<b>CASE NUMBER:</b>	<b>PZRZ25-00023</b>
<b>CASE MANAGER:</b>	Alejandra González, (915) 212-1506, GonzalezAG@elpasotexas.gov
<b>PROPERTY OWNER:</b>	EP Transmountain Residential, LLC
<b>REPRESENTATIVE:</b>	Conde, Inc.
<b>LOCATION:</b>	Generally East of North Desert Blvd. and North of Transmountain Rd. (District 1)
<b>PROPERTY AREA:</b>	9.38 acres
<b>REQUEST:</b>	Rezone from R-5/c (Residential/conditions) to C-3/c (Commercial/conditions)
<b>RELATED APPLICATIONS:</b>	None
<b>PUBLIC INPUT:</b>	None received as of February 19, 2026

**SUMMARY OF REQUEST:** The applicant is requesting to rezone the subject property from R-5/c (Residential/conditions) to C-3/c (Commercial/conditions) to allow for the use of a public utility service and other retail establishment.

**SUMMARY OF STAFF'S RECOMMENDATION:** Staff recommends **DENIAL** of the C-3 (Commercial) rezoning request. The proposed C-3 (Commercial) zoning district and allowed uses are not appropriate for the property in relation to proposed adjacent single-family development and has the potential to negatively impact the character of the area.

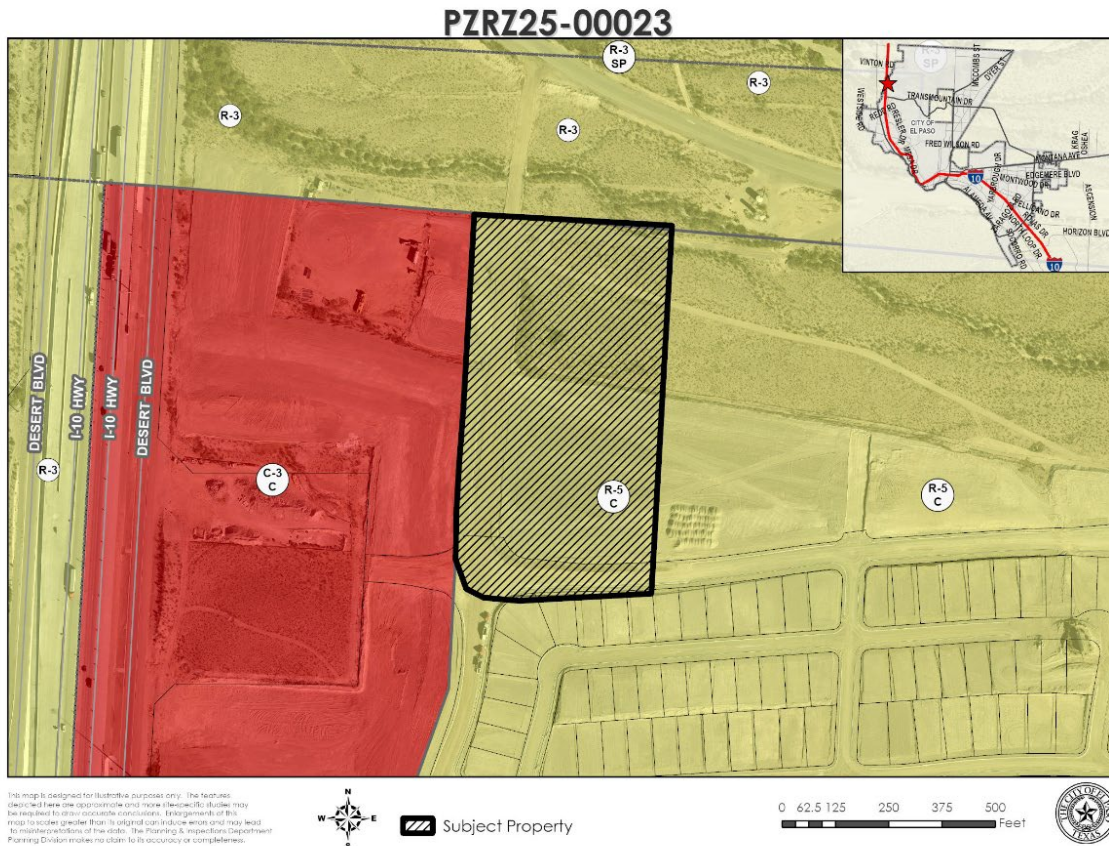

Figure A. Subject Property & Immediate Surroundings

**DESCRIPTION OF REQUEST:** The applicant is requesting to rezone the subject property from R-5/c (Residential/conditions) to C-3/c (Commercial/conditions) to allow for public utility service and other retail establishment. The size of the property is 9.38 acres and is currently vacant. The conceptual site plan shows a site for a proposed electric substation and four (4) retail buildings with vehicular traffic access via future roadways. The conceptual plan is not being reviewed for conformance and is not binding.

**PREVIOUS CASE HISTORY:** Ordinance No. 19286 (attachment 3), dated February 1, 2022, rezoned the subject property from R-MU (Residential Mixed Use) to R-5 (Residential) for a proposed residential development and imposed the following applicable condition to Parcel 1:

*4. That prior to the issuance of certificates of occupancy for Parcel 1, 2, and 3, the rezonings for the properties identified as “future commercial” on Exhibit B be submitted and processed by the City.*

**Note: Condition has been fulfilled.**

**COMPATIBILITY WITH NEIGHBORHOOD CHARACTER:** The proposed zoning district is not compatible with proposed residential development as per platted single-family lots to the south and the adjacent proposed park to the east. The proposed C-3 (Commercial) zoning district has the potential to allow uses not suitable or desired in the area, such as heavy automotive and transportation uses, that can negatively impact the character of the adjacent residential neighborhood. Possible conditions to the rezoning were considered to protect adjacent single-family development, but were deemed excessive due to the proposal’s incompatibility.

Moreover, the proposed uses of public utility service facility and other retail can be achieved on less intense commercial zoning districts without introducing other uses that can negatively impact residential areas, or the uses can be developed on existing C-3 (Commercial) zoned property to the west and along Interstate 10. The area and surrounding properties are proposed to be developed as a single-family subdivision with abutting properties to the north and east zoned R-3 (Residential) and R-5 (Residential); property to the south zoned R-5/c (Residential/conditions); and properties to the west zoned C-3/c (Commercial/conditions). The closest school is Canutillo High School located 4.0 miles away and the closest park is Enchanted Hills Park #3 located 1.6 miles away.

<b>COMPLIANCE WITH PLAN EL PASO/REZONING POLICY – When evaluating whether a proposed rezoning is in accordance with <i>Plan El Paso</i>, consider the following factors:</b>	
<b>Criteria</b>	<b>Does the Request Comply?</b>
<p><b>Future Land Use Map:</b> Proposed zone change is compatible with the Future Land Use designation for the property:</p> <p><b>G-4, Suburban (Walkable):</b> This sector applies to modern single-use residential subdivisions and office parks, large schools and parks, and suburban shopping centers. This sector is generally stable but would benefit from strategic suburban retrofits to supplement the limited housing stock and add missing civic and commercial uses.</p>	<p>Yes. The subject property and the proposed C-3 (Commercial) zoning district meet the G-4, Suburban (Walkable) Future Land use designation of <i>Plan El Paso</i>.</p>

<p><b>Compatibility with Surroundings:</b> The proposed zoning district is compatible with those surrounding the site:  <b>C-3 (Commercial) District:</b> The purpose of these districts is to provide for locations for the most intensive commercial uses intended to serve the entire city. It is intended that the district regulations permit heavy commercial uses characterized by automotive and light warehousing. The regulations of the districts are intended to provide a transition from general business areas to industrial and manufacturing uses, and to accommodate major locations of commerce, service and employment activities.</p>	<p>No. While the proposed zoning district would match that of adjacent property to the west, the proposed zoning district is not compatible with adjacent residential zoning districts to the North, East, and South.</p>
<p><b>Preferred Development Locations:</b> Located along an arterial (or greater street classification) or the intersection of two collectors (or greater street classification). The site for proposed rezoning is not located mid-block, resulting in it being the only property on the block with an alternative zoning district, density, use and/or land use.</p>	<p>No. While the subject property is adjacent to property zoned C-3 (Commercial), the proposed rezoning would allow a higher intensity zoning district to continue to extend into single-family zoned areas. Additionally, the subject property is proposed at the corner of future roadways being the proposed Tony Conde Drive and Enchanted Pass Drive, but immediately adjacent to residential zoned property without properly transitioning in intensity.</p>
<p><b>THE PROPOSED ZONING DISTRICT'S EFFECT ON THE PROPERTY AND SURROUNDING PROPERTY, AFTER EVALUATING THE FOLLOWING FACTORS:</b></p>	
<p><b>Historic District or Special Designations &amp; Study Area Plans:</b> Any historic district or other special designations that may be applicable. Any adopted small areas plans, including land-use maps in those plans.</p>	<p>None. The proposed development is not within any historic districts or study area plan boundaries.</p>
<p><b>Potential Adverse Effects:</b> Potential adverse effects that might be caused by approval or denial of the requested rezoning.</p>	<p>The proposed C-3 (Commercial) zoning district has the potential to allow uses not suitable or desired in close proximity to residential development, such as heavy automotive and transportation uses, which can negatively impact the character of the adjacent residential neighborhood.</p>
<p><b>Natural Environment:</b> Anticipated effects on the natural environment.</p>	<p>None. There are no anticipated effects on the natural environment.</p>
<p><b>Stability:</b> Whether the area is stable or in transition.</p>	<p>The area is in transition as is being developed into a residential subdivision along Northwestern Drive and as commercial developments along Interstate 10. The properties to the south at Hunter Foster Drive were rezoned from R-5 (Residential) to C-2 (Commercial) in 2022. Furthermore, the corner lot to the south along Northwestern Drive and Hunter Foster Drive was rezoned from R-5 (Residential) to C-1 (Commercial) in 2025.</p>
<p><b>Socioeconomic &amp; Physical Conditions:</b> Any changed social, economic, or physical conditions that make the existing zoning no longer suitable for the property.</p>	<p>None.</p>

**ADEQUACY OF PUBLIC FACILITIES, SERVICES AND INFRASTRUCTURE:** The proposed development will have future access to proposed roadways. Additionally, the subject property will need to provide adequate infrastructure at the time of platting and prior to development. No public transit facilities exist within walking distance (0.25 miles) of the subject property.

**SUMMARY OF DEPARTMENTAL REVIEW COMMENTS:** Planning staff recommends denial of the proposed C-3 (Commercial) request due to incompatibility with the adjacent residential districts and not meeting the character of future development. Staff has considered imposing conditions, but were found to be excessive and possibly getting into contract zoning in order to protect the nearby residential zone areas. Some of the conditions considered include restricting uses, implementing buffers and setbacks, and limiting commercial truck ingress and egress.

**PUBLIC COMMENT:** There are no registered neighborhood association applicable to the subject property. As required, public notices were mailed to property owners within 300 feet on February 13, 2026. As of February 19, 2026 the Planning Division has not received any other communication in support or opposition to the request.

**CITY PLAN COMMISSION OPTIONS:** The purpose of the Zoning Ordinance is to promote the health, safety, morals and general welfare of the City. The City Plan Commission (CPC) has the authority to advise City Council on Zoning matters. In evaluating the request, the CPC may take any of the following actions:

1. **Recommend Approval** of the rezoning request, finding that the request is in conformance with the review criteria of *Plan El Paso* as reflected in the Staff Report, or that the request is in conformance with other criteria that the CPC identifies from the Comprehensive Plan.
2. **Recommend Approval of the rezoning request With Modifications** to bring the request into conformance with the review criteria of *Plan El Paso* as reflected in the Staff Report, or other criteria that the CPC identifies from the Comprehensive Plan.
3. **Recommend Denial** of the rezoning request, finding that the request does not conform to the review criteria of *Plan El Paso* as reflected in the Staff Report, or other criteria that the CPC identifies from the Comprehensive Plan.

Staff recommends **DENIAL** of the C-3 (Commercial) rezoning request as the proposed C-3 (Commercial) zoning district and conditions considered are not appropriate for the property in relation to existing platted lots for single-family and other proposed development as per the Enchanted Hills Land Study. This can potentially lead the way into contract zoning and still not address possible future nuisances to the single-family residential areas.

Additionally, per Streets and Maintenance Department either a TIA is required or that a TIA deferral to the subdivision plat is granted.
