**JENNIFER COUNTRYMAN**

AIA, RA, NCARB, LEED AP, MA in Sociology, PMI PMP

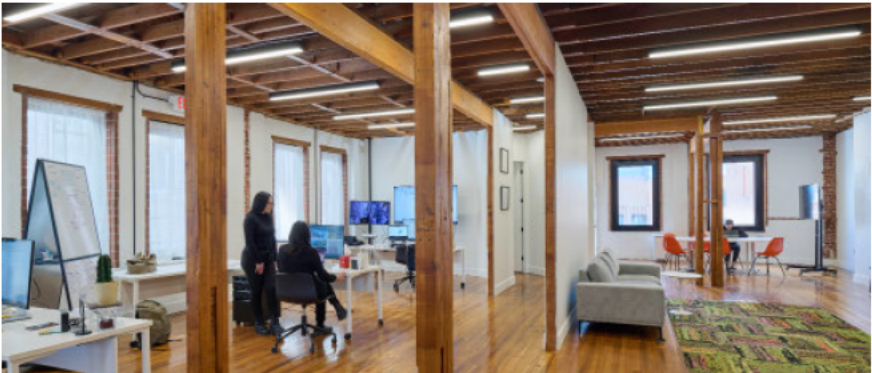

**Historic Preservation Architect**

Jennifer founded Countryman & Co. in January of 2021, after leading her previous firm to a place where it was securing the largest volume of work, per year, that the leadership had record of in the company's 35+ year history. Countryman & Co., under Jennifer's leadership, has provided professional architectural services for over \$15 million dollars in construction, and owner's representation services for over \$60 million in construction, as well as Historic Preservation Consulting for the City of El Paso, in the last 24 months.

Jennifer has a keen eye for context, and is renowned for her timeless, yet practical solutions. Her professional recommendations part from a project's existing conditions, which she is adept at using to an owner's greatest advantage.
