I, Adela Duran, certify that there was a misunderstanding with Ms. Lucia Martinez. The reason was that she blamed Estela Meza and me for moving her bag from the table, but she had left it on another table. I tried to explain to her that she was mistaken, and she yelled at me and hit the table.

"I, Adela Duran, am writing about the conversation I had with Ms. Lucia Martinez on Wednesday, June 11. The topic was that she approached Estela Meza and me to apologize for an argument that had taken place that same day. I told her that she needed therapy to change and that I had nothing against her. She told me that she was already getting it. I told her that it was good for her and that she would no longer have any problems.

Today's Date June 16, 2025 Adela Duran"

"June 11, 2025

I just had an incident here in the dining room with Ms. Lucia Martinez. This woman has no manners. There was a meeting and they had a table. When they vacated it, they left it for four of us, and she came over yelling at us, asking where her bag was, saying we had moved it. I've had enough of her arrogance. This is the second time I've had problems with her. I hope you take action against her.

Sincerely, Estela Meza" Esto es hocerca delo que paso esté din con ducia martinez que fue a podir disculpas y yo me levante de la mesa y la dije que no queria escuchar mada.

Ella se quedo nablando con Adela no se de que hablaron

This is about what happened today with Lucia Martinez, who came to apologize, and I got up from the table and told her I didn't want to hear anything. She stayed talking with Adela. I don't know what they talked about.

Sincerely, Estela Meza 06/16/2025"
