Alfred Reeves Bio

Alfred's life has taken him on many journeys, giving him a very unique and diverse skillset. He's had the opportunity to travel around the world and work in many different countries. He enjoys connecting with people from other cultures during his travels, and has always followed his intuitive side, which he credits as having put him on his current life path.

With more than 20 years in the United States Air Force, Alfred retired as a Captain. He then worked and retired as a Senior Engineer with Raytheon, having spent 10 years working on a project in Saudi Arabia. Next, he held a position at the City of El Paso Texas, retiring from there after 8 years.

Alfred's education includes a Bachelor of the Arts degree from Penn State University and an MBA from the University of Phoenix. He also holds a Bachelor of Metaphysical Science, from the University of Metaphysics, and he is an ordained metaphysical minister, having received his ordination and practitioner diploma from the International Metaphysical Ministry University Seminary. Currently Alfred is working on his Ph.D. at the University of Sedona located in Arizona.

Additionally, Alfred is a Certified Life Purpose Coach, a graduate from the Life Purpose Institute in La Jolla, California. He helps his clients with spiritual and physical transformations. Alfred is very active in the community by volunteering his time in serving others.
