July 22, 2025

Project Details

Location:	El Paso International Airport
District(s):	ALL
Today's Request for Action:	\$ 3,321,150.00
Funding Source:	\$ 813,314.00 FAA AIP Supplemental Funds \$ 2,507,836.00 Airport Enterprise

Project Location

Project Scope of Work

The project replaces the middle section and failing part of the airport terminal roof, estimated as a 46,500 sq.ft. section from the airport's 2023 Terminal Roof Assessment.

The project itself will increase energy efficiency by providing greater insulation with the installation of modernized roof materials and allow greater resiliency of the overall terminal building facility.
