Project Details

- **The purpose of this project is to develop an accessible pathway from deactivated bus stops to active bus stops, ensuring compliance with ADA requirements. The pathways will provide a safe and accessible route from deactivated bus stops to active stops at multiple locations throughout the city.**
- **The project will involve but is not limited to the replacement and repair of sidewalks, driveways, ramps, curbs, and gutters in multiple locations throughout the city.**
- **This initiative will cover a total of 25 routes across various locations in the city, including districts 2, 3, 4, 5, 6, 7, and 8, enhancing connectivity and safety for all transit users.**
