

Transportation Alternative Set-Aside (TASA) Applications

September 27, 2022

Strategic Plan Goal:

7) Enhance and Sustain El Paso's Infrastructure Network

Program

Transportation Alternatives Set-Aside (TASA) program provides funding for projects and activities defined as **transportation alternatives** including:

- On- and off-road **pedestrian and bicycle facilities**
- Infrastructure projects for improving non-driver access to **public transportation** and **enhanced mobility**
- Community improvement activities
- Environmental mitigation, trails that serve a transportation purpose, and **safe routes to school projects**

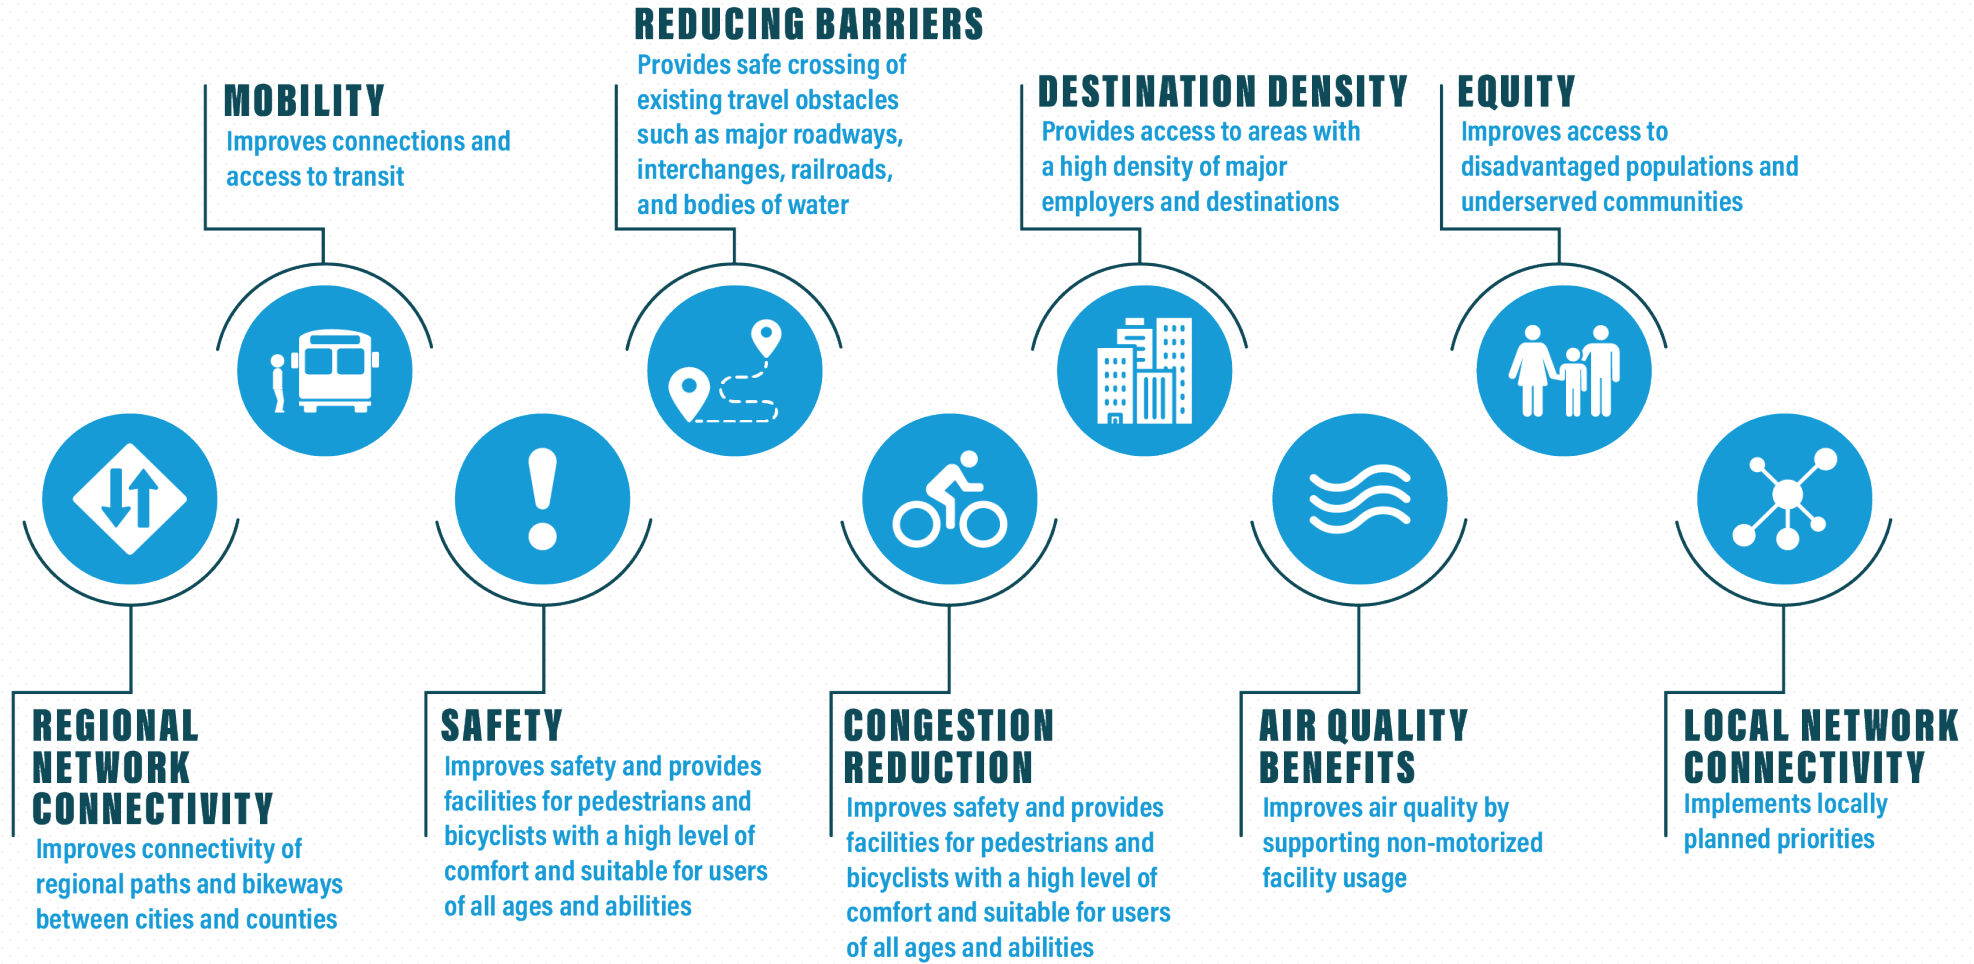

Eligibility

Facilities for Active Transportation (Pedestrians and Bicycles)

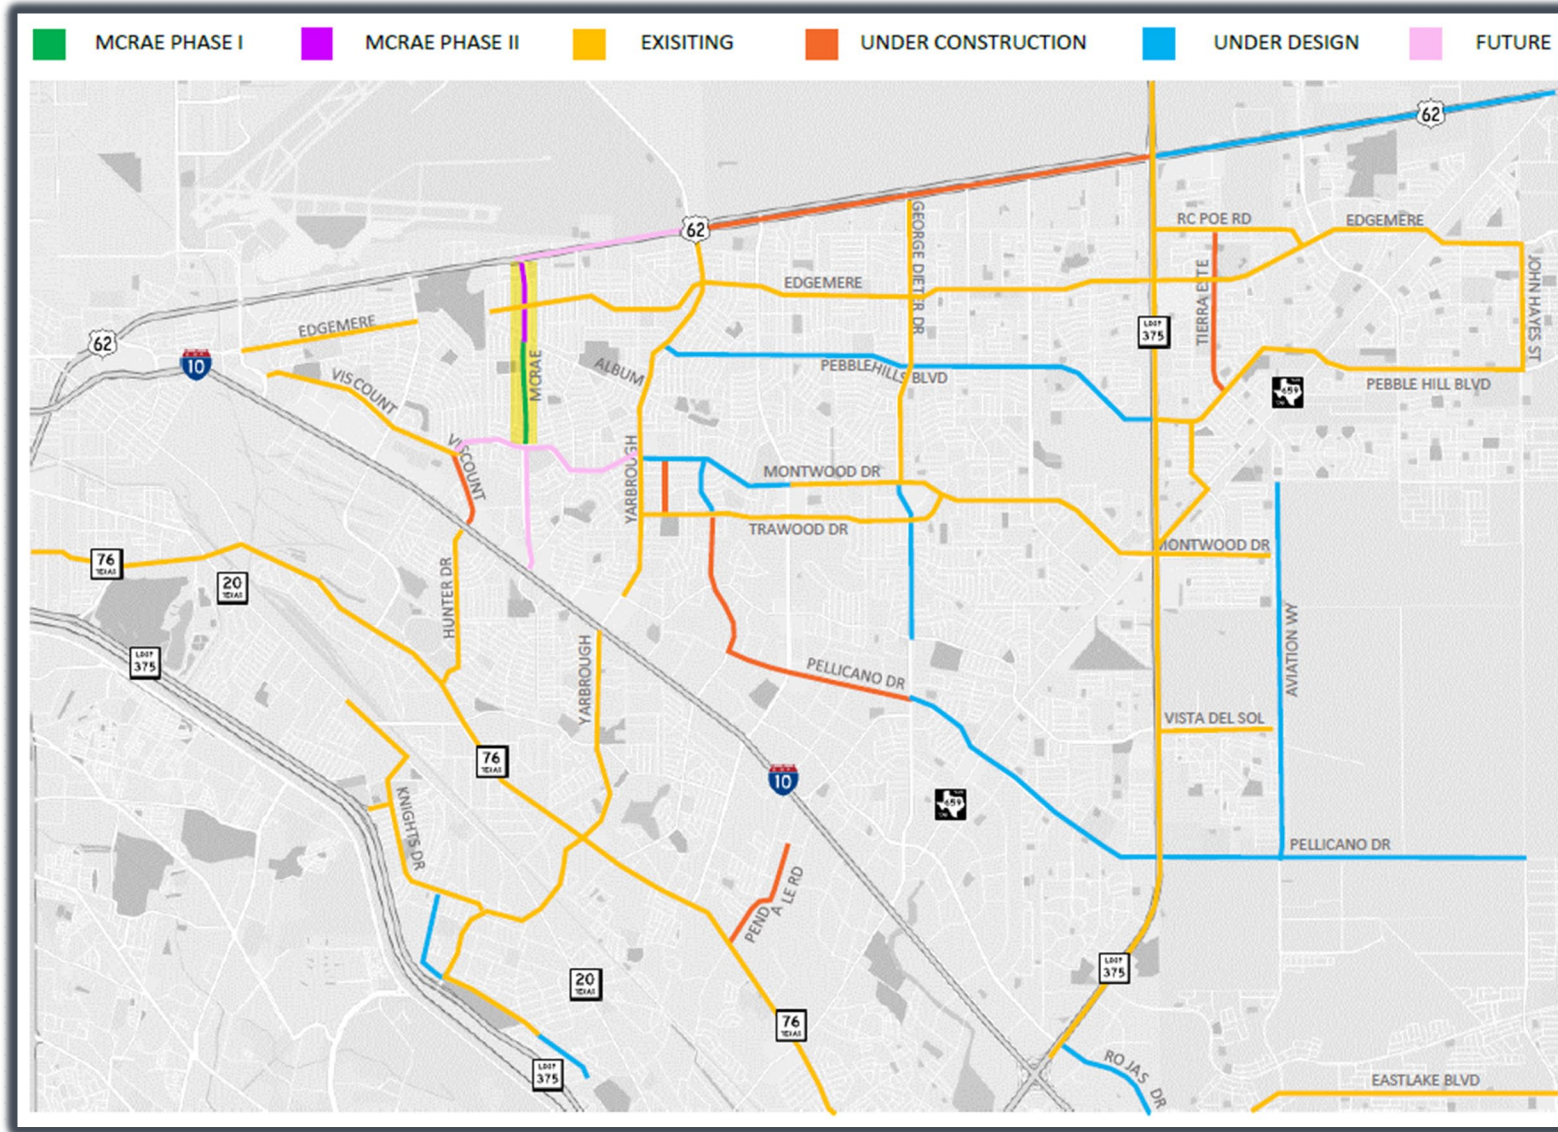

Active transportation projects are those that make non-motorized transport safe, convenient, and appealing. Such projects eligible for TA Set-Aside Program funding include the following activities:

- a) **Construction**, planning, and design of on-road and off-road trail facilities for pedestrians, bicyclists, and other non-motorized forms of transportation, including sidewalks, **bicycle infrastructure, pedestrian and bicycle signals, traffic-calming techniques, lighting** and other safety-related infrastructure, and transportation projects to achieve compliance with the **Americans with Disabilities Act** of 1990 (42 U.S.C. 12101 et seq.).
- b) Construction, planning, and design of infrastructure-related projects and systems that will provide **safe routes** for non-drivers, including children, older adults, and individuals with disabilities to access daily needs.
- c) Conversion and use of abandoned railroad corridors for trails for pedestrians, bicyclists, or other non-motorized transportation users.
