

Residential Street Resurfacing 2023 Solicitation 2023-0267

Richard Bristol, Director, Streets and Maintenance

June 20, 2023

Strategic Plan Goal:

7: Enhance and Sustain El Paso's Infrastructure Network

7.2: Improve competitiveness through infrastructure improvements impacting the quality of life

Purpose of Initial Procurement

- The purpose of the contract is to provide a tool for the resurfacing of **residential** streets within the City of El Paso; this includes milling, paving, repair of concrete elements, and removal of architectural barriers and installation of assessable curb cut ramps throughout the City at selected resurfacing sites.
- This contract provides labor, materials, equipment and traffic control necessary to repair and/or maintain paved structures such as project streets, alleys, parking lots or other paved surfaces necessary to enhance and improve El Paso's street infrastructure Citywide.
