

To whom it may concerned,

On Monday March 31, Mr. David Perez came up to me, Lluvia Espinoza willing to have a minute to talk about a situation that happened on Thursday March 27 during bingo.

Mr. Perez mentioned that he was upset and he was thinking on resigning from the advisory board. Mr. Perez mentioned that he felt upset by the fact that he was calling the numbers from the bingo on Thursday the 27, when someone called BINGO after one of the number have being displayed in the camera without being called and he proceeded to make the call for invalid BINGO. After making the call, Maria Elena Sarmiento got the other microphone and started raising her voice at him and asking him that who was calling the numbers him or the TV. Mr. Perez politely started explaining Maria Elena that is valid until he calls the numbers. Maria Elena rudely continued the argument over the microphone making him very uncomfortable and embarrassed, but that's when Mindy Neria intervene to smooth out things. This situation was a matter for Mr. Perez to feel as described above since was not the first time Mrs. Maria Elena approaches Mr. Perez as he mentioned.

After talking with Mr. Perez, I proceed to have the conversation with Mindy Neria regarding the situation and she confirmed what Mr. Perez mentioned describing the same situation.

If there are any further questions regarding the matter please let me know.

Thank you,
