Purpose of Procurement - Award

- This contract will enable the department to procure replacement parts and maintenance components necessary for the operation, repair, and upkeep of the city-owned Pro Patch asphalt patchers.
- The Pro-Patch Asphalt Patcher provides a safer, more efficient method for repairing potholes by reducing the number of personnel and equipment required for each job. It's advanced application process produces longer lasting repairs, minimizing repeat maintenance and reducing overall operational costs.

Streets and Maintenance Department 2026-0169 Pro Patch Proprietary Parts

- Sole Source Replacement Contract – HD Industries Pro Patcher
- Fleet currently has 16 Pro Patcher pothole units
- Age of Existing Pothole Patcher Units (16 Total)
 - 6 units are older than 10 years
 - 3 units are 9 years old
 - 4 units are 4 years old
 - 3 units are 3 years old or less
- The contract amount was established based on the estimated parts needed to maintain the City's pothole patching equipment during the contract term.
- The annual contract capacity of \$120,000 does not commit the City to spending that full amount; rather, it provides the flexibility to address routine maintenance needs as well as any unexpected repair issues that may arise.
