QUALIFICATIONS

Ms. Troncoso provides project management services including design and construction management for numerous municipal and land development projects. This includes roadway design; storm water retention; water distribution systems; wastewater collection systems; street and drainage improvements; and site grading. She has been involved in the master-planning of regional development for East El Paso with extensive governmental coordination between the City of El Paso, County of El Paso, Texas Department of Transportation, El Paso Metropolitan Planning Organization, El Paso Water Utilities, Texas General Land Office, and local municipal utility districts, including 12 municipal utility districts which she and her firm represent as District Engineers.

Ms. Troncoso sat on the Ordinance Committee for the 2008 re-write of the City of El Paso Subdivision Ordinance and writing and adoption of the 2008 SmartCode, and in 2010 sat on the City of El Paso's advisory committee for Plan El Paso (the update to the City of El Paso's Comprehensive Plan). She has also been involved in the coordination and oversight of numerous construction projects in East El Paso and continues to serve on committees and provide guidance for local and state changes to municipal development and construction regulations.
