

El Paso Electric Company Easement Amendment- 1749 Hawkins

Tony Nevarez, Aviation Director

Requested Action

That the City Manager, or designee, be authorized to sign an Amendment to the Underground Electrical and Transformer Pad Easement to accommodate an electrical transmission line to provide electrical power to property in the vicinity of the El Paso International Airport, said easement more particularly described as: Lot 2, Block 15, El Paso International Airport Tract Unit 11, filed for record in Volume 71, Page 29, Plat Records of El Paso County, Texas.

Highlights

- Original Easement effective June 22, 2022, between the City of El Paso (“Grantor”) and El Paso Electric Company (“Grantee”)
- The Department of Aviation requests approval to the Amendment of an Underground Electrical and Transformer Pad Easement

Items to Amend

- To correct the property description on page 1 of the Original Easement to read “Lot 2, Block 15”
- To replace Exhibits “A” and “B” which describe the metes and bounds of the easement
- Amend the term of the Easement
- Adding EPIA addendum referencing FAA Order 1400.11A
