between the City and Company, its officers, agents, servants, employees, contractors, subcontractors, licensees, and invitees. The Parties agree that nothing in this Agreement will be

construed as the creation of a partnership or joint enterprise between the City and Company.

**8. INDEMNIFICATION AND RELEASE.**

***COMPANY AGREES TO DEFEND, INDEMNIFY AND HOLD THE CITY, ITS OFFICERS, AGENTS SERVANTS AND EMPLOYEES, HARMLESS AGAINST ANY AND ALL CLAIMS, LAWSUITS, ACTIONS, COSTS AND EXPENSES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO, THOSE FOR PROPERTY DAMAGE OR LOSS AND/OR PERSONAL INJURY, INCLUDING DEATH, THAT MAY ARISE OUT OF OR BE OCCASIONED BY (i) COMPANY'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS AGREEMENT OR (ii) ANY NEGLIGENT ACT OR OMISSION OR INTENTIONAL MISCONDUCT OF COMPANY, ITS OFFICERS, AGENTS, ASSOCIATES, EMPLOYEES, CONTRACTORS OR SUBCONTRACTORS, RELATED TO THE LAND, IMPROVEMENTS ON THE LAND, INCLUDING THE PROJECT IMPROVEMENTS, AND ANY OPERATIONS AND ACTIVITIES THEREON, OR OTHERWISE TO THE PERFORMANCE OF THIS AGREEMENT. NOTWITHSTANDING THE FOREGOING, THE COMPANY SHALL NOT, HOWEVER, BE REQUIRED TO INDEMNIFY THE CITY AGAINST CLAIMS CAUSED BY THE CITY'S SOLE NEGLIGENCE OR WILLFUL MISCONDUCT, AND IF THE CITY INCURS CLAIMS THAT ARE CAUSED BY THE CONCURRENT FAULT OR NEGLIGENCE OF COMPANY AND THE CITY, THE COMPANY'S INDEMNITY OBLIGATION WILL BE LIMITED TO A FRACTION OF THE TOTAL CLAIMS EQUIVALENT TO THE COMPANY'S OWN PERCENTAGE OF RESPONSIBILITY IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS.***

**TO THE EXTENT ALLOWABLE BY TEXAS LAW; CITY HEREBY RELEASES AND AGREES TO HOLD HARMLESS COMPANY, ITS OFFICERS, AGENTS, AFFILIATES AND EMPLOYEES, FROM AND AGAINST ANY AND ALL CLAIMS, LAWSUITS, ACTIONS, COSTS AND EXPENSES OF ANY KIND, INCLUDING, BUT NOT LIMITED TO THOSE FOR PROPERTY DAMAGE OR LOSS AND/OR PERSONAL INJURY, INCLUDING DEATH, THAT MAY RELATE TO, ARISE OUT OF OR BE OCCASIONED BY (i) THE CITY'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS AGREEMENT OR (ii) ANY NEGLIGENT ACT OR OMISSION OR INTENTIONAL MISCONDUCT OF THE CITY, ITS OFFICERS, SERVANTS, AGENTS, ASSOCIATES, EMPLOYEES, CONTRACTORS OR SUBCONTRACTORS, RELATED TO THE LAND, IMPROVEMENTS ON THE LAND, INCLUDING THE PROJECT IMPROVEMENTS, AND ANY OPERATIONS AND ACTIVITIES THEREON, OR OTHERWISE TO THE PERFORMANCE OF THIS AGREEMENT. NOTWITHSTANDING THE FOREGOING, THE CITY SHALL NOT, HOWEVER, BE REQUIRED TO INDEMNIFY THE COMPANY AGAINST CLAIMS CAUSED BY THE COMPANY'S SOLE NEGLIGENCE OR WILLFUL MISCONDUCT, AND IF THE CITY INCURS CLAIMS THAT ARE CAUSED BY THE CONCURRENT FAULT OR NEGLIGENCE OF COMPANY AND THE CITY, THE CITY'S OBLIGATION WILL BE LIMITED TO A FRACTION OF THE TOTAL CLAIMS EQUIVALENT TO THE CITY'S OWN PERCENTAGE OF RESPONSIBILITY IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS.**

**10. ASSIGNMENT AND SUCCESSORS.**

**10.1 Affiliates and Future Owners or Lessees.**

Company may at any time assign, transfer or otherwise convey any of its rights or obligations under this Agreement, in whole or in part, to an Affiliate, future owner of all or a portion of the Land or lessee of all or a portion of the Land or Project Improvements without the consent of the City, but upon written notice to the City (and upon such assignment the assigning entity shall be relieved of its covenants, commitments and obligations hereunder to the extent of the rights and obligations so assigned).

**10.2 Collateral Assignment.**

Company may assign its rights and obligations under this Agreement, in whole or in part, to a financial institution or other lender for purposes of granting a Mortgage in the Land and/or improvements thereon without the consent of the City, but upon written notice to the City.

**10.3 Sale/Leaseback.**

So long as Company or an Affiliate to which this Agreement has been assigned remains a lessee, or its substantial equivalent, Company may transfer fee simple title to the Land to a third party and continue to exercise its rights and obligations under this Agreement, including but not limited to the rights to receive Property Tax Grants hereunder, and may choose to retain its rights and obligations under this Agreement (in lieu of an assignment).

**10.4 Other Assignment.**

Except as otherwise provided by Sections 10.1, 10.2 and 10.3 herein, Company may not assign, transfer or otherwise convey any of its rights or obligations under this Agreement to any other person or entity without the consent of the City Council, which consent shall not be unreasonably withheld, conditioned

or delayed, but conditioned on: (i) the prior approval of the assignee or successor and finding by the City Council that the proposed assignee or successor is financially capable of meeting the terms and conditions of this Agreement and (ii) prior execution by the proposed assignee or successor of a written agreement with the City under which the proposed assignee or successor agrees to assume and be bound by all covenants and obligations of Company under this Agreement. Any attempted assignment other than an assignment pursuant to Sections 10.1, 10.2 or 10.3 without the City Council's prior consent shall constitute grounds for termination of this Agreement following ten (10) calendar days after receipt of written notice from the City to Company (provided that the City shall only be entitled to send such termination notice after Company's failure to cure within the cure period set forth in Section 6.9 herein). Any permitted assignee or successor in interest of Company of rights and/or obligations under this Agreement shall be deemed "Company" for all purposes under this Agreement.

**11. ESTOPPEL CERTIFICATE.**

Upon written request by Company to the City, the City will provide Company with a certificate stating, as of the date of the certificate, (i) whether this Agreement is in full force and effect and, if Company is in breach of this Agreement, the nature of the breach and the curative action required to cure the same; (ii) a statement as to whether this Agreement has been amended and, if so, the identity of each amendment; and (iii) any other factual matters reasonably requested that relate to this Agreement. The City Manager or its authorized designee may execute, after review as to form by the City Attorney's Office, on behalf of the City, any estoppel certificate requested by the Company that is consistent with this Section 11. The City acknowledges that an estoppel certificate may be relied upon by transferees or successors in interest to the Company and by Mortgagees holding an interest in the Land.

**12. COMPLIANCE WITH LAWS, ORDINANCES, RULES AND REGULATIONS.**

This Agreement will be subject to all applicable federal, state and local laws, ordinances, rules and regulations.

**13. LIMITED WAIVER OF IMMUNITY.**

The Parties are entering into this Agreement in reliance upon its enforceability. Consequently, the City unconditionally and irrevocably waives all claims of sovereign and governmental immunity which it may have (including, but not limited to, immunity from suit and immunity to liability), if any, to the extent, but only to the extent, that a waiver is necessary to enforce specific performance of this Agreement (including all of the remedies provided under this Agreement) and to give full effect to the intent of the Parties under this Agreement. Notwithstanding the foregoing, the waiver contained herein shall not waive any immunities that the City may have with respect to claims of injury to

persons or property, which claims shall be subject to all of their respective immunities and to the provisions of the Texas Tort Claims Act. Further, the waiver of immunity herein is not enforceable by any party not a Party to this Agreement.

#### **14. ADDITIONAL PROVISIONS.**

##### **14.1 Future Land Uses and Zoning.**

The City acknowledges that as of the Effective Date Company's proposed land use is consistent with and allowed pursuant to the C-4 (Commercial District) zoning classification of the Land. Moreover, the current Comprehensive Plan provides that uses consistent with this zoning classification are the most appropriate for the Land. In the event that the City receives any request for a residential zoning classification within 250 feet of the Land, the City will promptly provide Company with written notice of such request.

##### **14.2 Compliance With and Changes in Applicable City Rules.**

The City represents to the Company that no Applicable City Rule conflicts with the provisions of this Agreement. The City shall not add or modify any Applicable City Rule, including any zoning, land use or building regulation, with the express or inferred intent to specifically or inequitably target the Project, the Land, the Company or the data center industry or in a manner that adversely affects the Project, the Land or the data center industry.

##### **14.3 Expedited Permitting.**

During the Term, the City shall expedite the review and any response to the permits, approvals, maps, plans, inspections, applications and other requests in connection with the Land and Project Improvements (including staff review processing and actions by any boards and commissions). The City shall appoint an appropriate staff member with knowledge and experience in the relevant subject area dedicated to the prompt review of any and all plans and the prompt performance of any and all inspections required for the design, construction, development and occupancy of the Project Improvements (or portion thereof), and otherwise to organize and expedite such permit approval and review.

##### **14.4 New Taxes.**

City staff shall not during the Term recommend or support any new Taxes that are applicable solely to the Project, the Company, the Land, operators of computer equipment, or the data center industry or with the express or inferred intent to specifically or inequitably target the Project, the Company, the Land or the data center industry.

#### **14.5 Entitlement to Develop.**

The City represents to the Company that as of the Effective Date: (i) the Existing Zoning applies to the Property pursuant to Ordinance No. \_\_\_\_\_ approved by the City Council on December 5, 2023, an ordinance validly adopted by the City Council in accordance with applicable law; and (ii) electronic data management businesses, corporate campuses, offices, and research and development uses are permitted uses under the Existing Zoning. The Company has the vested right to develop and operate the Project pursuant to Chapter 245 of the Texas Local Government Code, including the right to maintain, remodel, renovate, rehabilitate, rebuild, replenish or replace the Project or any portion thereof (including any equipment used in operating the Project) throughout the Term for any reason, including in the event of damage, destruction or obsolescence of the Project or any portion thereof (including any equipment used in operating the Project). To the extent that the Project or any portion thereof (including any equipment used in operating the Project) is remodeled, renovated, rehabilitated, rebuilt, replenished or replaced, the Company may locate the Project or any portion thereof (including any equipment used in operating the Project) anywhere on the Land and still be eligible for the Property Tax Grants hereunder.

#### **14.6 Calculation of Dates.**

If the date for the performance of any covenant or obligation under this Agreement shall fall on a Saturday, Sunday or legal holiday in the State of Texas, then the date for performance thereof shall be extended to the next Business Day.

#### **14.7 Alternative Energy.**

The City acknowledges that the Company is exploring (but shall not be obligated to pursue) options to use alternative energy sources, including solar panels, geothermal cooling and wind energy, to operate the Project or a portion thereof. The City represents to the Company that such alternative energy sources are permitted uses on the Land under the Applicable City Rules.

#### **14.8 Project Approvals.**

The City has taken all required actions with respect to the Project Approvals indicated on **Exhibit “E”**. The City shall assist and cooperate in good faith with the Company in connection with obtaining any other City approvals, permits, and similar documents, as may be necessary or desirable in connection with the development or operation of the Project. If City action is required in connection with obtaining any such approvals, permits, or other documents, the City shall take final action within ten (10) Business Days following its receipt of each such request; provided that such period shall be tolled for any period during

which the City is awaiting revisions or additional information from the Company that are necessary to complete the City process.

**14.9 Moratoria or Interim Control Ordinances.**

No ordinance, resolution, policy or other measure enacted after the Effective Date that relates directly or indirectly to the Project or to fees associated with or the timing, sequencing or phasing of the development or construction of the Project shall apply to the Property or this Agreement, unless it is (i) reasonably found by the City to be necessary to the public health and safety of the residents of the City and (ii) generally applicable on a City-wide basis (except to the extent necessary in the event of a natural disaster).

**14.10 Other Approvals.**

The City shall assist and cooperate in good faith with the Company in connection with obtaining any (i) approvals and permits from other governmental or quasi-governmental agencies having jurisdiction over the Land or the Project, and (ii) similar documents and instruments from third parties, as may be necessary or desirable in connection with the development or operation of the Project. If City action is required in connection with obtaining any such approvals, permits, documents or instruments, the City shall take final action within ten (10) Business Days following its receipt of each such request; provided that such period shall be tolled for any period during which the City is awaiting revisions or additional information from the Company that are necessary to complete the City process.

**14.11 Ethical Business Practices; No Procurement Process.**

In connection with the negotiation and performance of this Agreement, the City represents and warrants that it has complied and covenants that it shall comply with all Applicable City Rules and applicable laws, including without limitation anti-corruption legislation, and that it has used and shall use only legitimate and ethical business practices. The performance of any obligations under this Agreement does not require the Company to submit any bid or otherwise participate in any procurement process of the City or to undertake any other obligations required by procurement laws and regulations of the City or other applicable law.

**15. NO WAIVER.**

The failure of either Party to insist upon the performance of any term or provision of this Agreement or to exercise any right granted hereunder shall not constitute a waiver of that Party's right to insist upon appropriate performance or to assert any such right on any future occasion.

**16. VENUE AND JURISDICTION; ATTORNEYS' FEES.**

If any action, whether real or asserted, at law or in equity, arises on the basis of any provision of this Agreement, venue for such action shall lie in and be brought exclusively in either the federal courts of the Northern District of Texas, Dallas Division, or in the State District Courts of El Paso County, Texas. This Agreement shall be construed in accordance with the laws of the State of Texas. In the event any action is brought by either Party hereto against the other Party, relating to or arising out of this Agreement, the transaction described herein or the enforcement hereof, the prevailing Party shall be entitled to recover from the other Party the reasonable attorneys' fees, costs and expenses incurred in connection with the prosecution or defense of such action, including, without limitation, the costs and fees incurred in connection with the enforcement or collection of any judgment obtained in any such proceeding. The provisions of this Section 16 shall survive the termination of this Agreement and the entry of any judgment, but shall not merge, or be deemed to have merged, into any judgment.

**17. MORTGAGES.**

**17.1 Mortgages.**

This Agreement shall not prevent or limit the Company from encumbering the Land or any estate or interest therein, portion thereof, or any improvement thereon, in any manner whatsoever by one or more Mortgages with respect to the construction, development, use or operation of the Project or any portion thereof. The City acknowledges that Mortgagees may require certain interpretations and modifications of this Agreement. Upon the Company's request from time to time, the City shall meet with the Company and such Mortgagees to negotiate in good faith any such requests for interpretation or modification. The City shall not withhold its consent to any such requested interpretation or modification that is consistent with the intent and purposes of this Agreement.

**17.2 Mortgagee Not Obligated.**

A Mortgagee shall not have any obligation or duty to perform pursuant to the terms set forth in this Agreement.

**17.3 Mortgagee Notice and Cure Rights.**

If requested in writing by a Mortgagee, the City shall deliver to such Mortgagee any notice of default delivered to the Company hereunder. Notwithstanding any statement to the contrary herein, a Mortgagee shall have the right, but not the obligation, to cure such default within one hundred twenty (120) days after such Mortgagee receives such notice, during which period the City shall not exercise any remedies hereunder.

#### **17.4 Disaffirmation.**

If this Agreement is terminated with respect to a portion of the Land by reason of any default by the Company or as a result of a bankruptcy proceeding of the Company, or if this Agreement is disaffirmed by a receiver, liquidator or trustee for the Company or its property, then the City, if requested by a Mortgagee, shall negotiate in good faith, with the most senior requesting Mortgagee, a new agreement for the Project as to such portion of the Land. This Agreement does not require any Mortgagee or the City to enter into a new agreement pursuant to this Section 17.4.

#### **18. SEVERABILITY; CONFLICTING LAW.**

If any provision of this Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired. If any law is enacted after the Effective Date that prohibits either Party from materially performing its duties and obligations under this Agreement or that affects the ability of Company to receive the Property Tax Grants hereunder, the Parties agree to meet and confer in good faith for a period of no less than thirty (30) and no more than ninety (90) days to seek to effectuate an amendment to this Agreement that preserves, to the extent reasonably possible, the original intentions of the Parties under this Agreement, with the understanding that this Agreement cannot be amended without the approval of the City Council.

#### **19. CONFIDENTIAL INFORMATION.**

Company may designate any trade secrets or confidential business information included in any report or other writing delivered to City pursuant to or in connection with this Agreement by any method intended to clearly set apart the specific material that Company claims to be either its trade secrets or confidential business information that, if released, would give an advantage to competitors or result in unfair competitive injury to Company (such information, whether specifically designated by Company or not, collectively, “**Confidential Business Information**”). Unless or until the Texas Attorney General renders a final decision indicating that all or part of the information must be disclosed (after City opposes the release as described below), City shall redact or delete any Confidential Business Information from any records it makes available for inspection or of which it provides copies. Within two (2) Business Days following City’s receipt of any request to inspect or obtain copies of public records relating to this Agreement or the Project, City shall provide written notice of the same to Company, which notice shall include a copy of such request. Such notice shall also include instructions and deadline(s) for Company to make its argument of confidentiality to the Texas Attorney General. City shall not allow inspection or provide copies of any such requested records until Company shall have had not less than 10 Business Days (following and excluding the day on which Company receives such notice) to determine whether to contest the right of any party to inspect or receive copies of such records. Additionally, upon such a request for public

records and within the time periods required pursuant to the Texas Public Information Act (“TPIA”), City shall submit a brief to the Texas Attorney General’s Office opposing the release of any Confidential Business Information and identifying the basis for any claimed exceptions under the TPIA; provided, however, nothing herein shall prevent or limit Company’s right to claim any exemption from disclosure it believes applicable directly to the Texas Attorney General. City shall not allow inspection or provide copies of any Confidential Business Information unless and until the Texas Attorney General renders a final decision indicating that all or part of the information must be disclosed (after opposing the release of such information as described above and pursuant to the processes outlined in the TPIA). Any such action to enjoin the release of Confidential Business Information may be brought in the name of Company or City. The costs, damages, if any, and attorneys’ fees in any proceeding commenced by Company or at its request by City to prevent or enjoin the release of Confidential Business Information in any public records relating to this Agreement or the Project shall be borne by Company.

**20. MUTUAL ASSISTANCE; DISPUTE RESOLUTION.**

The Parties will do all things reasonably necessary or appropriate to carry out the objectives, terms and provisions of this Agreement and to aid and assist each other in carrying out such objectives, terms and provisions, including without limitation, the City facilitating approval of City permits, documents, and other instruments as may be reasonably necessary in carrying out such objectives. In case of any disputes arising under this Agreement, the City and Company agree to attempt to resolve such disputes through good faith negotiations between authorized representatives of both Parties. If necessary, both Parties agree to submit a dispute to a non-binding mediation. If a dispute cannot be resolved through non-binding mediation, either Party may pursue any available legal remedies in any court of competent jurisdiction that satisfies the requirements of Section 16, or, if both Parties mutually agree, the dispute may be submitted to binding arbitration in accordance with procedures to which both Parties agree.

**21. CITY PROCEDURES AND ACTIONS.**

The City Council, after conducting a duly-noticed public meeting, adopted a resolution on December 4, 2023, effective immediately upon adoption, which resolution (i) confirmed the City Council’s approval of this Agreement and the City Council’s finding that the provisions of this Agreement are consistent with the Comprehensive Plan and the Applicable City Rules and (ii) authorized the execution of this Agreement. The City represents and warrants to the Company that (a) the City has the full power and authority to enter into this Agreement and to perform its obligations hereunder, (b) this Agreement is a valid and binding obligation, enforceable against the City in accordance with the terms hereof and (c) the execution and delivery of this Agreement has been validly authorized by all necessary governmental or other action and does not conflict with any other agreements entered into by the City.

**22. NO THIRD PARTY RIGHTS.**

The provisions and conditions of this Agreement are solely for the benefit of the Parties, including any successor or permitted assign of Company, and are not intended to create any rights, contractual or otherwise, to any other person or entity.

**23. FORCE MAJEURE.**

It is expressly understood and agreed by the Parties to this Agreement that, except for payments of Property Tax Grants rightfully due hereunder, if the performance of any obligations hereunder is delayed by reason of Force Majeure, the Party so obligated or permitted shall be excused from doing or performing the same during such period of delay, so that the time period applicable to such design or construction requirement and the completion deadline shall be extended for a period of time equal to the period such Party was delayed; provided, however, in all cases, only to the extent that the Party claiming Force Majeure (1) did not cause such Force Majeure condition, and (2) throughout the pendency of such Force Majeure condition, utilizes commercially reasonable efforts to minimize the impact and delays caused by such Force Majeure condition.

**24. INTERPRETATION.**

In the event of any dispute over the meaning or application of any provision of this Agreement, this Agreement shall be interpreted fairly and reasonably, and neither more strongly for or against any Party, regardless of the actual drafter of this Agreement. Each Party was represented by legal counsel in the negotiation of this Agreement.

**25. CAPTIONS.**

Captions and headings used in this Agreement are for reference purposes only and shall not be deemed a part of this Agreement.

**26. ENTIRETY OF AGREEMENT.**

This Agreement, including any exhibits attached hereto and any documents incorporated herein by reference, contains the entire understanding and agreement between the Parties as to the matters contained herein. Any prior or contemporaneous oral or written agreement is hereby declared null and void to the extent in conflict with any provision of this Agreement, and superseded by this Agreement. Notwithstanding anything to the contrary herein, this Agreement shall not be amended unless executed in writing by both Parties and approved by the City Council.

**27. WAIVER OF JURY TRIAL.**

EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM,

DEMAND, ACTION OR CAUSE OF ACTION (I) ARISING UNDER THIS AGREEMENT OR (II) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS RELATED HERETO. EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY A COURT TRIAL WITHOUT A JURY AND THAT EITHER PARTY MAY FILE A COPY OF THIS AGREEMENT WITH ANY COURT AS EVIDENCE OF SUCH WAIVER.

**28. COUNTERPARTS.**

This Agreement may be executed in multiple counterparts, each of which shall be considered an original, but all of which shall constitute one instrument. A scanned or photocopy signature on this Agreement, any amendment hereto or any notice delivered hereunder shall have the same legal effect as an original signature.

**29. CONFLICTS OF INTEREST.**

Neither the Land nor any improvements thereon are owned or leased by any member of the City Council or any member of the City Planning and Zoning Commission.

**30. EFFECT ON OTHER VESTED RIGHTS.**

This Agreement does not abrogate any rights established or preserved by any applicable law, or by the Water and Wastewater Agreement or by any other agreement or contract executed by the City and the Company or an Affiliate in connection with the Project, or that have vested or may vest pursuant to common law or otherwise.

**MAJOR ARTERIAL DRIVABLE SUBURBAN AREA TYPE**  
92 FT TOTAL ROW

Wider sidewalks are desirable, but in trade-offs and constrained situations, 6 ft minimum is critical to preserve in Drivable Suburban area types.

Medians are a preferred means of access management, with space to allow turn lanes. Two-way left turn lanes may be used in existing conditions with frequent driveway spacing or where access management is difficult to implement.

Number of travel lanes should be determined by traffic volumes (or projected volumes from new major developments). 11 ft outer lanes are preferred on major transit and truck route corridors.

Bicycle facilities should be included when designated in the El Paso Bike Plan, with protected facilities preferred. This may be substituted for on-street parking in space constrained areas and in industrial land use contexts where curbside parking is a low priority. Bike lane dimensions are inclusive of the gutter.

Planter strips or hardscape areas allow street trees and critical separation of pedestrians and moving traffic in Drivable Suburban area types, especially when parking or bike facilities are not included.
