Issued by the
Internal Audit Department
As of February 29, 2024

INTRODUCTION

According to Performance Standards 2020 & 2060 of the *International Standards for the Professional Practice of Internal Auditing* as issued by the Institute of Internal Auditors, the Chief Internal Auditor must report periodically to the Financial Oversight and Audit Committee and Senior Management on the internal audit activity's purpose, authority, responsibility, and performance relative to its plan. The Chief Internal Auditor is also responsible for reporting significant risk exposures, control issues, fraud risks, governance issues, and other matters needed or requested by the Financial Oversight and Audit Committee and Senior Management.

In addition, by periodically reporting to the Financial Oversight and Audit Committee and Senior Management, the Internal Audit Department helps support the City of El Paso's *Strategic Plan* Goals 6.6 and 6.8;

- Goal 6.6: *Ensure continued financial stability and accountability through sound financial management, budgeting and reporting.*
- Goal 6.8: *Support transparent and inclusive government.*

The Chief Internal Auditor is also responsible to communicate the internal audit activity's plans and resource requirements, including significant interim changes, to the Financial Oversight and Audit Committee for review and approval. The Chief Internal Auditor must also communicate the impact of any resource limitations.

Based on this requirement, this Annual Audit Plan Update is being provided to the Financial Oversight and Audit Committee. The Chief Internal Auditor will provide an update on the following four critical areas required in the management of an internal audit activity. The four critical areas are:

1. Completed Audits and Projects
2. Pending Audits and Projects
3. Miscellaneous Items affecting the Internal Audit Department's Activity
4. Annual Audit Plan Update

As required by the *International Standards for the Professional Practice of Internal Auditing*, Standard 1110, the City of El Paso's Internal Audit Department continues to maintain its independence. Per the City Charter amended May 6, 2023, the Chief Internal Auditor reports operationally to the Chairman of the Financial Oversight and Audit Committee (FOAC) and legislatively to the FOAC. The FOAC reviews and recommends for approval by City Council the Internal Audit Charter and annual risk-based Audit Plan. The FOAC also receives quarterly updates to the Annual Audit Plan from the Chief Internal Auditor. The City Manager shall be responsible for the implementation of any audit recommendations for changes to City administrative procedures and operations as requested by City Council. Standard 2060 requires the Internal Audit Department ensure conformance with the Code of Ethics and the *Standards*. The Code of Ethics Principles includes Integrity, Objectivity, Confidentiality and Competency. Any non-conformance will be reported.

We conduct audits in accordance with both *Generally Accepted Government Auditing Standards* and the *International Standards for the Professional Practice of Internal Auditing*.
