ZONING: R-4 (Residential)
REQUEST: Special Exception B (Two or More Nonconforming Lots) and Special Exception J (Carport Over a Driveway)
PUBLIC INPUT: None received as of October 8, 2024

SUMMARY OF REQUEST: Applicant requests a Special Exception under Section 2.16.050 B (Two or More Nonconforming Lots) and Section 2.16.050 J (Carport Over a Driveway) to allow to legalize two (2) attached accessory structures, extending into both the required side yard setbacks and to permit the construction of a proposed carport, extending into the required front yard setback in the R-4 (Residential) zone district.

DESCRIPTION OF REQUEST: The applicant is requesting a special exception to allow to legalize two (2) attached accessory structures, each with an area of 37.2 and 44.49 square feet, extending into each of the required 5-foot side yard setbacks. Additionally, the applicant is requesting a special exception to permit the construction of 520 square foot carport, extending 15 feet into the required front yard setback. This will result in a total encroachment of 473.69 square feet.

BACKGROUND: The required front setback is 20 feet in the R-4 (Residential) zone district. The required rear setback for the subject property is 25 feet to meet the cumulative front and rear setback of 45 feet in the R-4 (Residential) zone district. Per El Paso City Code, the existing accessory structure located at the farthest point of the rear yard shall be relocated or removed from the utility easement area in order for this exception to apply.

Aerial photographs show that four other properties on the same block also have accessory structures in both side yard setbacks. 1400 Backus Street has an accessory structure encroaching on 42.21 square feet.
