GENERAL INFORMATION:

The applicant seeks approval for:

Certificate of Appropriateness for replacement of clay roof tiles with concrete

STAFF RECOMMENDATION:

The Historic Preservation Office recommends APPROVAL of the proposed scope of work based on the following recommendations:

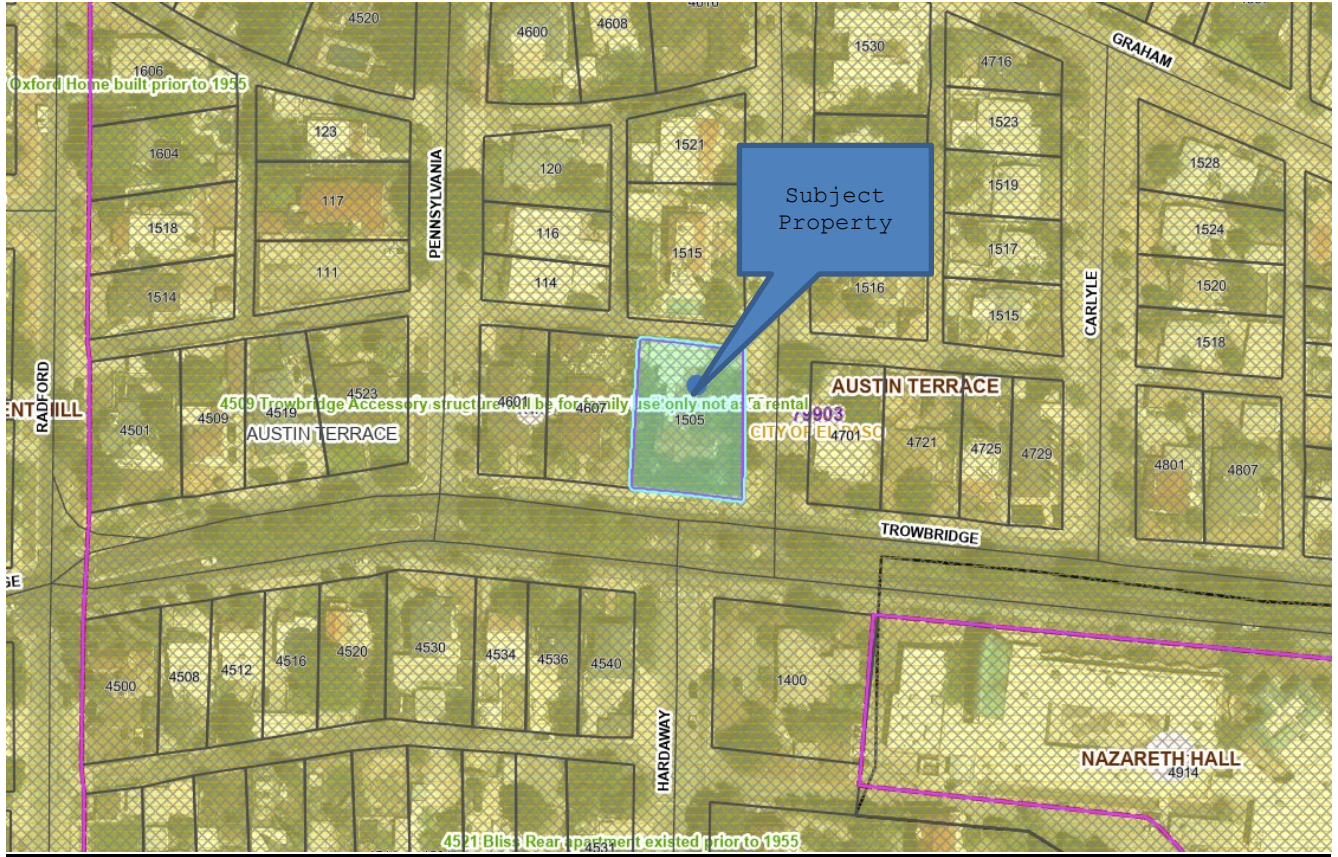

The Design Guidelines for El Paso's Historic Districts, Sites, and Properties recommend the following:

- *The distinctive features of each roof type should be retained as they are character-defining elements. If a roof requires repair, the replacement materials must match the original or existing materials as closely as possible. Do not change the style or construction of the roof.*

The Secretary of the Interior's Standards for Rehabilitation recommend the following:

- *The historic character of a property shall be retained and preserved. The removal of historic materials or alteration of features and spaces that characterize a property shall be avoided.*
