Solo me puse a  
quejar de que el viernes  
17 de Enero fui a comprar  
las Tarjetas del Bingo y  
María Elena Zermiento me  
dijo cuantas llevas y le  
dije son 9 cartas y me  
dijo no te dañas a robar  
una, yo le conteste cuando  
te he robado, pues no es  
la primera vez que se porta  
así de fea, conmigo yo... no  
le he echo nada hasta ves  
que le dije, no andes diciendo  
que no queda nada de dinero y  
me dijo pues no me has dicho  
cuanto quedo,

Acentamente  
Lupita T. Garcia

**To whom it may concern:**

**I just want to complain that on Friday, January 17 I went to buy the bingo cards and Maria Elena Sarmiento said “how many cards are you taking”, I told her “it is 9 cards” and she said “don't steal one” and I answered “when did I steal one”. It is not the first time that she has been so mean to me; I have not done anything to her. The other time I told her, “Don't go around saying that there is no money left,” and she said, “You haven't told me how much money is left”.**
