EPIA Emergency Rockwall Facade Failure

June 10, 2025

Incident Overview

Date of Incident: May 13, 2025

Location: EPIA Consolidated Rental Agency Complex
Convair Rd

Issue: On May 13, 2025, high winds caused a rock wall facade along the Airport's rental car facility to detach and collapse.

Immediate Threat: Injury or death to pedestrians or damage to vehicles on the parallel roads with three of the remaining 7 walls.

Emergency Response

Airport maintenance responded immediately to remove fallen rocks, close the sidewalk and the turn lane closest to one of the remaining rockwall facades pulling away from the structure.

Airport coordinated with the Purchasing Department and Jordan Foster Construction for assistance with removal of 3 additional rockwall facades showing signs of detaching from the structure and collapsing
