

Alameda & Carolina Intersection Improvements Construction Contract Award

APRIL 27, 2020

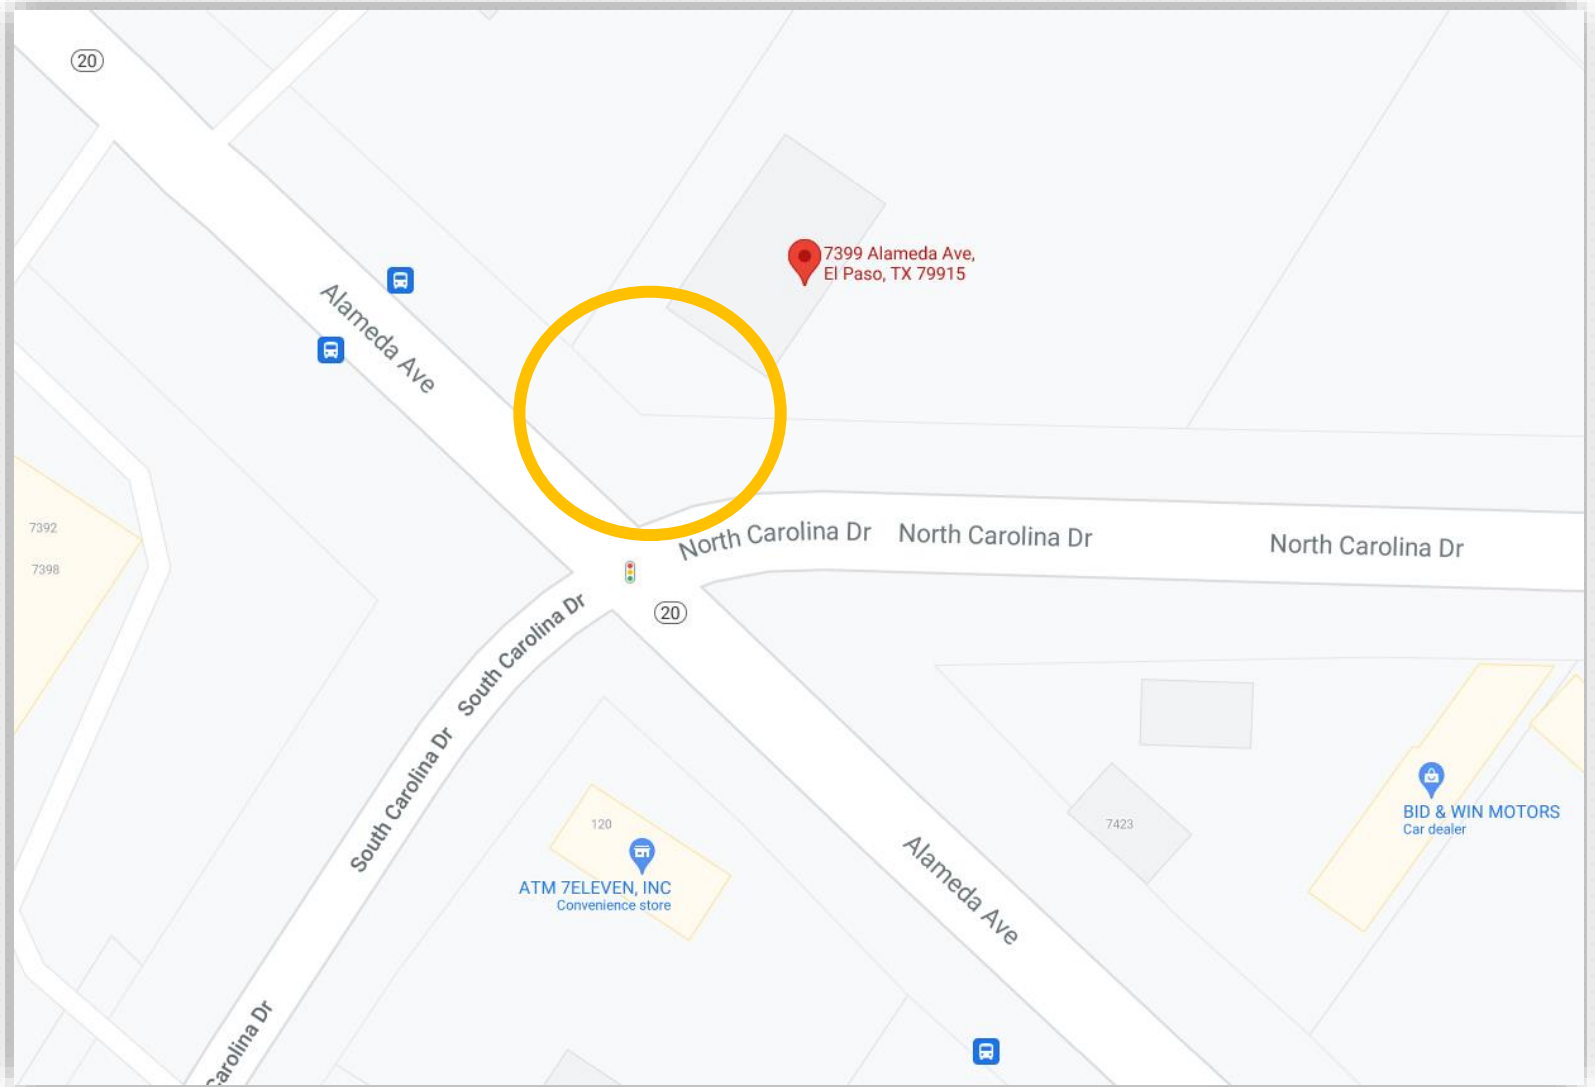

Project Scope

- The project consists of removal and replacement of existing sidewalk, curbing, and driveways along Alameda Avenue and Carolina Drive to allow for the business location to regain the use of the existing driveway along Carolina Drive after the changes caused by the expansion of the Carolina Bridge. Other improvements include new curb & gutter, sidewalks, accessible ramps, and signage & striping.

Project Location – Alameda Ave and Carolina Intersection

7399 Alameda Ave

Recommendations

- To award Solicitation No. 2021-0837 Alameda Ave and Carolina Dr Intersection Improvements to **Black Stallion Contractors Inc.**
- Estimated total amount **\$65,156.68**
- Three bids received,
all three from local vendors
